Laurie:

I wanted to schedule the follow up meeting with BIA members. You had mentioned Friday morning the 17th. Could we still meet at that time? Would 8:30 at BIA work for you and Wayne?

Let me know.

Mike,

The San Diego Water Board MS4 team would be happy to meet with the BIA, however early next week is booked on most all of our calendars. I do see the afternoon of Aug 16th (first preference) and the morning of Aug 17th available and we can certainly come to you if that makes it more convenient.

Please let me know asap, so I can secure the time and date on each team members calendar.

Laurie:

I've been asked by members of the BIA to schedule a meeting with you and your staff to discuss the Administrative Draft Permit. The BIA has some questions, seeks some clarification and wishes for an open dialogue with your staff.

We'd like to meet early next week. BIA would be sending our engineering members who are best suited to interact with you and your staff and are our experts on these issues.

Could you please reply to this e-mail with some dates and time availabilities?

It would be most appreciated.

Thank you,
