

Wine Country Groundwater Work Group

Purpose

To establish general waste discharge requirements that enables the San Diego Water Board to expeditiously process individual project proposals in the Temecula Valley Wine Country by taking a holistic approach to addressing sources of pollutants in the area.

Ground Rules for Meetings

- Attend all meetings (notify meeting leader in advance for absence or late arrival)
- Start and end meetings on time
- Listen and treat others' opinions with respect
- Avoid interrupting
- Everyone is equal during meetings
- Make procedural decisions for work group by consensus
- Keep commitments to agreements (i.e., follow-up, time frames, due dates, etc.)
- Support for win-win outcomes
- Focus on process rather than personalities
