

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

NOTICE OF PENDING ENFORCEMENT ACTION
MAYHEW CENTER, LLC

The California Regional Water Quality Control Board, San Francisco Bay Region (Water Board) Prosecution Team issued a Complaint for Administrative Civil Liability (ACL) on June 18, 2012. The Complaint alleges that Mayhew Center, LLC (Discharger) is responsible for failing to submit a technical report as required under Water Code section 13267 for a property located at 3301-3341 Vincent Road in Pleasant Hill, and proposes that the Discharger pay \$16,942.

The Complaint and related documents, including the procedure for Water Board hearings (with deadlines for submitting comments), are available at http://www.waterboards.ca.gov/sanfranciscobay/public_notices/pending_enforcement.shtml. The Prosecution Team may amend and re-notice its Complaint in response to comments from the Discharger or the public.

The Water Board will hold a hearing on September 12, 2012, to consider adoption of the ACL and/or referral of the matter to the Attorney General, unless the Discharger waives its right to a hearing within 90 days. The 90-day hearing requirement may be waived to pay the penalty as proposed, extend deadlines, or pursue settlement and/or a supplemental environmental project.

For additional information and updates, please contact prosecutorial staff Laurent Meillier at 510-622-3277 or LMeillier@waterboards.ca.gov or check the Water Board website link cited above for documents and future developments associated with this matter.
