Attn: Mark Smythe
Section Chief
Coastal Storm Water Unit

Dear Mr Smythe,

Norm Plastics Trading Company was established in 1993. Our company is only in plastics trading business since that time. We do not buy or sell any form of metal or metal scrap. We do not have anything that is named metal or scrap metal in our inventory.

We believe that our company is identified in error as in metal recycling business.

Please let us know if you need any kind of proof to make this correction.

Sincerely,

May 11/11
Coskun Tuzun
