AMENDED MEMORANDUM 1 (Discard Prior MEMORANDUM 1)

Attn: PATTY Z. KOUYOUMDJIAN EXECUTIVE OFFICER
LAHONTAN REGIONAL WATER QUALITY CONTROL BOARD

IN RE: "Additional Information Requested: Proposed Cleanup and Abatement Order requiring Pacific Gas and Electric Company to cleanup discharges of chromium to ground waters in Hinkley. I would like to thank the Parties for submitting comments on the proposed Cleanup and Abatement Order (CAO) by March 13, 2015. The comments received on the proposed CAO have raised issues that need additional clarification. The Water Board must have all pertinent information in hand before considering adoption of a final CAO. The following questions or requests for information are directed at certain Parties in an attempt to gather the necessary information for the Water Board to consider. Responses must be sent to RB6enfproceed@waterboards.ca.gov and received by May 21, 2015:"

In response, Nick Panchev, elected as spokesperson by the People of Hinkley, being 49 litigants within 35 lawsuits, with current operative SECOND AMENDED COMPLAINT (SAC), hereby respond to the the Lahontan Regional Water Quality Control Board, hereinafter the ("Board"), as follows:

1. Cautionary Notes:

(A) Project Navigator, LTD, hereinafter ("Entity1"), is nor representing all in the community and/or all residents and property's owners in the town of Hinkley, CA 92347, including but not limited to that was found to be biased as to these forty nine people from Hinkley, CA 92347, and therefore all comments by said entity are hereby subjected to STRIKING ON ADMINISTRATIVE LEVEL, including but not limited to subjected to the pending filing of TEMPORARY RESTRAINING ORDER (TRO), to be struck during the upcoming Jury trial, by those 49 litigants within the 35 cases;

(B) The so called "COMMUNITY ADVISORY COMMITTEE (CAC) hereinafter ("Entity 2"), is nor representing all in the community and/or all residents and peopery's owners in the town of Hinkley, CA 92347, including but not limited to that was found to be biased as to those forty nine people from Hinkley, CA 92347, and therefore all comments by said entity are hereby subjected to STRIKING ON ADMINISTRATIVE LEVEL, including but not limited to subjected in pending filing of TEMPORARY RESTRAINING ORDER (TRO), to striking withing the upcoming Jury trial, those 49 litigants within the 35 cases;

(C) Recent personal communications with Mr. Izbicki from USGS, has triggered suspicion of bias, including but not limited to being paid for certain study by Pacific Gas and Electric Company, that could trigger not only STRIKING ON ADMINISTRATIVE LEVEL, by striking of any or all data submitted to the Board and/or to any governmental and private entities, via striking withing the upcoming

Jury trial, by those 49 litigants within the 35 cases;

(D) As to any other person and/or entity that has, or will be exhibiting bias, casting light on those 49 litigants, construed as "acting in concert with PG&E", same treatment as per Paragraph 1 (A), (B) and (C)

2. Effective immediately, anything in regards to any acts by Pacific Gas and Electric Company, specifically as to only the Chromium contamination issue, is hereby STROKED by those forty nine people (the litigants) on both administrative and on legal grounds.

Unless, immediate and unconditional actions, including but not limited to immediate and unconditional investigation by utilizing monitoring-injection-supply wells controlled by PG&E, utilizing such to test the aquifers, to ascertain the poisoned aquifers beneath the entire town of Hinkley, CA 92347 with Arsenic and Uranium, by the Board, further construed as "FOR THE PUBLIC GOOD", the People will rise and will press charges with the California Department of Justice, in light of that there is an operative Complaint in the Superior Court, State of California, against PG&E, which could further trigger the doctrine of Obstruction of Justice.

In Response,
Nick Panchev
On Behalf thereof Forty Nine People from Hinkley, CA 92347

Responses must be sent to RB6enfproceed@waterboards.ca.gov and received by May 21, 2015."*

In response, Nick Panchev, elected as spokesperson by the People of Hinkley, being 49 litigants within 35 lawsuits, with current operative SECOND AMENDED COMPLAINT (SAC), hereby respond to the Lahontan Regional Water Quality Control Board, hereinafter the ("Board"), as follows:

Continued, with Paragraph 3, et sec.

3. The People of Hinkley (forty nine litigants within 35 lawsuits against PG&E), THE PEOPLE, RISES and stipulates of the followings:

(A) THE PEOPLE will no longer tolerate the "wranglings by PG&E", for nearly two decades, including but not limited to the ongoing, for over two decades, presentations, reporting, stipulations, and other acts exhibited by PG&E, such as exhibited therein link: http://www.swrcb.ca.gov/lahontan/water_issues/projects/pge/cao/docs/pge.pdf, and any other extremely huge, in unprecedented proportion volumes, to only address the Chromium contamination issue, which was no longer at-issue due to barred by the statute of limitations, some 17 years ago, and as alleged therein the **"SECOND AMENDED COMPLAINT FOR: DELAYED DISCLOSURE OF FACTS; INTENTIONAL CONCEALMENT OF FACTS; INTENTIONAL FAILURE TO WARN OF FACTS; MATERIAL MISREPRESENTATION OF FACTS; NEGLIGENT MISREPRESENTATION OF FACTS; INTENTIONAL MISREPRESENTATION OF FACTS; COORDINATED EFFORTS TO CONCEAL FACTS; PRIVATE NUISANCE; PUBLIC NUISANCE;"**, thus any further comments as to the contamination with the Chromium (VI) are superfluous.

4. THE PEOPLE are currently in ongoing communications with the California Department of Justice.

5. THE PEOPLE has requested witnessing by governmental officials of the sampling of aquifers beneath the entire town of Hinkley, CA 92347, utilizing private domestic water wells, sampling only by THE PEOPLE and also for only Arsenic and Uranium, and one set of 30 laboratory's containers released to the Board via COC, another set of 30 containers released to DOJ and the third set of 30 laboratory's containers released via COC to the state approved and certified laboratory selected by the PEOPLE, commencing immediately, per the governmental officials timing.

In Response,
Nick Panchev
On Behalf thereof Forty Nine People from Hinkley, CA 92347
