## Item 14, Supporting Document 3

November 12, 2009

Daniel P. Thompson  
Vice President  
Dynegy South Bay, LLC  
990 Bay Boulevard  
Chula Vista, CA 91911

**In reply refer to:**  
257829: DBarker  
WDID: 9 000000091

Dear Mr. Thompson:

**Subject: Tentative Order No. R9-2009-0178 – An Order Ratifying Minor Modifications to Waste Discharge Requirements for Order No. R9-2004-0154, NPDES No. CA0001368, Dynegy South Bay, LLC, South Bay Power Plant Discharge to San Diego Bay**

Enclosed is a copy of the subject tentative Order No. R9-2009-0178. If adopted by the San Diego Regional Water Quality Control Board (Regional Water Board), Order No. R9-2009-0178 would ratify the minor modifications to Order No. R9-2004-0154 described in the Regional Water Board Executive Officer's letter dated November 9, 2009. The permit modifications reflect a previous change in operational control of the South Bay Power Plant on April 2, 2007, the interim flow reduction resulting from the shutdown of Units 3 and 4, and the eventual shutdown of Units 1 and 2 based on the schedule described in Dynegy's October 16, 2009 letter.

A public hearing will be conducted at the Regional Water Board's regularly scheduled meeting on December 16, 2009 for the Board to consider adoption of tentative Order No. R9-2009-0178 ratifying the minor modifications of Order No. R9-2004-0154. The Board meeting begins at 9:00 am and will be held at the following location:

San Diego Regional Water Quality Control Board  
Regional Water Board Meeting Room  
9174 Sky Park Court  
San Diego, California 92123

The public comment period will remain open until 5:00 p.m. on Tuesday, December 8, 2009. Written comments received after 5:00 p.m. on Tuesday, December 8, 2009 will not be provided to the Regional Water Board members prior to the hearing.
