

**COUNTY OF ALAMEDA
PUBLIC WORKS AGENCY**

399 Elmhurst Street • Hayward, CA 94544-1307
(510) 670-5480

September 15, 2010

Bruce Wolfe, Executive Officer
San Francisco Regional Water Quality Control Board
1514 Clay Street
Oakland, CA 94612

SUBJECT: Annual Report for Fiscal Year 2009-2010 for the Alameda County
Unincorporated Area.

Dear Mr. Wolfe:

Enclosed herewith is the subject for the Fiscal Year 2009-2010 (months of July 2009 through June 2010). This is being submitted in accordance with the requirements of our NPDES permit.

Chapter 13.08 Section 13.08.040 of the Alameda County Code give the responsibility for the administration of the Unincorporated Area of Alameda County's NPDES permit requirements to the director of public works. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Yours truly,

Daniel Woldesenbet, Ph.D., P.E.
Director of Public Works

Section 1 – Permittee Information

Background Information			
Permittee Name:	County of Alameda Unincorporated Area		
Population:	140,825		
NPDES Permit No.:	CAS612008		
Order Number:	R2-2009-0074		
Reporting Time Period (month/year):	July / 2009 through June / 2010		
Name of the Responsible Authority:	Daniel Woldesenbet	Title:	Director of Public Works
Mailing Address:	399 Elmhurst Street		
City:	Hayward, CA	Zip Code:	94544
		County:	Alameda
Telephone Number:	510-670-5455	Fax Number:	510-670-5541
E-mail Address:	danielw@acpwa.org		
Name of the Designated Stormwater Management Program Contact (if different from above):	Sharon Gosselin	Title:	Associate Environmental Compliance Specialist
Department:	Engineering, Environmental Services Section, Clean Water Unit		
Mailing Address:	399 Elmhurst Street		
City:	Hayward, CA	Zip Code:	94544
		County:	Alameda
Telephone Number:	510-670-6547	Fax Number:	510-670-5262
E-mail Address:			

Program Highlights and Evaluation

Highlight/summarize activities for reporting year:

Summary:

Utilized BMP's from the Erosion and Sediment Control Field Manual

C.2.a. ► Street and Road Repair and Maintenance

Place an **X** in the boxes next to implemented BMPs to indicate that these BMPs were implemented in applicable instances. If not applicable, type **NA** in the box. If one or more of these BMPs were not adequately implemented during the reporting fiscal year then indicate so and provide explanation in the comments section below.

x	Control of debris and waste materials during road and parking lot installation, repaving or repair maintenance activities from polluting stormwater
x	Control of concrete slurry and wastewater, asphalt, pavement cutting, and other street and road maintenance materials and wastewater from discharging to storm drains from work sites.
x	Sweeping and/or vacuuming and other dry methods to remove debris, concrete, or sediment residues from work sites upon completion of work.

Comments:

C.2.b. ► Sidewalk/Plaza Maintenance and Pavement Washing

Place an **X** in the boxes next to implemented BMPs to indicate that these BMPs were implemented in applicable instances. If not applicable, type **NA** in the box. If one or more of these BMPs were not adequately implemented during the reporting fiscal year then indicate so and explain in the comments section below:

NA	Control of wash water from pavement washing, mobile cleaning, pressure wash operations at parking lots, garages, trash areas, gas station fueling areas, and sidewalk and plaza cleaning activities from polluting stormwater
NA	Implementation of the BASMAA Mobile Surface Cleaner Program BMPs

Comments:

C.2.c. ► Bridge and Structure Maintenance and Graffiti Removal

Place an **X** in the boxes next to implemented BMPs to indicate that these BMPs were implemented in applicable instances. If not applicable, type **NA** in the box. If one or more of these BMPs were not adequately implemented during the reporting fiscal year then indicate so and explain in the comments section below:

x	Control of discharges from bridge and structural maintenance activities directly over water or into storm drains
x	Control of discharges from graffiti removal activities
x	Proper disposal for wastes generated from bridge and structure maintenance and graffiti removal activities
NA	Implementation of the BASMAA Mobile Surface Cleaner Program BMPs for graffiti removal

Comments:

C.2.d. ► Stormwater Pump Stations

Does your municipality own stormwater pump stations: **Yes** **No**

If your answer is **No** then skip to **C.2.e.**

(For FY 10-11 Annual Report only) Complete the following table for dry weather DO monitoring and inspection data for pump stations! (add more rows for additional pump stations):

Pump Station Name and Location	First inspection Dry Weather DO Data		Second inspection Dry Weather DO Data	
	Date	mg/L	Date	mg/L

(For FY 10-11 Annual Report only) Summarize corrective actions as needed for DO monitoring at or below 3 mg/L. Attach inspection records of additional DO monitoring for corrective actions:

Summary:

Attachments:

¹ Pump stations that pump stormwater into stormwater collection systems or infiltrate into a dry creek immediately downstream are exempt from DO monitoring.

Permittee Name: County of Alameda Unincorporated Area

(For FY 10-11 Annual Report only) Complete the following table for wet weather inspection data for pump stations (add more rows for additional pump stations):

Pump Station Name and Location	Date (2x/year required)	Presence of Trash (Cubic Yards)	Presence of Odor (Yes or No)	Presence of Color (Yes or No)	Presence of Turbidity (Yes or No)	Presence of Floating Hydrocarbons (Yes or No)

FY 2009-2010 Annual Report

C.2 – Municipal Operations

Permittee Name: County of Alameda Unincorporated Area

C.2.e. ► Rural Public Works Construction and Maintenance

Does your municipality own/maintain rural² roads: **Yes** **No**

If your answer is **No** then skip to **C.2.f.**

Place an **X** in the boxes next to implemented BMPs to indicate that these BMPs were implemented in applicable instances. If not applicable, type **NA** in the box. If one or more of the BMPs were not adequately implemented during the reporting fiscal year then indicate so and explain in the comments section below:

<input checked="" type="checkbox"/>	Control of road-related erosion and sediment transport from road design, construction, maintenance, and repairs in rural areas
<input checked="" type="checkbox"/>	Identification and prioritization of rural road maintenance based on soil erosion potential, slope steepness, and stream habitat resources
<input checked="" type="checkbox"/>	No impact to creek functions including migratory fish passage during construction of roads and culverts
<input checked="" type="checkbox"/>	Inspection of rural roads for structural integrity and prevention of impact on water quality
<input checked="" type="checkbox"/>	Maintenance of rural roads adjacent to streams and riparian habitat to reduce erosion, replace damaging shotgun culverts and excessive erosion
<input type="checkbox"/> NA	Re-grading of unpaved rural roads to slope outward where consistent with road engineering safety standards, and installation of water bars as appropriate
<input checked="" type="checkbox"/>	Inclusion of measures to reduce erosion, provide fish passage, and maintain natural stream geomorphology when replacing culverts or design of new culverts or bridge crossings

Comments including listing increased maintenance in priority areas:

² Rural means any watershed or portion thereof that is developed with large lot home-sites, such as one acre or larger, or with primarily agricultural, grazing or open space uses.

Permittee Name: County of Alameda Unincorporated Area

C.2.f. ► Corporation Yard BMP Implementation

Place an **X** in the boxes below that apply to your corporation yard(s):

<input type="checkbox"/>	We do not have a corporation yard
<input checked="" type="checkbox"/>	Our corporation yard is a filed NOI facility and regulated by the California State Industrial Stormwater NPDES General Permit
<input checked="" type="checkbox"/>	We certify that we have a current Stormwater Pollution Prevention Plan (SWPPP) for the Corporation Yard(s)

Place an **X** in the boxes below next to implemented SWPPP BMPs to indicate that these BMPs were implemented in applicable instances. If not applicable, type **NA** in the box. If one or more of the BMPs were not adequately implemented during the reporting fiscal year then indicate so and explain in the comments section below:

<input checked="" type="checkbox"/>	Control of pollutant discharges to storm drains such as wash waters from cleaning vehicles and equipment
<input checked="" type="checkbox"/>	Routine inspection prior to the rainy seasons of corporation yard(s) to ensure non-stormwater discharges have not entered the storm drain system
<input checked="" type="checkbox"/>	Containment of all vehicle and equipment wash areas through plumbing to sanitary or another collection method
<input checked="" type="checkbox"/>	Use of dry cleanup methods when cleaning debris and spills from corporation yard(s) or collection of all wash water and disposing of wash water to sanitary or other location where it does not impact surface or groundwater when wet cleanup methods are used
<input checked="" type="checkbox"/>	Cover and/or berm outdoor storage areas containing waste pollutants

Comments:

If you have a corporation yard(s) that is not an NOI facility, complete the following table for inspection results for your corporation yard(s) or attach a summary including the following information:

Corporation Yard Name	Inspection Date (1x/year required)	Inspection Findings/Results	Follow-up Actions
Turner Court Hayward	05-04-10	No violations found	none

Section 3 - Provision C.3 Reporting New Development and Redevelopment

C.3.a. ► New Development and Redevelopment Performance Standard Implementation Summary Report

(For FY 10-11 Annual Report only) Provide a brief summary of the methods of implementation of Provisions C.3.a.i.(1)-(8). [[== NOTE: This is NOT required in the current annual report.==]]

Summary:

C.3.b. ► Green Streets Status Report

(All projects to be completed by December 1, 2014)

On an annual basis (if applicable), report on the status of any pilot green street projects within your jurisdiction. For each completed project, report the capital costs, operation and maintenance costs, legal and procedural arrangements in place to address operation and maintenance and its associated costs, and the sustainable landscape measures incorporated in the project including, if relevant, the score from the Bay-Friendly Landscape Scorecard. [Note: this applies only to agencies planning to implement pilot green streets projects. If you are planning a pilot green streets project, summarize project status.]

Summary: N/A

C.3.b.v.(1) ► Regulated Projects Reporting Table

Fill in attached table **C.3.b.v.(1)** or attach your own table including the same information:

Please see table C.3.b.v.(1)

C.3.h.iv. ► Installed Stormwater Treatment Systems Operation and Maintenance Verification Inspection Program Reporting

(1) Fill in attached table **C.3.h.iv.(1)** or attach your own table including the same information:
Please See Table C.3.h.iv.

(2) On an annual basis, provide a discussion of the inspection findings for the year and any common problems encountered with various types of treatment systems and/or HM controls. This discussion should include a general comparison to the inspection findings from the previous year.

Summary:

PWA- Generally, SW treatment system operations were fully functional. Filtera filters required cleaning.

(3) On an annual basis, provide a discussion of the effectiveness of the O&M Program and any proposed changes to improve the O&M Program (e.g., changes in prioritization plan or frequency of O&M inspections, other changes to improve effectiveness program).

Summary:

PWA- No trends noticed to date. Keeping track of frequency for filter cleaning need and any observing other possible trends.

C.3.b.v.(1) ► Regulated Projects Reporting Table (part 1) – Projects Approved During the Fiscal Year Reporting Period

[== NOTE: Report only projects APPROVED in FY 2009/10 ==]

Project Name Project No.	Project Location ³ , Street Address	Name of Developer	Project Phase No. ⁴	Project Type & Description ⁵	Project Watershed ⁶	Total Site Area (Acres)	Total Area of Land Disturbed (Acres)	Total New and/or Replaced Impervious Surface Area ⁷ (ft ²)	Total Pre- Project Impervious Surface Area ⁸ (ft ²)	Total Post- Project Impervious Surface Area ⁹ (ft ²)
<p>For all projects subject to a building permit, a project is considered to be “approved” when a project’s building permit is issued.</p> <p>For all projects subject to a stormwater treatment permit, this report will include any project that has been issued a stormwater permit within the reporting year even though a building permit may not yet have been issued. Source control approval occurs after issuance of a treatment permit and before issuance of a building permit. These projects will be consider “approved” and reported again once the have been issued a building permit.</p>										
Private Projects										
Wente Vineyards	Tesla Rd., e. of Mines Rd.; 5565 Tesla Rd., Livermore	Wente	N/A	Redevelopment (< 50%) of Existing Public Access Area (Landscaping, Parking, Bathrooms, etc.)	Drains to Groundwater; Alameda Creek Watershed.	28	3	>10,000	22 acres	21 acres
Sutter Health Phase 2	Lake Chabot Rd, n. of Congress Wy.; 20103 Lake Chabot Rd., Castro Valley	Sutter Health	2	Redevelopment (>50%) of Hospital Site.	Chabot Creek; San Lorenzo Creek	19.5 (total project)	18 (total project)	646,000, incl. treated landscaping. (total project)	424,000 (total project)	750,000, incl. treated landscaping. (total project)
Sutter Health Phase 4	Lake Chabot Rd, n. of Congress Wy.; 20103 Lake Chabot Rd., Castro Valley	Sutter Health	4	Redevelopment (>50%) of Hospital Site.	Chabot Creek; San Lorenzo Creek	19.5 (total project)	18 (total project)	646,000, incl. treated landscaping. (total project)	424,000 (total project)	750,000, incl. treated landscaping. (total project)
Neighborhood Church Phase 1 of multi-phased project on church	John Dr. at Foothill Blvd.; 20600 John Dr., Castro Valley	Neighborhood Church	1	Redevelopment (<50%) of Existing Church Site into new Building and Walkways.	San Lorenzo Creek	15	.4	15,000	15,000	15,000

³ Include cross streets.

⁴ If a project is being constructed in phases, use a separate row entry for each phase.

⁵ Project Type is the type of development (i.e., new and/or redevelopment). Example descriptions of development are: 5-story office building, residential with 160 single-family homes with five 4-story buildings to contain 200 condominiums, 100 unit 2-story shopping mall, mixed use retail and residential development (apartments), industrial warehouse.

⁶ State the watershed(s) that the Regulated Project drains to. Optional but recommended: Also state the downstream watershed(s).

⁷ State both the total new impervious surface area and the total replaced impervious surface area, as applicable.

⁸ For redevelopment projects, state the pre-project impervious surface area.

⁹ For redevelopment projects, state the post-project impervious surface area.

C.3.b.v.(1) ► Regulated Projects Reporting Table (part 1) – Projects Approved During the Fiscal Year Reporting Period [[== NOTE: Report only projects APPROVED in FY 2009/10 ==]]

Project Name Project No.	Project Location ³ , Street Address	Name of Developer	Project Phase No. ⁴	Project Type & Description ⁵	Project Watershed ⁶	Total Site Area (Acres)	Total Area of Land Disturbed (Acres)	Total New and/or Replaced Impervious Surface Area ⁷ (ft ²)	Total Pre- Project Impervious Surface Area ⁸ (ft ²)	Total Post- Project Impervious Surface Area ⁹ (ft ²)
property. Later phases yet to be approved will include landscaping and parking lot on property and be included in future reporting.										
Public Projects										
Holland Park	E.14 th St. at 163 rd Av., 16301 E.14 th St., San Leandro	Hayward Area Recreation District	N/A	Redevelopment (>50%) of Existing Industrial Site into Public Park.	Flood Control District (Estudillo Canal)	1.6	1.6	40,626	46,762	40,626

C.3.b.v.(1) ► Regulated Projects Reporting Table (part 2) – Projects Approved During the Fiscal Year Reporting Period [[== NOTE: Report only projects APPROVED in FY 2009/10 ==]]

Project Name Project No.	Status of Project ¹⁰	Source Control Measures ¹¹	Site Design Measures ¹²	Treatment Systems Approved ¹³	Operation & Maintenance Responsibility Mechanism ¹⁴	Hydraulic Sizing Criteria ¹⁵	Alternative Compliance Measures ^{16/17}	Alternative Certification ¹⁸	HM Controls ^{19/20}	Reporting Party/Agency/Dept.
Private Projects										

¹⁰ For private projects, state project application submittal date; application deemed complete date; and, final discretionary approval date. For public projects, state plans and specifications approval date.

¹¹ List source control measures approved for the project. Examples include: properly designed trash storage areas; storm drain stenciling or signage; efficient landscape irrigation systems; etc.

¹² List site design measures approved for the project. Examples include: minimize impervious surfaces; conserve natural areas, including existing trees or other vegetation, and soils; construct sidewalks, walkways, and/or patios with permeable surfaces, etc.

¹³ List all approved stormwater treatment system(s) to be installed onsite or at a joint stormwater treatment facility (e.g., flow through planter, bioretention facility, infiltration basin, etc.).

¹⁴ List the legal mechanism(s) (e.g., O&M agreement with private landowner; O&M agreement with homeowners' association; O&M by public entity, etc...) that have been or will be used to assign responsibility for the maintenance of the post-construction stormwater treatment systems.

¹⁵ See Provision C.3.d. "Numeric Sizing Criteria for Stormwater Treatment Systems" for list of hydraulic sizing design criteria (i.e., 1.a., 1.b., 2.a., 2.b., 2.c., or 3)

¹⁶ For Alternative Compliance at an offsite location in accordance with Provision C.3.e.i.(1), on a separate page, give a discussion of the alternative compliance site including the information specified in Provision C.3.b.v.(1)(m)(i) for the offsite project.

¹⁷ For Alternative Compliance by paying in-lieu fees in accordance with Provision C.3.e.i.(2), on a separate page, provide the information specified in Provision C.3.b.v.(1)(m)(ii) for the Regional Project.

¹⁸ Note whether a third party was used to certify the project design complies with Provision C.3.d.

¹⁹ If HM control is not required, state why not.

²⁰ If HM control is required, state control method used (e.g., method to design and size device(s) or method(s) used to meet the HM Standard, and description of device(s) or method(s) used, such as detention basin(s), bioretention unit(s), regional detention basin, or in-stream control).

C.3.b.v.(1) ► Regulated Projects Reporting Table (part 2) – Projects Approved During the Fiscal Year Reporting Period

[[== NOTE: Report only projects APPROVED in FY 2009/10 ==]]

Project Name Project No.	Status of Project ¹⁰	Source Control Measures ¹¹	Site Design Measures ¹²	Treatment Systems Approved ¹³	Operation & Maintenance Responsibility Mechanism ¹⁴	Hydraulic Sizing Criteria ¹⁵	Alternative Compliance Measures ^{16/17}	Alternative Certification ¹⁸	HM Controls ^{19/20}	Reporting Party/Agency/Dept.
Wente Vineyards	Building Permit Issued 9/09.	Sustainable Landscaping; Efficient Irrigation.	Minimize Impervious; Roofs Drain to Veg.; Sidewalks Drain to Veg.; Drive-way, Parking Drain to Veg.	Harvest & Re-use.	None.	Collection System Sized per Flood Control Criteria.	N/A	N/A	N/A; no off-site runoff.	PWA
Sutter Phase 2	Treatment Permit Issued 7/09.	Will report at later phase in project.	Minimize Impervious.	Bio-retention Area (BRA#8).	Agreement w/single owner (total project).	3 (4%)	N/A	N/A	No increase in runoff from site (total project).	PWA
Sutter Phase 4	Treatment Permit Issd:5/10.	Will report at later phase in project.	Minimize Impervious.	Bio-retention Area (BRA#10).	Agreement w/single owner (total project).	3 (4%)	N/A	N/A	No increase in runoff from site (total project).	PWA

Maintained by HARD.	Swales Sized per 2.c; Buffer Strip Sized per ACCWP C.3 Technical Guide, Section 6.2 .	N/A	N/A	N/A; not in Area of Susceptibility.	PWA

C.3.b.v.(1) ► Regulated Projects Reporting Table (part 2) – Projects Approved During the Fiscal Year Reporting Period

[[== NOTE: Report only projects APPROVED in FY 2009/10 ==]]

Project Name Project No.	Status of Project ¹⁰	Source Control Measures ¹¹	Site Design Measures ¹²	Treatment Systems Approved ¹³	Operation & Maintenance Responsibility Mechanism ¹⁴	Hydraulic Sizing Criteria ¹⁵	Alternative Compliance Measures ^{16/17}	Alternative Certification ¹⁸	HM Controls ^{19/20}	Reporting Party/Agency/Dept.
		Enclosures; Storm Drain Marking.								

C.3.h.iv. ► Installed Stormwater Treatment Systems Operation and Maintenance Verification Inspection Program Reporting

Fill in table **below** or attach your own table including the same information. [[== Obtain information from the stormwater treatment BMP O&M inspection forms completed during O&M inspections ==]]

Facility/Site Inspected and Location	Party Responsible ²¹ For Maintenance	Date of Inspection	Type of Inspection ²²	Type of Treatment/HM Control(s) Inspected ²³	Inspection Findings or Results ²⁴	Enforcement Action Taken ²⁵	Comments	PWA Reporting Department
1620 Strobridge	Owner	10/6/09	Field	Filterra tree filters	One filter clogged	n/a	Filter needs cleaning	Construction
Forest Circle	Owner	10/5/09	Field	Vegetated swales, media filtration system	In place and functioning	n/a	No action needed	Construction
19035 Standish	Owner	10/6/09	Field	Vegetated swales	In place and functioning	n/a	No action needed	Construction

²¹ State the responsible operator for installed stormwater treatment systems and HM controls.

²² State the type of inspection (e.g., annual, follow-up, spot, etc.).

²³ State the type(s) of treatment systems inspected (e.g., bioretention facility, flow-through planter, infiltration basin, etc...) and the type(s) of HM controls inspected, and indicate whether the treatment system is an onsite, joint, or offsite system.

²⁴ State the inspection findings or results (e.g., proper installation, improper installation, proper O&M, immediate maintenance needed, etc.).

²⁵ State the enforcement action(s) taken, if any, as appropriate and consistent with your municipality's Enforcement Response Plan.

Section 4 – Provision C.4 Industrial and Commercial Site Controls

C.4.a.ii ► Legal Authority

(For FY 09-10 Annual Report only) Do you have adequate legal authority to obtain effective stormwater pollutant control on industrial sites?	<input checked="" type="checkbox"/>	Yes	<input type="checkbox"/>	No
If No , explain:				

C.4.c.ii.(5) ► Enforcement Response Plan

(For FY 09-10 Annual Report only) Have you developed and implemented an Enforcement Response Plan by April 1, 2010?	<input checked="" type="checkbox"/>	Yes	<input type="checkbox"/>	No
If No , explain:				

Program Highlights

Provide background information, highlights, trends, etc. For FY 09-10 Annual Report describe steps taken to revise your program to meet new data tracking and reporting requirements.
Participated with the other Alameda countywide municipalities to develop an approach to addressing requirements of the new MRP during bimonthly IIDC subcommittee meetings. One result of this collective effort was our development of a new Inspection Plan following review of facility inventories to refine targeted industry categories and assign re-inspection priorities. The countywide program consultant, EOA, assisted the countywide CWP with these and associated tasks, as well as helping to clarify MRP requirements.

C.4.b.i. ► Business Inspection Plan

(For FY 09-10 Annual Report only) Do you have a Business Inspection Plan?	<input checked="" type="checkbox"/>	Yes	<input type="checkbox"/>	No
If No , explain:				

C.4.b.iii.(1) ► Potential Facilities List

List below or attach your list of industrial and commercial facilities in your Inspection Plan to inspect that could reasonably be considered to cause or contribute to pollution of stormwater runoff.

Please see Attachment A Table C.4.1.

C.4.b.iii.(2) ► Facilities Scheduled for Inspection

List below or attach your list of facilities scheduled for inspection during the current fiscal year.

Please see Attachment A Table C.4.2.

C.4.c.iii.(1) ► Facility Inspections

Fill out the following table or attach a summary of the following information.

	Number	Percent
Number of businesses inspected (if known)	129	
Total number of inspections conducted	218	
Violations issued (excluding verbal warnings)	6	
Sites inspected in violation	29	22
Violations ¹ resolved within 10 working days or otherwise deemed resolved in a longer but still timely manner	5	83

¹ Total number of violations equals the number of initial enforcement actions (i.e. one violation issued for several problems during an inspection at a site). It does not equal the total number of enforcement actions because one violation issued at a site may have a second enforcement action for the same violation at the next inspection if it is not corrected.

C.4.c.iii.(2) ► Frequency and Types/Categories of Violations Observed

Fill out the following table or attach a summary of the following information.

Type/Category of Violations Observed	Number of Violations
Actual discharge (e.g. non-stormwater discharge)	35
Potential discharge (e.g. BMPs not in place or ineffective)	105

Permittee Name: County of Alameda Unincorporated Area

C.4.c.iii.(2) ► Frequency and Type of Enforcement Conducted

Fill out the following table or attach a summary of the following information.

	Enforcement Action (as listed in ERP) ¹	Number of Enforcement Actions Taken	% of Enforcement Actions Taken²
Level 1	NOV (Warning Notice)	5	45
Level 2	Administrative Action	0	
Level 3	Admin. Action w/ Penalty and/or Cost Recovery	6	55
Level 4	Legal Action	0	
Total			

Notes:

¹Agencies to list specific enforcement actions as defined in their ERPs.

²Percentage calculated as number of each type of enforcement action divided by the total number of enforcement actions.

C.4.c.iii.(3) ► Types of Violations Noted by Business Category

Fill out the following table or attach a summary of the following information.

Business Category¹	Actual Discharge Violations	Potential Discharge Violations
Food Facility (Restaurant, Retail Food Svc.)	13	42
Auto Facility (Fueling, Repair/Svc., Misc.)	9	21
NOI	3	9
Municipal	2	6
Waste Related	2	1
Parking Lot	2	10
Retail/Wholesale	1	4
Miscellaneous	1	5
Construction/Contractor	1	2
Dry Cleaner	---	2
Transportation/Corp. Yards	---	1

Permittee Name: County of Alameda Unincorporated Area

C.4.c.iii.(4) ► Non-Filers

List below or attach a list of the facilities required to have coverage under the Industrial General Permit **:

C.4.d.iii ► Staff Training Summary

Training Name	Training Dates	Topics Covered	No. of Inspectors in Attendance	Percent of Inspectors in Attendance
Clean Water Program Inspector Training for Businesses and Illicit Discharges	October 15, 2009	Urban runoff pollution prevention, Inspection procedures, and Illicit Discharge Detection, Elimination and follow-up.	1	100
Inspecting Industrial/Commercial Facilities for Pollutants of Concern	June 10, 2010	New MRP inspection requirements for copper, mercury and PCBs, Identify facility sources for POC, Regulatory background, Inspection documentation	1	100

Section 5 – Provision C.5 Illicit Discharge Detection and Elimination

C.5.a.ii ► Legal Authority

(For FY 09-10 Annual Report only) Do you have adequate legal authority to prohibit and control illicit discharges and escalate stricter enforcement to achieve expedient compliance? Yes No

If **No**, explain:

C.5.b.ii.(4) ► Enforcement Response Plan

(For FY 09-10 Annual Report only) Have you developed and implemented an Enforcement Response Plan by April 1, 2010? Yes No

If **No**, explain:

Program Highlights

Provide background information, highlights, trends, etc. For FY 09-10 Annual Report describe steps taken to revise your program to meet new data tracking and reporting requirements.

Complaints/Spill/Discharge incidents are tracked by Maintenance and Operations Department Work Order software "Mainstar". Service requests to Construction Inspection Division for inspection and follow-up are tracked by ACCESS database. Summary report is generated by sampling Mainstar database using activity code unique to spill.

C.5.c.iii ► Complaint and Spill Response Phone Number and Spill Contact List

List below or attach your complaint and spill response phone number and spill contact list.

Contact	Description	Phone Number
Public Works Agency	Maintenance and Operations Main Number	510-670-5500

C.5.d.iii ► Evaluation of Mobile Business Program

Describe implementation of minimum standards and BMPs for mobile businesses and your enforcement strategy. This may include participation in the BASMAA Mobile Surface Cleaners regional program or local activities.

Description: See Clean Water Program FY 2009/10 Report. See BASMAA FY 2009/10 report on mobile surface cleaners program.

C.5.e.iii ► Evaluation of Collection System Screening Program

Provide a summary or attach a summary of your collection screening program, a summary of problems found during collection system screening and any changes to the screening program this FY.

Description:
 Under previous permit's illicit discharge screening program, staff conducted surveys in conjunction with drop inlet cleaning. Under new MRP, staff re-evaluated screening points and is identifying Unincorporated Area's approximately 20 high priority screening points. The first round of surveys for the new screening points will occur in the first quarter of 10-11.

C.5.f.iii.(1), (2), (3) ► Spill and Discharge Complaint Tracking

Spill and Discharge Complaint Tracking (fill out the following table or include an attachment of the following information)

See attached summary table.	Number	Percentage
Discharges reported (C.5.f.iii.(1))	9	
Discharges reaching storm drains and/or receiving waters (C.5.f.iii.(2))	0	
Discharges resolved in a timely manner (C.5.f.iii.(3))	9	

C.5.f.iii.(4) ► Summary of major types of discharges and complaints

Provide a narrative or attach a table and/or graph.

Please See Attachment B Table C.5.1.

Section 6 – Provision C.6 Construction Site Controls

C.6.a.iii ▶ Legal Authority			
<i>(For FY 09-10 Annual Report only)</i> Is your agency's legal authority adequate for C.6 compliance?			<input checked="" type="checkbox"/> X
			<input type="checkbox"/> Yes
			<input type="checkbox"/> No
If No , explain:			

C.6.b.ii.(3) ▶ Enforcement Response Plan			
<i>(For FY 09-10 Annual Report only)</i> Was your Enforcement Response Plan developed and implemented by April 1, 2010?			<input checked="" type="checkbox"/> X
			<input type="checkbox"/> Yes
			<input type="checkbox"/> No
If No , explain:			

C.6.e.iii.1.a, b, c ▶ Site/Inspection Totals			[[= Totals are calculated at the bottom of the Construction Site Inspections Tracking Spreadsheet =]]
Number of sites disturbing < 1 acre of soil requiring storm water runoff quality inspection (i.e. High Priority) (C.6.e.iii.1.a)	Number of sites disturbing ≥ 1 acre of soil (C.6.e.iii.1.b)	Total number of storm water runoff quality inspections conducted (C.6.e.iii.1.c)	
3	2	5	

C.6.e.iii.1.d ▶ Construction Activities Storm Water Violations		
[[= Totals and percentages are calculated at the bottom of the Construction Site Inspections Tracking Spreadsheet =]]		
BMP Category	Number of Violations¹	% of Total Violations²
Erosion Control	0	
Run-on and Run-off Control	0	
Sediment Control	0	
Active Treatment Systems	0	
Good Site Management	0	
Non Stormwater Management	0	
Total	0	100%

Notes:

¹Count one violation in a category for each site and inspection regardless of how many violations/problems occurred in the BMP category.

²Percentage calculated as number of violations in each category divided by total number of violations in all six categories.

C.6.e.iii.1.e ▶ Construction related storm water enforcement actions			
[[= Totals and percentages are calculated at the bottom of the Construction Site Inspections Tracking Spreadsheet =]]			
	Enforcement Action (as listed in ERP)¹	Number Enforcement Actions Taken	% Enforcement Actions Taken²
Level 1		0	
Level 2		0	
Level 3		0	
Level 4		0	
Total		0	100%

Notes:

¹Agencies should list the specific enforcement actions as defined in their ERPs.

²Percentage calculated as number of each type of enforcement action divided by the total number of enforcement actions.

C.6.e.iii.1.f, g ► Illicit Discharges	
[[= Total number of illicit discharges is calculated at bottom of the Construction Site Inspections Tracking Spreadsheet. A manual count is needed to identify the number of SITES with illicit discharges.==]]	
	Number
Number of illicit discharges, actual and those inferred through evidence (C.6.e.iii.1.f)	0
Number of sites with discharges, actual and those inferred through evidence (C.6.e.iii.1.g)	0

C.6.e.iii.1.h, i ► Violation Correction Times		
[[= The totals are calculated at bottom of the Construction Site Inspections Tracking Spreadsheet.==]]		
	Number	Percent
Violations fully corrected within 10 business days after violations are discovered or otherwise considered corrected in a timely period (C.6.e.iii.1.h)	0	% ²
Violations not fully corrected within 30 days after violations are discovered (C.6.e.iii.1.i)	0	% ³
Total number of violations for the reporting year¹	0	100%

Notes:

¹Total number of violations equals the number of initial enforcement actions (i.e. one violation issued for several problems during an inspection at a site). It does not equal the total number of enforcement actions because one violation issued at a site may have a second enforcement action for the same violation at the next inspection if it is not corrected.

²Calculated as number of violations fully corrected in a timely period after the violations are discovered divided by the total number of violations for the reporting year.

³Calculated as number of violations not fully corrected within 30 days after the violations are discovered divided by the total number of violations for the reporting year.

C.6.e.iii.(2) ► Evaluation of Inspection Data
Describe your evaluation of the tracking data and data summaries and provide information on the evaluation results (e.g., data trends, typical BMP performance issues, comparisons to previous years, etc.).
Description: Inspection Checklist was used for five (5) projects starting in March 2010.

C.6.e.iii.(2) ► Evaluation of Inspection Program Effectiveness

Describe what appear to be your program's strengths and weaknesses, and identify needed improvements, including education and outreach.
 Description: Combined facility inspection and construction inspection duties so that all inspectors are fully trained in both areas. This allows for more inspectors available during busy times.

C.6.f ► Staff Training Summary

Training Name	Training Dates	Topics Covered	No. of Inspectors in Attendance	Percent of Inspectors in Attendance
Clean Water Program Training the Trainers Session on MRP Construction Site Inspection Requirements	March 9, 2010	Permit requirements, ERP requirements, tools for construction site inspections and tracking	13	

Section 7 – Provision C.7. Public Information and Outreach

C.7.b.ii.1 ▶ Advertising Campaign

Summarize advertising efforts. Include details such as messages, creative developed, and outreach media used. The detailed advertising report may be included as an attachment. If advertising is being done by participation in a countywide or regional program, refer to the separate countywide or regional Annual Report.

Summary: See BASMAA FY 2009/10 report on the BASMAA Regional Advertising Campaign.

C.7.b.iii.1 ▶ Pre-Campaign Survey

(For the FY 10-11 Annual Report only) Summarize survey information such as sample size, type of survey (telephone survey, interviews etc.). Attach a survey report that includes the following information. If survey was done regionally, refer to a regional submittal that contains the following information:

- Summary of how the survey was implemented.
- Analysis of the survey results.
- Discussion of the outreach strategies based on the survey results.
- Discussion of planned or future advertising campaigns to influence awareness and behavior changes regarding trash/litter and pesticides.

Place an **X** in the appropriate box below:

NA	Survey report attached
NA	Reference to regional submittal:

C.7.c ▶ Media Relations

Summarize the media relations effort. Include the following details for each media pitch in the space below, AND/OR refer to a regional report that includes these details:

- Topic and content of pitch
- Medium (TV, radio, print, online)
- Date of publication/broadcast

Summary:
 -See BASMAA FY 2009/10 report on the Regional Media Relations effort.

FY 2009-2010 Annual Report

C.8 Water Quality Monitoring

Permittee Name: County of Alameda Unincorporated Area

C.7.d ► Stormwater Point of Contact

(For FY 09-10 Annual Report only, unless changes made) Provide details of website or phone number used as the point of contact. Report on how the point of contact is publicized and maintained. If any change occurs in this contact, report in a subsequent Annual Report.

Contact Summary:

- See BASMAA FY 2009/10 report on the Regional point of contact.
- See Clean Water Program FY 2009/10 Report for details on countywide point of contact.
- The AC Unincorporated Area's main phone number is 510-670-5543.

C.7.e ► Public Outreach Events

Describe general approach to event selection. Provide a list of outreach materials and giveaways distributed.

Use the following table for reporting and evaluating public outreach events

Event Details	Description (messages, audience)	Evaluation of Effectiveness
Provide event name, date, and location. Indicate if event is local, countywide or regional.	Identify type of event (e.g., school fair, farmers market etc.), type of audience (school children, gardeners, homeowners etc.) and outreach messages (e.g., Enviro-scape presentation, pesticides, stormwater awareness)	Provide general staff feedback on the event (e.g., success at reaching a broad spectrum of the community, well attended, good opportunity to talk to gardeners etc.). Provide other details such as: <ul style="list-style-type: none"> • Estimated overall attendance at the event. • Number of people that visited the booth, comparison with previous years • Number of brochures and giveaways distributed • Results of any spot surveys conducted
Clean Water Program exhibit at the Alameda County Fair (countywide event).	See Clean Water Program FY 2009/10 Report.	See Clean Water Program FY 2009/10 Report.
9/12-09/13; Castro Valley Fall Festival	Street Fair, General Public; General stormwater and watershed message. Materials focused on general stormwater, IPM, home and yard care, and auto care.	This is a busy 2-day event with over 50,000 in attendance. Hundreds of brochures were passed out, Back Yard Bugs, Keeping it in Tune; Control It, 10 Most Wanted Bugs, and Activity Books for Kids.

FY 2009-2010 Annual Report

C.8 Water Quality Monitoring

Permittee Name: County of Alameda Unincorporated Area

June – December 2009; Business Outreach Bureau (12 events)	Outreach Events focused on Small, Local, Women/Minority Owned and Disadvantaged Businesses. Materials focus on BMP and general stormwater awareness.	Public Works Agency conducted business outreach activities for twelve (12) capital construction projects. Attendance ranged from 30-50+ participants for each event.
4/22/10; Take Your Daughter to Work Day	Workplace education for school aged girls. Materials focused on general stormwater and watershed message.	This is a full day event with approximately 30 children. We distributed Activity Books and Kids Guides to Backyard Bugs to everyone, and demonstrated how the stormdrain system works by using our diorama.
6/27; 2009 Alameda County Fair; Alameda County Fair Grounds in Pleasanton. Exhibit staffed by Unincorporated Area representative.	County Fair, General Public; General stormwater and watershed message. Materials focused on general stormwater, IPM, home and yard care, and auto care.	Busy day. Several hundred people stopped at booth.
5/21/10; Palomares Watershed Expo; Palomares School and Creek, Castro Valley. -Major event	Coordinated, organized and hosted full day of hands-on learning about natural resource science and watersheds, 3 rd -5 th grade students, teachers, and chaperones. 26 agencies/environmental organizations exhibited, This is a large event and part of the Palomares School Watershed Education Program, sponsored by the Unincorporated Area Clean Water Program (please see Attachment C Exhibit C.7.1)	9 schools from Castro Valley and San Lorenzo; 970 students, 45 teachers and 220 chaperones

C.7.f. ► Watershed Stewardship Collaborative Efforts

Summarize watershed stewardship collaborative efforts and/or refer to a regional report that provides details. Describe the level of effort and support given (e.g., funding only, active participation etc.). State efforts undertaken and the results of these efforts. If this activity is done regionally refer to a regional report.

Evaluate effectiveness by describing the following:

- Efforts undertaken
- Major accomplishments

Summary:

-See Clean Water Program FY 2009/10 Report.

-Throughout 09/10, held and provided staff support for meeting of the San Lorenzo Creek Watershed Task Force held on the first Thursday of each month. Group is examining County creek policy and practices and making recommendations to the County Board of Supervisors for

FY 2009-2010 Annual Report

C.8 Water Quality Monitoring

Permittee Name: County of Alameda Unincorporated Area

improvement.
 -Throughout the year participated in the Alameda County Watershed Forum and in Forums planning workgroup.
 - Completed the Comprehensive Community Assessment tasks conducted on the San Lorenzo Creek Watershed for the Unincorporated Area CWP. This Assessment is an initial phase designed to identify existing watershed efforts and determine if a new community-based watershed organization is the appropriate mechanism fulfill the community watershed needs identified in this assessment. Subsequent phases will build off this initial phase and will determine the viability of forming a comprehensive watershed stewardship program. (please see Attachment C Exhibit C.7.2.)

C.7.g. ► Citizen Involvement Events

List the types of events conducted (e.g., creek clean up, storm drain inlet marking, native gardening etc.). Use the following table for reporting and evaluating citizen involvement events.

Event Details	Description	Evaluation of effectiveness
Provide event name, date, and location. Indicate if event is local, countywide or regional	Describe activity (e.g., creek clean-up, storm drain marking etc.)	Provide general staff feedback on the event. Provide other evaluation details such as: <ul style="list-style-type: none"> • Number of participants. Any change in participation from previous years. • Distance of creek or water body cleaned • Quantity of trash/recyclables collected (weight or volume). • Number of inlets marked. • Data trends
Community Stewardship Grants	See Clean Water Program FY 2009/10 Report.	See Clean Water Program FY 2009/10 Report.
9/19/09; <u>7th Annual Unincorporated Area Fall Clean Up and Beautification</u>	Neighborhood Creek Clean-up	50+ attendees and miles of gutters and stormdrains cleaned.
4/24/10; <u>Earth Day: Castro Valley Clean Up (BART site)</u>	Neighborhood Creek Clean-up	Approximately 20 attendees picked up litter at the Castro Valley BART Station, parking lot, and surrounding area. Afterward volunteers were served snacks and information was passed out with a general watershed message.
4/24/10; <u>Earth Day: Castro Valley Clean Up (Library site)</u>	Neighborhood Creek Clean-up	20-25 attendees cleaned up litter and debris at the Castro Valley Creek at the library and surrounding area. Afterward volunteers were

FY 2009-2010 Annual Report

C.8 Water Quality Monitoring

Permittee Name: County of Alameda Unincorporated Area

		served snacks and information was passed out with a general watershed message.
Palomares Creek at Palomares School- Castro Valley; Creek and trail maintenance days -12/7/09 -5/8/10 -6/15/10.	Parent volunteers and community members work at the school for several hours on each workday to clear debris from the trail, remove invasive plants and poison oak,	The December event included all of the students at the school, the May and June events had 10-20 parents, teachers, students and community members in attendance. Approx. 500-700 linear feet of creek area/ trail improved.

C.7.h. ► School-Age Children Outreach

Summarize school-age children outreach programs implemented. A detailed report may be included as an attachment. Use the following table for reporting school-age children outreach efforts.

Program Details	Focus & Short Description	Number of Students/Teachers reached	Evaluation of Effectiveness
Provide the following information: Name Grade or level (elementary/ middle/ high)	Brief description, messages, methods of outreach used	Provide number or participants	Provide agency staff feedback. Report any other evaluation methods used (quiz, teacher feedback etc.). Attach evaluation summary if applicable.
Educational Services	See Clean Water Program FY 2009/10 Report.		
Palomares School- Castro Valley Watershed lessons (September 2009 through June 2010) Students K-5 th grades.	116 creek and watershed-based lessons taught at Palomares Creek at school campus to Palomares School students K-5 th grades. Covers water quality studies, creek ecology, soil/geology, landforms in relation to creek and watershed; math, science	2320 students (20 students per class average x 116 lessons); 7 teachers	Lessons for Palomares students primarily take place on campus at outdoor classroom at the creek. Curriculum is tied to state standards for each grade level and is science based.
Palomares School- Castro Valley Junior Naturalists and Tour Guides Program (March -June 2010) Students 3-5 th grades, Open to Palomares School and other schools in watershed.	After-school program conducted at Palomares Creek on school campus to Palomares School students 3-5 th grades. Hands-on activities covers water quality studies, creek ecology, conservation activities and stewardship. Tour Guides lead tours at annual Watershed Expo.	51 students participated, 2 teachers, with 3-5 parent volunteers assisting.	

Section 8 - Provision C.8 Water Quality Monitoring

C.8 ► Water Quality Monitoring

State below if information is reported in a separate regional report. Municipalities can also describe below any Water Quality Monitoring activities in which they participate directly, e.g. participation in RMP workgroups, fieldwork within their jurisdictions, etc.

Summary: See BASMAA MRP Regional Supplement for POCs and Monitoring Annual Reporting for FY 2009/2010.

Section 9 – Provision C.9 Pesticides Toxicity Controls

C.9.a ▶ Adopt an Integrated Pest Management (IPM) Policy or Ordinance

<i>(For FY 09-10 Annual Report only)</i> Attach a copy of your individual IPM ordinance or policy.	x	Attached		Not attached , explain below
Please See Attachment D-C.9.1.				

C.9.b ▶ Implement IPM Policy or Ordinance

Report implementation of IPM BMPs by showing trends in quantities and types of pesticides used, and suggest reasons for increases in use of pesticides that threaten water quality, specifically organophosphorous pesticides, pyrethroids, carbaryl, and fipronil. A separate report can be attached as evidence of your implementation.
Summary: We do not use any of the above pesticides. Our basic weed control program at the present utilizes all caution material with the emphasis on the newer chemistries that are utilized in small amounts (Oz's) with more special mode of action that is unique to the plant types we are trying to control. These are applied after a survey of the areas and identification of weed types, whether they are invasive, the population and potential to disrupt our operations. The response varies from rural farmed and open area to urban interface.

C.9.c ▶ Train Municipal Employees

Enter the number of employees that applied or used pesticides (including herbicides) within the scope of their duties this reporting year.	6
Enter the number of these employees who received training on your IPM policy and IPM standard operating procedures within the last 3 years.	6
Enter the percentage of municipal employees who apply pesticides who have received training in the IPM policy and IPM standard operating procedures within the last three years.	100

FY 2009-2010 Annual Report

C.9 – Pesticides Toxicity Controls

Permittee Name: County of Alameda Unincorporated Area

C.9.d ▶ Require Contractors to Implement IPM

Did your municipality contract with any pesticide service provider in the reporting year?	x	Yes		No
---	---	------------	--	-----------

If yes, attach one of the following: Please see Attachment D-C.9.2.

<input type="checkbox"/>	Contract specifications that require adherence to your IPM policy and standard operating procedures, OR
--------------------------	---

<input type="checkbox"/>	Copy(ies) of the contractors' IPM certification(s) or equivalent, OR
--------------------------	--

<input type="checkbox"/>	Equivalent documentation.
--------------------------	---------------------------

If not attached, explain:

C.9.e ▶ Track and Participate in Relevant Regulatory Processes

Summarize participation efforts, information submitted, and how regulatory actions were affected **OR** reference a regional report that summarizes regional participation efforts, information submitted, and how regulatory actions were affected.

Summary:
See BASMAA MRP Regional Supplement for POCs and Monitoring Annual Reporting for FY 2009/2010.

C.9.f ▶ Interface with County Agricultural Commissioners

Provide a summary of improper pesticide usage reported to County Agricultural Commissioners and follow-up actions to correct violations, if any. A separate report can be attached as your summary.

Summary:
No occurrences

C.9.h.ii ▶ Public Outreach: Point of Purchase

Provide a summary of public outreach at point of purchase, and any measurable awareness and behavior changes resulting from outreach (here or in a separate report); **OR** reference a report of a regional effort for public outreach in which your agency participates.

Summary:
See description of Our Water Our World activities in the Clean Water Program FY 2009/10 Report. See BASMAA FY 2009/10 report on the Our Water Our World program.

C.9.h.vi ► Public Outreach: Pest Control Operators

Provide a summary of public outreach to pest control operators and landscapers and reduced pesticide use (here or in a separate report); **OR** reference a report of a regional effort for outreach to pest control operators and landscapers in which your agency participates.

Summary:

See Clean Water Program FY 2009/10 Report.

C.10.a.i ▶ Short-Term Trash Loading Reduction Plan

(For FY 10-11 Annual Report only) Provide description of actions/tasks initiated/conducted/completed in developing a Short-Term Trash Loading Reduction Plan (due February 1, 2012).

Description:

C.10.a.ii ▶ Baseline Trash Load and Trash Load Reduction Tracking Method

(For FY 10-11 Annual Report only) Provide description of actions/tasks initiated/conducted/completed to gather trash loading data and develop a Baseline Trash Load and Trash Load Reduction Tracking Method (due February 1, 2012).

Description:

C.10.a.iii ▶ Minimum Full Trash Capture

(For FY 10-11 Annual Report and Each Annual Report Thereafter) Provide a description of actions/tasks initiated/conducted/completed in implementing Minimum Full Trash Capture Devices (due July 1, 2014) within individual jurisdictions. Include information on Full Trash Capture Devices installed under Bay-area Wide Trash Capture Demonstration Project administered by San Francisco Estuary Partnership.

Description:

C.10.b.iii ▶ Trash Hot Spot Assessment

(For FY 10-11 Annual Report and Each Annual Report Thereafter) Provide volume of material removed from each Trash Hot Spot cleanup, and the dominant types of trash (e.g., glass, plastics, paper) removed and their sources to the extent possible. Provide required photo documentation.

Fill out the following table or attach a summary of the following information.

Trash Hot Spot	Cleanup Date	Volume of Material Removed	Dominant Type of Trash	Trash Sources (where possible)
Water body: Castro Valley Creek				

FY 2009-2010 Annual Report

C.10 – Trash Load Reduction

Permittee Name: County of Alameda Unincorporated Area

Site Location: 3625 Castro Valley Blvd. Castro Valley, Ca 94546 (KFC)				
Water body: San Lorenzo Creek Zone 2 B Line Site Location: Behind 22292 N. 3rd St. Hayward, Ca 94546 (Japanese Gardens)				
Waterbody: San Lorenzo Creek Zone 2 B Line Site Location: Behind Big Lots 20800 Mission Blvd. Hayward, Ca 94541 (Big Lots)				
Water body: Estudillo Canal Zone 2A Line Site Location: South East side of Bay Center 15555 East 14th St. #350 San Leandro, Ca 94578 (Bayfair)				

Permittee Name: County of Alameda Unincorporated Area

C.10.d ► Summary of Trash Load Reduction Actions

Provide summary of new trash load reduction actions or increased levels of implementation of existing actions that were implemented after adoption of the MRP (control measures and best management practices) including the types of actions and levels of implementation, and the total trash loads and dominant types of trash removed from each type of action.

Suggested trash load reduction actions to track and report may include:

- Anti-litter Campaigns
- Anti-litter/Dumping Enforcement Activities
- Curbside Recycling Programs
- Education and Outreach Efforts
- Free Trash Pickup/Dropoff Days
- County HHW Program Activities
- Improved Trash Bin Management
- Inspection/Maintenance of Storm Drain Outfalls
- Litter Pickup and Control
- Removal of Homeless Encampments
- Solid Waste Recycling Efforts
- Source Controls/Bans/Prohibitions
- Storm Drain Operation and Maintenance
- Storm Drain Signage/Marking
- Street Sweeping Activities
- Trash Removal from Receptacles
- Volunteer Creek Cleanups

Type of Trash Load Reduction Action	Date of First Implementation	Level of Implementation (specify if level was increased after MRP adoption)	Total Trash Load Removed by Action	Dominant Types of Trash Removed by Action
Media pitch focused on plastic bags implemented regionally (See BASMAA FY 2009/10 report on the Regional Media Relations effort.)				
See C.7.g. Citizen Involvement Events				
Storm Drain Signage	Through FY09/10	~1000 Storm drain plaque applied above drop inlet.		

Section 11 - Provision C.11 Mercury Controls

C.11.a.i ► Mercury Recycling Efforts

List below or attach lists of efforts to promote, facilitate, and/or participate in collection and recycling of mercury containing devices and equipment at the consumer level (e.g., thermometers, thermostats, switches, bulbs).

The County of Alameda, in conjunction with the cities within the County, operates three HHW facilities. Recycled 34,458 pounds of mercury containing fluorescent tube and compact lamps during FY 2008/2009. The total for 2009/2010 will not be available until late September. The County organizes an internal battery recycling program

C.11.a.ii ► Mercury Collection

Provide an estimate of the mass of mercury collected through these efforts, or provide a reference to a report containing this estimate.

Amount collected:

The methodologies for estimating the mass of mercury collected through mercury collection and recycling efforts are currently in development and are due to the Water Board by September 15, 2010 (see POC and Monitoring Regional Supplement). Therefore, estimates could not be made for FY 9-10. Estimates of the mass of mercury collected through recycling effort during 09-10 will be provided with the BASMAA Regional POC FY 10-11 Annual Report.

- C.11.b ▶ Monitor Methylmercury**
- C.11.c ▶ Pilot Projects to Investigate and Abate Mercury Sources in Drainages**
- C.11.d ▶ Pilot Projects to Evaluate and Enhance Municipal Sediment Removal and Management Practices**
- C.11.e ▶ Conduct Pilot Projects to Evaluate On-Site Stormwater Treatment via Retrofit**
- C.11.f ▶ Diversion of Dry Weather and First Flush Flows to POTWs**
- C.11.g ▶ Monitor Stormwater Mercury Pollutant Loads and Loads Reduced**
- C.11.h ▶ Fate and Transport Study of Mercury In Urban Runoff**
- C.11.i ▶ Development of a Risk Reduction Program Implemented Throughout the Region**
- C.11.j ▶ Develop Allocation Sharing Scheme with Caltrans**

State below if information is reported in a separate regional report. Municipalities that participate directly in regional activities to can provide descriptions below.

Summary:

See BASMAA MRP Regional Supplement for POCs and Monitoring Annual Reporting for FY 2009/2010.

Section 12 - Provision C.12 PCBs Controls

C.12.a.i.iii ► Municipal Inspectors Training

(For FY 09-10 Annual Report only) List below or attach description of results of training municipal industrial inspectors to identify, in the course of their existing inspections, PCBs or PCB-containing equipment.

Description:

See Clean Water Program FY 2009/10 Report.

The CWP inspector reviewed a BASMAA training document entitled, "Inspecting Industrial/Commercial Facilities for Pollutants of Concern" on 10 June 2010. This training document presented: 1) new MRP inspection requirements for copper, mercury and PCBs, 2) means to identify facility sources for POC, 3) regulatory background, and 4) suggested inspection documentation.

C.12.a.ii.iii ► Ongoing Training

(For FY 10-11 Annual Report and Each Annual Report Thereafter) List below or attach description of ongoing training development and inspections for PCB identification, including documentation and referral to appropriate regulatory agencies (e.g. county health departments, Department of Toxic Substances Control, California Department of Public Health, and the Water Board) as necessary.

Description:

- C.12.b ▶ Conduct Pilot Projects to Evaluate Managing PCB-Containing Materials and Wastes during Building Demolition and Renovation Activities**
- C.12.c ▶ Pilot Projects to Investigate and Abate On-land Locations with Elevated PCB Concentrations**
- C.12.d ▶ Conduct Pilot Projects to Evaluate and Enhance Municipal Sediment Removal and Management Practices**
- C.12.e ▶ Conduct Pilot Projects to Evaluate On-Site Stormwater Treatment via Retrofit**
- C.12.f ▶ Diversion of Dry Weather and First Flush Flows to POTWs**
- C.12.g ▶ Monitor Stormwater PCB Pollutant Loads and Loads Reduced**
- C.12.h ▶ Fate and Transport Study of PCBs In Urban Runoff**
- C.12.i ▶ Development of a Risk Reduction Program Implemented Throughout the Region**

State below if information is reported in a separate regional report. Municipalities that participate directly in regional activities to can provide descriptions below.

Summary:

See BASMAA MRP Regional Supplement for POCs and Monitoring Annual Reporting for FY 2009/2010.

Section 13 - Provision C.13 Copper Controls

C.13.a.i and iii ► Legal Authority: Architectural Copper

(For FY 10-11 Annual Report only) Do you have adequate legal authority to prohibit discharge of wastewater to storm drains generated from the installation, cleaning, treating, and washing of the surface of copper architectural features, including copper roofs to storm drains?

	Yes		No
--	-----	--	----

If **No**, explain and provide schedule for obtaining authority within 1 year:

C.13.b.i and iii ► Legal Authority: Pools, Spas, and Fountains

(For FY10-11 Annual Report only) Do you have adequate legal authority to prohibit discharges to storm drains from pools, spas, and fountains that contain copper-based chemicals?

	Yes		No
--	-----	--	----

If **No**, explain and provide schedule for obtaining authority within 1 year:

C.13.c ► Vehicle Brake Pads

See BASMAA MRP Regional Supplement for POCs and Monitoring Annual Reporting for FY 2009/2010.

C.13.d.iii ► Industrial Sources Copper Reduction Results

List below or attach annotated lists or tables from your Industrial and Commercial Site Controls portion of this report, that highlight copper reduction results among the facilities identified as potential users or sources of copper, facilities inspected, and BMPs addressed. For FY09-10 describe below or highlight in the C.4 Evaluation portion (if provided) of this report the steps taken to revise your program to meet new data tracking and reporting requirements for implementation levels described in C.13.d.ii.

We've included all copper generating facilities (e.g. auto repair, carwash) in our facility inspection list.

C.13.e ► Studies to Reduce Copper Pollutant Impact Uncertainties

Revised. Description reads "State below if information is reported in a separate regional report. Municipalities that participate directly in regional activities to can provide descriptions below."

Summary:

See BASMAA MRP Regional Supplement for POCs and Monitoring Annual Reporting for FY 2009/2010.

Section 14 - Provision C.14 PBDE, Legacy Pesticides and Selenium Controls

C.14.a ► Control Programs for PBDEs, Legacy Pesticides and Selenium Controls

Revised. Description reads "State below if information is reported in a separate regional report. Municipalities that participate directly in regional activities to can provide descriptions below."

Summary:

See BASMAA MRP Regional Supplement for POCs and Monitoring Annual Reporting for FY 2009/2010.

Section 15 - Provision C.15 Exempted and Conditionally Exempted Discharges

C.15.b.iii.(1), C.15.b.iii.(2) ► Planned and Unplanned Discharges of Potable Water

Is your agency a water purveyor?	<input type="checkbox"/>	Yes	<input checked="" type="checkbox"/>	No
If No , skip to C.15.b.vi.(2):				
If Yes , Complete the attached reporting tables or attach your own table with the same information. Describe program highlights below. For FY 09-10 only, describe steps taken to revise your program to meet new monitoring, data tracking and reporting requirements.				
Summary:				

C.15.b.vi.(2) ► Irrigation Water, Landscape Irrigation, and Lawn or Garden Watering

<p>Provide implementation summaries of the required BMPs to promote measures that minimize runoff and pollutant loading from excess irrigation. Generally the categories are:</p> <ul style="list-style-type: none"> • Promote conservation programs • Promote outreach for less toxic pest control and landscape management • Promote use of drought tolerant and native vegetation • Promote outreach messages to encourage appropriate watering/irrigation practices • Implement Illicit Discharge Enforcement Response Plan for ongoing, large volume landscape irrigation runoff.

Table C.5.1, Illicit Complaint/Spill/Discharge Tracking Spreadsheet

Complaint/Spill/Discharge Tracking Spreadsheet

MRP The MRP's Provision C.5.f requires the following: "All incidents or discharges reported to the complaint/spill system that might pose a threat to water quality shall be logged to track follow-up and response through problem resolution. The data collected shall be sufficient to demonstrate escalating responses for repeat problems, and inter/intra-agency coordination, where appropriate."

Purpose: The purpose of this spreadsheet is to provide an example "water quality spill and discharge complaint and follow up" tracking method for the ACCWP agencies to adapt for their use starting April 1, 2010.

Complaint Information																		Investigation Information														Follow Up Information

Attachment C:

C.7.1, ACRCDD Annual Report; San Lorenzo Creek Watershed

C.7.2, Community Assessment Final Report

ACRCD FY2010 Activities

Task 1 Youth Stewardship - Hands-On Conservation

The Hands-On Conservation Program provides opportunities for outdoor stewardship activities for young adults of middle school through college age to increase knowledge of natural resources and protection of watersheds through hands-on activities that include water quality improvement activities at local creeks, stewardship education and creekside habitat restoration. Activities include age appropriate elements of watershed education and career development.

William Cann Park Native Plant Trail – Union City

Organized 12 volunteer workdays during FY10 along Old Alameda Creek in William Cann Park in Union City. Volunteers learned how the creek and riparian habitat can be enhanced and protected. Students engaged in planting native trees, shrubs and perennials in the creek side area along an informal trail, placing mulch, pulling weeds and installing irrigation, and maintaining the trail. Other activities included pulling ivy off of the trunks of the large native trees that grow on the stream banks, and picking up trash in and along the creek. Students from Logan High School and other youth and community members participated in a concert with their freshman science teacher, and received credit for community service hours.

Some of the workdays with extra activities included:

- Make a Difference Day workday at the site (10/24/09) included close coordination with Union City parks for tool loan, publicity, and assistance, and coordination of our volunteers with theirs to help with plantings and trash pick-up. Conducted planning, publicity and communications with city staff. Coordinated with city to get more tools into shed, and irrigation water supplied at planting area. Included follow up to Eagle Scout service project – repaired trail and replanted plants.
- DriWater Demonstration- November 21 workday at Cann Park included installation of a group of native plants that featured a demonstration of the use of Driwater, an alternative to a built irrigation system. At the December 19th workday, the volunteers checked the Driwater, improved the trail and seeded wildflowers.
- Earth Day at William Cann Park with students and teacher from Logan High School freshman biology program. Approximately 30 students helped with plantings and trash cleanup on April 24th in honor of Earth Day.
- Consulted with tech staff from the DriWater Company to determine irrigation needs of plantings for summer and fall; placed order. Planned staff workday for July 8th to replenish DriWater in planted area and meet with city parks staff to discuss weeding needs.

Sunol AgPark-

-Students from Head-Royce School in Oakland spent two mornings planting native plants in March and April at the Sunol AgPark, a local, organic farm, and learned about stewardship practices associated with farm and watershed land along the Arroyo de la Laguna. Approximately 80 students and 20 adults and teachers installed native plants and spread mulch in the Streamside Hedgerow and Filter Strip, a creek setback area within the farm which functions to improve infiltration and filter sediment from farm runoff, and to support pollinators and other beneficial insects important to the organic farm. A visit to the creek was conducted in order to introduce the students to the ecologically valuable riparian corridor.

-Additional workdays for installation of riparian buffer/filter strip at AgPark in Sunol in July, August and November. Presentation on hedgerow to visitors at AgPark Field Day on May 21. Community members from the town of Sunol turned out to work with staff in a Saturday March 27 weeding and mulching workday in the native plant hedgerow.

Earth Day 2010 Creek Clean Up at Alameda Creek in Niles

Planned and conducted a 4/17/10 Earth Day creek clean up at Alameda Creek in Fremont- one of the Alameda Creek Watershed Council's adopted spots. Publicized to Logan High School students. Trained staff member in trash cleanup procedures and safety.

Other Activities

- Staffed a table with program display at 4/2/10 James Logan High School Community Service Fair in Union City.
- Planting demo with students at Logan High School on May 7th in prep for student-led Sustainability Club planting as part of campus wide cleanup day.
- Staffed HOC table at Moreau High School Eco Faire in Hayward on 4/22/10 and followed up with students who wanted to volunteer.
- Conducted May 8th watershed tour with Las Positas College Bound Scholars
- Workday photos posted on the Hands-On Conservation webpage (Cann Park and Sunol): <http://www.acrcd.org/news-events/photo-gallery.aspx>
- Ordered signs and planned locations for creek signs to be installed at workdays in Fall 2010 along Old Alameda creek at the park.

Task 2 Palomares School Watershed Education -

Through this program, hands-on, site- specific creek and watershed lessons are taught to Palomares students and to classes from schools in the San Lorenzo Creek watershed. Palomares Creek, which flows along the edge of the school campus, was restored by the Alameda County Flood Control District and other partners in 2000-2001. A creekside trail and outdoor classroom area was also developed at that time. A curriculum was developed for the program which meets state standards and is directed and taught by Sherry Johnson, a credentialed teacher and ACRCDD staff member. After school programs include Junior Naturalists and Palomares Creek Tour Guides. This program has been ongoing since 2001.

FY2010 Activities

- Conducted **116** creek and watershed-based lessons for Palomares School classes throughout the school year. Lessons are matched to K to 5th grade levels and are based on state standards. The curriculum continues to be developed in response to teacher and student needs. Supplies and equipment were purchased, including work gloves for students for restoration work, magnifying glasses and viewing scopes for study of aquatic organisms from the creek.
- Watershed EXPO
Coordinated, organized and hosted an all-day Watershed Science Expo at Palomares School that was held on 5/21/10. **9** schools from Castro Valley and San Lorenzo participated; **970** students, **45** teachers and **220** chaperones. 2 busses were provided to bring in students from two San Lorenzo schools that lack funds. Extensive coordination was undertaken with the Palomares Parent Club in organizing and supporting the event; **102** volunteers worked **565** hours. \$1560 in donated food was made available. **26** agencies/environmental organizations volunteered to be exhibitors during the day.
-staff conducted Watershed Protectors lessons at a station next to the creek for approximately 10 groups of students. Staff also led short informal tours of the creek for those groups which had time constraints. Traffic control assistance and parking arrangements are also made. Sherry followed up with the school principal and staff re evaluation of the 5/21/10 Watershed Science Expo and began planning for next year's event.
-Jr. Naturalists Program: In March 2010 the Junior Naturalists after school program began with **51** students participating. – **15** of the 3rd-5th grade students enrolled in the after- school program are trained as Creek Tour Guides and gave creek tours to many groups of students during the Expo. An additional teacher at the school assisted Sherry with this program.
3 Creek area and trail maintenance days-
- Organized a trail maintenance day in early May with school volunteers in preparation for the Expo.
- An invasive plant removal day was held in December at Palomares Creek with students from all grade levels at the school participating.
-A school-wide pre-summer cleanup of invasive plants and garden areas was done by all classes at the school on 6/15/10.
- Visiting schools
Staff coordinated with other teachers in the school districts within the San Lorenzo Creek watershed to encourage them to visit the campus and conduct creek studies with their students. **3** classes from Marshall School in Castro Valley attended.
Prep for FY11-
- Staff coordinated with teachers in planning a training workshop for fall 2010 for teachers who want to bring classes to the Palomares campus for creek studies.

Task 3 Bringing Back the Natives 2009 Garden Tour- Kathy Kramer Consulting

Tasks performed by Kathy for this subcontract includes work done in preparation for the May 2010 garden tour. The garden tour was held 5/2/10. October 2009 completed contract development with Kathy; invoiced and paid Kathy.

Task 4 Equine Facilities- Site Evaluation Workbook and Workshop

Continued development of Equine Facility Site Evaluation worksheets. Collaborated with Contra Costa County RCD in developing and presenting on 7/18/09 a six hour Horse Keeping for Healthy Watersheds workshop. Developed workshop materials, updated and provided local mailing list, helped publicize and participated in the workshop for Alameda and Contra Costa county equine facilities.

Task 5a. LeBeau Consulting subcontract for San Lorenzo Creek Watershed strategic planning

Q1 and Q2: Work has been completed by Michelle LeBeau for this task. The final San Lorenzo Creek Watershed Community Assessment report was completed September 2009. A contract amendment to extend the contract to 12/31/09 approved on 6/24/09.

Alameda County Watershed Forum- technical services

Contract with Michelle LeBeau Consulting (3/27/09-12/31/09; extended to 3/31/10) During fall and winter 2009 Michelle met with the Forum steering committee, developed the strategic plan, helped develop the fiscal sponsorship document and the coordinator contract template, developed a Forum website, conducted a training for the forum and other attendees, negotiated with the Rose Foundation for fiscal sponsorship for foundation grants, wrote funding proposals, completed coordinator hiring tasks, coordinated with Amy Evans at ACRCO for administrative purposes. The contract was extended to 3/31/10 to allow completion of tasks, primarily grantwriting, and training of new Forum coordinator.

Proposal for FY11- Task 5 Creek Care Guide Template

Developed and submitted a proposal for a new Task 5 for FY11 for developing an online "template" creek care guide for Alameda County and an update of the current San Lorenzo Creek Care Guide.

Task 6 Alameda Creek Watershed Coordination Tasks

Tasks included coordination, planning, education, outreach, and facilitation in order to improve Alameda Creek Watershed conditions, and participation with the Alameda County Watershed Forum and its steering committee.

- Planning and publicizing of four regular Alameda County Watershed Council meetings
- Helped organize, in coordination with ACWC workgroup and SFEI, the 1st ACWC Annual Conference held October 2009

-ACWC tours, events and activities as part of planning workgroup:

- Developed and lead 4/22/10 tour of Arroyo del Valle and Arroyo Mocho creeks in Livermore and Pleasanton with speakers informing the group of recently implemented and planned restoration areas to improve fisheries potential.

- Tour of two stops along Old Alameda Creek, and the Tule Ponds education center in Fremont as part of the January 2010 ACWC meeting.
- Collaborated with Friends of Arroyos and Springtown Preserve, Las Positas College teacher for site visit to Springtown Preserve July 23.

-Report to Council on status of stewardship projects- watershed signage, and planning for workdays at adopted spots.

-Held workdays at ACWC adopted spots along Alameda Creek in Fremont and Union City (see description under Task 1 stewardship for Hands-On Conservation youth participation).

-Continually updated ACWC webpage including uploading agendas and meeting summaries, Council workgroups information, and adopted spots information.

Webpage: www.acrcd.org/WatershedCouncil.aspx

- ACWC 2010 photo contest documents developed, posted on website, prepared materials for contest judging at ACWC annual conference

- As part of FY11 action plan, proposed developing text for an Alameda Creek Watershed Creek Care Guide that would be based on the Alameda County Creek Care Guide Template to be developed as Task 5.

- Planned series of summer workdays at ACWC adopted spots along Alameda Creek; planning with city of Fremont for September Coastal Cleanup Day event at the Niles staging area spot.

-Ordered watershed/creek signs and calendared installation events.

Alameda County watershed Forum-

-Participated on steering committee of Alameda County Watershed Forum, attended regular Forum steering committee meetings. Report on Alameda Creek Watershed Council activities at Forum meetings.

- Assisted with Alameda County Watershed Forum technical assistance work with Michelle LeBeau, and attended regular Forum and steering committee meetings at which the strategic plan for the Forum was developed. Worked on fiscal sponsorship contract and forum coordinator contract template with input from county counsel.

- Developed FY11 action plan, proposed new subtask of developing text for an Alameda Creek Watershed Creek Care Guide that would be based on the Alameda County Creek Care Guide Template to be developed as Task 5.

Alameda County Watershed Forum- technical services

Contract with Michelle LeBeau Consulting (3/27/09-12/31/09; extended to 3/31/10) During fall and winter 2009 Michelle met with the Forum steering committee, developed the strategic plan, helped develop the fiscal sponsorship document and the coordinator contract template, developed a Forum website, conducted a training for the forum and other attendees, negotiated with the Rose Foundation for fiscal sponsorship for foundation grants, wrote funding proposals, completed coordinator hiring tasks, coordinated with Amy Evans at ACRCd for administrative purposes. The contract was extended to 3/31/10 to allow completion of tasks, primarily grantwriting, and training of new Forum coordinator.

Task 7 Alameda County Watershed Forum (ACRCD subcontract)

The Alameda County Watershed Forum coordinator works to assist watershed groups in the county. Tasks include maintaining a website that provides a calendar and resources for creek groups, and providing training, field tours, information and resources to support watershed groups and watershed stewards in the County.

- Betsy Diaz, Forum Coordinator, began work in January 2010 as a subcontractor to ACRCD to lead the Forum and participate in the steering committee. She participated with the Forum Steering Committee in planning and publicizing a 3/2/10 tour of the restoration projects along Sausal Creek Watershed and the Friends of Sausal Creek Native Plant Nursery for approximately 15 participants. She conducted a tour on 6/8/10 of Oakland's Measure DD supported creek restoration and stormwater treatment improvements at Lake Merritt for approx. 20-25 Forum members, creek group representatives, agency staff and others.
- Betsy coordinates with steering committee members, watershed groups and agency partners to increase awareness of the county's watersheds and create enhanced opportunities for restoration.
- Betsy updated the annual workplan for FY11 for her position.
- Betsy also gathers information and updates the Forum's website- www.alamedacountywatersheds.org
- Betsy submitted monthly reports and invoices to ACRCD.

Alameda County Watershed Forum- technical services (Michelle LeBeau subcontract)

Contract with Michelle LeBeau Consulting (3/27/09-12/31/09; extended to 3/31/10) During fall and winter 2009 Michelle met with the Forum steering committee, developed the strategic plan, helped develop the fiscal sponsorship document and the coordinator contract template, developed a Forum website, conducted a training for the forum and other attendees, negotiated with the Rose Foundation for fiscal sponsorship for foundation grants, wrote funding proposals, completed coordinator hiring tasks, coordinated with Amy Evans at ACRCD for administrative purposes. Most work has been completed; however contract was extended to 3/31/10 to allow completion of tasks, primarily grantwriting, and training of new Forum coordinator

Task 8 Watershed Adventures Program

Completed the 09/10 Watershed Adventures program in 4th grade classes in Alameda County; **166 out of 169 programs contracted for were completed** in cities and unincorporated areas of west county. Conducted two presentations per class; Watershed Explorers followed one week later by Watershed Expressions.

Webpage: <http://www.acrcd.org/YouthEducation/WatershedAdventuresProgram.aspx>

- Developed and submitted quarterly reports to the Alameda Countywide Clean Water Program. Final report included; list of schools visited, contact teacher names and presentation dates, number of presentations completed per school and city, tally of teachers' evaluations, and list of teacher comments and T-Shirt Art Contest winners. Monthly progress reports with the final invoice for the project.
- Awards were mailed to classroom and city winners for T-shirt Art contest.

-Beginning in March 2010, the Watershed Adventures program began a process of review and evaluation; one of the outcomes of this process is a new name for the program, "Watershed Protectors (WP). The program is a two-part presentation in 4th grade classes, featuring an introductory classroom presentation similar to the Watershed Adventures program that is followed a week later by the "schoolyard stewardship activities" which allow students the opportunity to take action in their schoolyard and put into practice the watershed protection concepts they learned in the classroom presentation. Piloting of the Schoolyard Stewardship activities was done at Palomares School in Castro Valley and Searles School in Union City. Watershed Protectors Program documents and initial website content was developed in June.

-Time was also spent in developing a proposal for additional funds for enlarging the scope of the program to serve additional students in Alameda County.

- Watershed Adventures station at 5/21/10 Palomares Watershed Expo at which 10-12 groups of students rotated through for 20 minute lesson at the watershed model and studying aquatic insects from Palomares Creek.

-A budget and action plan for the FY11 program was developed and presented to the Flood Control District (as part of this contract.)

New Task 8- Creek Restoration in your Community (new task under consideration)

An action plan and budget for developing and piloting a new program, "Creek Restoration in Your Community" was developed and submitted to Sharon Gosselin. This program would take 4th-6th grade students to the Flood Control District's creek restoration sites and teach why and how such restoration is done at local creeks. The curriculum would be fitted to each site, involve hands-on learning stations, stewardship activities, and would meet state standards. Students would have a pre-field trip classroom presentation that would include elements of the Watershed Protectors program and which would provide context and prepare them for the field trip.

Introduction

This report documents the work completed on the Comprehensive Community Assessment tasks conducted on the San Lorenzo Creek Watershed for the Alameda County Flood Control & Water Conservation District. This Assessment is an initial phase designed to identify existing watershed efforts and determine if a new community-based watershed organization is the appropriate mechanism fulfill the community watershed needs identified in this assessment. Subsequent phases will build off this initial phase forming a comprehensive watershed stewardship program.

Community Assessment Goals

The Comprehensive Community Assessment is the crucial first step in understanding the needs, attitudes and available resources of the community and the watershed. The assessment is essential to developing a viable and sustainable support system for existing and future watershed efforts. The goal of the assessment was to 1) gather detailed information on existing watershed stewardship efforts and the types of projects and assistance stakeholders would like to have access to in their watershed, and 2) develop recommendations on how the Alameda County Flood Control & Water Conservation District and other potential partners can facilitate meeting the needs of the San Lorenzo Creek Watershed.

Watershed Description

The San Lorenzo Creek watershed is a system of several smaller watersheds that drain approximately 48 square miles of Alameda County into the San Francisco Bay near Roberts Landing, west of the city of San Lorenzo. The watershed begins in the East Bay hills on the western side of Dublin, runs through Castro Valley and San Lorenzo, and includes portions of San Leandro and Hayward.

The lower portion of the watershed is urbanized, while the headwaters are located in rural, agricultural, and low-density residential areas. San Lorenzo Creek supports diverse wildlife, including anadromous fish, although a concrete-lined section at the mouth of the creek and other barriers block fish passage. The watershed also contains two shallow reservoirs on Cull and Don Castro tributaries.

C.9.1. IPM Resolution

C.9.2. Pest Control Contract

June 10, 2008

Honorable Board of Supervisors
County of Alameda
1221 Oak Street, Suite 536
Oakland, California 94612-4305

Dear Board Members:

SUBJECT: ADOPT 75% WASTE DIVERSION RESOLUTION AND BAY-FRIENDLY
LANDSCAPING RESOLUTION

RECOMMENDATION:

- A. Adopt a resolution establishing a goal of 75% reduction of waste going to landfills by 2010 for County operations and County Unincorporated Areas; and
- B. Adopt a resolution establishing Bay-Friendly Landscaping practices as a guideline for County landscaping and for private/public partnership projects.

DISCUSSION/SUMMARY:

When the Alameda County Waste Reduction and Recycling Initiative Charter Amendment (Measure D) was approved by voters in 1990, it established countywide waste reduction goals. A goal of 50% diversion was established for the year 2000, and subsequently the Integrated Waste Management Plan established a diversion goal of "75% and beyond." Alameda County as a whole has met the 2000 target. Further, studies of the overall waste stream by StopWaste.Org show that plant debris from landscape construction, renovation, and maintenance comprises 7% of the materials disposed in Alameda County landfills. Traditional landscaping design and practices not only fill up our landfills with waste plant debris, they use significant amounts of chemicals and the County's precious and limited drinking water supply. To formalize the County's commitment to meet these sustainability challenges, the Community Development Agency (CDA), the General Services Agency (GSA), and the Public Works Agency (PWA) have partnered to develop the attached resolutions.

The Waste Diversion Resolution formally adopts a diversion target of 75% by 2010 for County operations and the unincorporated areas. The Resolution directs CDA to work with community members and local waste and recycling service providers to achieve this goal for the unincorporated communities and to reinforce waste reduction in the General Plans and other community development activities. The Resolution also directs GSA to develop strategies to achieve the 75% goal for county operations in cooperation with County agencies. Additionally,

it directs all County agencies to minimize their waste generation and improve recycling practices as a priority in their own operations as well as in the services provided to them by outside contractors. This Resolution also commits the County to review adopting a Zero Waste goal once the 75% goal is achieved.

The Bay-Friendly Landscaping Resolution directs GSA, PWA, and all other County agencies making landscaping decisions to include bay-friendly landscaping elements from the StopWaste.Org Bay-Friendly Landscaping Guidelines. Specifically, County landscape projects and public-private partnership landscape projects built on County-owned land or funded by the County will incorporate Bay-Friendly principles. Additionally, County landscapes will be maintained using the sustainable principles outlined in the Guidelines as practicable.

Additionally, the Bay-Friendly Landscaping Resolution sets specific requirements that landscaping for all new facilities will not use traditional grass turf unless required for specific functional use such as athletic fields. In such cases, drought-tolerant low-chemical varieties shall be planted. It also commits the County to actively pursue a replacement program of high-water landscaping, such as grass turf, with Bay-Friendly drought-resistant landscaping at all County facilities. Lastly, the Resolution directs CDA to encourage private landscape projects to include Bay-Friendly landscaping elements.

FINANCING:

Funding will be addressed as programs and projects are developed and before they are implemented. Adoption of these resolutions maintains the County's eligibility for funding from Stopwaste.Org.

Respectfully Submitted,

James Sorensen
Director, Community Development Agency

Aki K. Nakao
Director, General Services Agency

Daniel Woldesenbet
Director, Public Works Agency

RESOLUTION NO. 2008-_____

RESOLUTION ESTABLISHING A GOAL OF 75% REDUCTION IN WASTE GOING TO LANDFILLS BY 2010 FOR UNINCORPORATED AREAS AND CIVIC OPERATIONS OF THE COUNTY OF ALAMEDA

BE IT RESOLVED by the Board of Supervisors of the County of Alameda:

Whereas, the California Integrated Waste Management Act of 1989 (AB 939) mandated that all California jurisdictions reduce the quantity of solid waste disposed in landfills by 50% by 2000; and

Whereas, the unincorporated communities of Alameda County have met the 50% waste reduction goal; and

Whereas, since 1990 the County has offered a range of recycling and waste reduction programs to County employees to promote a sustainable and healthy workplace; and

Whereas, in 1990 Alameda County's voters passed Measure D (the Alameda County Waste Reduction and Recycling Initiative Charter Amendment), setting a countywide goal of reducing the waste going to landfills 75% by 2010; and

Whereas, Alameda County wishes to do its part to achieve the countywide goal of 75%; and

Whereas, Alameda County has adopted a number of programs and policies which support this goal including green building standards, construction and demolition debris diversion requirements, property and salvage center, environmental purchasing practices, commercial and curbside recycling programs, and a food waste collection program; and

Whereas, the General Plans for Castro Valley, Eden Area, and the East County include goals to ensure efficient recycling including coordination with the Alameda County Integrated Waste Management Plan, promotion of source reduction, recycling, and composting, and zoning to allow waste recovery facilities; and

Whereas, in 2006 the County established a Climate Change Leadership Strategy, and resource conservation and recycling will significantly reduce Alameda County's contributions to climate change; and

Whereas, the County Strategic Vision, in principal, establishes sustainability as a principle for decision-making; and

Whereas, disposing materials in landfills and incinerators causes damage to human health, wastes natural resources and wrongly transfers liabilities to future generations; and

Whereas, taxpayers, consumers, and local governments are currently forced to assume the high financial cost of collecting, recycling, and disposing of materials; and

Whereas, waste is a result of poor product design and producers should design products that can be safely and easily recycled back into the marketplace or nature; and

Whereas, a resource recovery-based economy will create and sustain more productive and meaningful jobs; and

Whereas, in 2001 the California Integrated Waste Management Board set a goal of Zero Waste in its strategic plan for the state; and cities, councils, counties worldwide have adopted a goal of achieving zero waste.

NOW THEREFORE BE IT:

Resolved, that the Board of Supervisors hereby adopts a goal of 75% reduction of waste going to landfills by 2010 for the County of Alameda, in accordance with the countywide 75% waste reduction goal using the existing state of California Diversion rate methodology for measurement; and

Further **Resolved**, that the Board of Supervisors strongly requests local waste and recycling service providers to achieve the 75% goal for unincorporated communities, which will be measured in accordance with the Countywide goal using the existing State of California diversion rate methodology for measurement, and directs the Community Development Agency to provide all practicable assistance to these providers and other public agencies to achieve this goal; and

Further **Resolved**, that these strategies shall be reinforced in General Plans and other community development activities; and

Further **Resolved**, that the Board of Supervisors directs the General Services Agency to develop strategies to achieve the 75% goal for county operations in cooperation with all employees and agencies, which will be measured through internal inventories; and

Further **Resolved**, that all agencies will report annually on their efforts to minimize waste generation and promote recycling within their agencies and for services provided to them by outside contractors; and

Further **Resolved**, that County employees are expected to recycle and reuse all materials for which recycling programs are available, and consider the full lifecycle of products when using materials; and

Further **Resolved**, that the County will partner with StopWaste.Org, recycling companies, local businesses, and sustainability advocates to strengthen the County's economy by stimulating sustainable local enterprises that use discarded products and to develop strategies to advance "upstream" waste prevention strategies such as product redesign, process re-engineering, and low-impact lifestyles; and

Finally **Resolved**, that the County will review adopting a Zero Waste goal once the 75% goal is achieved.

PASSED AND ADOPTED by the Board of Supervisors of the County of Alameda, State of California this seventeenth day of June, Two Thousand and Eight.

RESOLUTION NO. 2008-_____

**RESOLUTION ESTABLISHING A BAY-FRIENDLY LANDSCAPING POLICY
FOR THE COUNTY OF ALAMEDA**

BE IT RESOLVED by the Board of Supervisors of the County of Alameda:

Whereas, studies of the overall waste stream by StopWaste.Org show that plant debris from landscape construction, renovation and maintenance comprises 7% of the materials disposed in Alameda County landfills; and

Whereas, the State of California is experiencing significant drought, and traditional landscaping practices consume large volumes of drinking water; and

Whereas, in 2001 the EPA listed all the creeks in the San Francisco Bay Area as impaired due to pesticide contamination; and

Whereas, Bay-Friendly Landscaping is a whole systems approach which supports the integrity of the San Francisco Bay watershed by reducing waste and using recycled content materials; nurturing healthy soils while reducing fertilizer use; conserving water, energy and topsoil; using Integrated Pest Management (IPM) to minimize chemical use; reducing stormwater runoff; and creating wildlife habitat; and

Whereas, in 2001 the Board of Supervisors established a policy on pesticide use requiring each County agency that uses pesticide to adopt an Integrated Pest Management plan; and

Whereas, the Board of Supervisors finds that County agencies and personnel, particularly the General Services Agency, have taken steps to successfully practice Bay-Friendly Landscaping; and

Whereas, the County Strategic Vision, in principal, establishes sustainability as a principle for decision-making, and Bay-Friendly Landscaping enhances urban sustainability; and

Whereas, Bay-Friendly landscape design, construction, operation and maintenance promotes reduced use of chemicals, energy and water conservation, waste reduction, healthy wildlife habitat, the health of the San Francisco Bay watershed, improved air quality and the health of residents, employees, and visitors to the County; and

Whereas, studies by StopWaste.Org show that Bay-Friendly Landscaping reduces greenhouse gas emissions by 4 tons CO₂ equivalent per acre relative to conventional landscaping practices due to less waste transportation, less organic debris in the landfill, reduced trimming and mowing, fewer chemicals, reduced water consumption, and increased soil organic matter; and

Whereas, Bay-Friendly Landscaping can result in significant cost savings to the County over the life of the projects; and

Whereas, the County finds that it is critical to both the economic and environmental health of the County that the County provide leadership to the private and public sectors by demonstrating the benefits of Bay-Friendly landscaping; and

Whereas, in Alameda County, StopWaste.Org has defined and promoted environmentally friendly landscaping for the commercial, institutional and residential sectors by developing the Bay-Friendly Landscape Guidelines for professional landscapers and the Bay-Friendly Gardening Guide for residents.

NOW, THEREFORE BE IT:

Resolved, that the Board of Supervisors directs the General Services Agency, Public Works Agency, and all other County agencies making landscaping decisions to include Bay-Friendly landscaping elements in County landscape projects and in public-private partnership landscape projects built on County-owned land or funded in part or fully by the County; and

Further **Resolved**, that all projects with landscapes which are officially identified and substantially funded on or after the effective date of this Resolution shall have a project goal of reaching at least the minimum points as identified on the StopWaste.Org Bay-Friendly Landscape Scorecard, and that agencies managing such projects will report annually on their progress to the BOS; and

Further **Resolved**, that landscaping for all new facilities will not use conventional grass turf unless required for specific functional use such as an athletic field, in which case drought-tolerant low-chemical varieties shall be planted; and

Further **Resolved**, that the County will actively pursue a program to replace high-water landscaping, such as grass turf, with Bay-Friendly drought-resistant landscaping in all County facilities and will evaluate the availability and economic feasibility of conversion to reclaimed water for all County landscaping; and

Further **Resolved**, that Bay-Friendly practices shall be incorporated into the maintenance of County landscapes by the General Services and Public Works Agencies and their contractors where practicable and cost effective; and

Further **Resolved**, that the Public Works Agency shall regularly review the project specifications used in bidding traditional public works projects to include the best environmental practices and Bay-Friendly landscaping practices applicable; and

Finally, **Resolved**, that the Board of Supervisors directs the Community Development Agency to encourage private landscaping projects to include Bay-Friendly landscaping elements.

PASSED AND ADOPTED by the Board of Supervisors of the County of Alameda, State of California this seventeenth day of June, Two Thousand and Eight.

QUESTIONNAIRE FOR DETERMINING THE WITHHOLDING STATUS

INSTRUCTIONS: This questionnaire is to be completed by the County department for services contracts and must be included as part of the contract package submitted to Human Resource Services Department (HRSD). Be sure to answer all of the questions in Sections I and II and to complete the certifications on page 2. Sections III and IV contain supplemental questions to be answered for contractors in certain service categories.

CONTRACTOR NAME: Webb's Pest Control DEPT #: _____

TITLE/SERVICE: Pest Control Services

DEPT. CONTACT: Debbie Bender PHONE: (510) 667-3047

I. INFORMATION ABOUT THE CONTRACTOR YES NO

1. Is the contractor a corporation or partnership? (X) ()
2. Does the contractor have the right per the contract to hire others to do the work agreed to in the contract? (X) ()

If the answer to BOTH questions is YES, provide the employer ID number here:
94-3081457.

No other questions need to be answered. Withholding is not required.

If the answer to question 1 is NO and 2 is YES, provide the individual social security number here: _____

No other questions need to be answered. Withholding is not required.

If the answer to question 2 is NO, continue to Section II.

II. RELATIONSHIP OF THE PARTIES YES NO

1. Does the County have the right to control the way in which the work will be done, i.e., will the County be able to specify the sequence of steps or the processes to be followed if it chooses to do so? () (X)
2. Is the contractor restricted from performing similar services for other businesses while he is working for the County? () (X)
3. Will the contractor be working for more than 50% of the time for the County (50% = 20 hrs/wk; 80 hrs/mo)? () (X)
4. Is the relationship between the County and the contractor intended to be ongoing? () (X)

III. FOR CONSULTANTS, PROJECT MANAGERS, PROJECT COORDINATORS

- 1. Is the contractor being hired for a period of time rather than for a specific project? () ()
- 2. Will payment be based on a wage or salary (as opposed to a commission or lump sum)? () ()

IV. FOR PHYSICIANS, PSYCHIATRISTS, DENTISTS, PSYCHOLOGISTS

- 1. Will the agreement be with an individual who does not have an outside practice? () ()
 - 1.a. Will the contractor work more than an average of ten hours per week? () ()

IF THE ANSWER TO 1.a IS YES, ANSWER QUESTIONS 1.b.

- 1.b. Will the County provide more than 20% of the contractor’s income? () ()
- 2. If the answer to either question 1.a, or if required, question 1.b is NO, the entire answer is NO.

A “yes” answer to any of the questions in Section II, or, if applicable, Sections III or IV constitutes justification for paying the contractor through the payroll system as an “employee for withholding purposes.”

CERTIFICATIONS:

I hereby certify that the answers to the above questions accurately reflect the anticipated working relationship for this contract.

**COUNTY OF ALAMEDA
STANDARD SERVICES AGREEMENT**

This Agreement, dated as of _____, 2008, is by and between the County of Alameda, hereinafter referred to as the “County”, and Webb’s Pest Control, hereinafter referred to as the “Contractor”.

WITNESSETH

Whereas, County desires to obtain pest control services which are more fully described in Exhibit A hereto (“Definition of Services”).

Whereas, Contractor is professionally qualified to provide such services and is willing to provide same to County; and

Now, therefore it is agreed that County does hereby retain Contractor to provide Pest Control Services, and Contractor accepts such engagement, on the General Terms and Conditions hereinafter specified in this Agreement, the Additional Provisions attached hereto, and the following described exhibits, all of which are incorporated into this Agreement by this reference:

- Exhibit A Definition of Services
- Exhibit B Payment Terms
- Exhibit C Insurance Requirements
- Exhibit D Debarment and Suspension Certification
- Exhibit E Contract Compliance Reporting Requirements

The term of this Agreement shall be from December 1, 2008 through November 30, 2011

The compensation payable to Contractor hereunder shall not exceed *One Hundred Ninety Four Thousand Nine Hundred and Eighty Two dollars (\$194,982)* for the term of this Agreement

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

By signing above, signatory warrants and represents that he/she executed this Agreement in his/her authorized capacity and that by his/her signature on this Agreement, he/she or the entity upon behalf of which he/she acted, executed this Agreement.

GENERAL TERMS AND CONDITIONS

1. **INDEPENDENT CONTRACTOR:** No relationship of employer and employee is created by this Agreement; it being understood and agreed that Contractor is an independent contractor. Contractor is not the agent or employee of the County in any capacity whatsoever, and County shall not be liable for any acts or omissions by Contractor nor for any obligations or liabilities incurred by Contractor.

Contractor shall have no claim under this Agreement or otherwise, for seniority, vacation time, vacation pay, sick leave, personal time off, overtime, health insurance medical care, hospital care, retirement benefits, social security, disability, Workers' Compensation, or unemployment insurance benefits, civil service protection, or employee benefits of any kind.

Contractor shall be solely liable for and obligated to pay directly all applicable payroll taxes (including federal and state income taxes) or contributions for unemployment insurance or old age pensions or annuities which are imposed by any governmental entity in connection with the labor used or which are measured by wages, salaries or other remuneration paid to its officers, agents or employees and agrees to indemnify and hold County harmless from any and all liability which County may incur because of Contractor's failure to pay such amounts.

In carrying out the work contemplated herein, Contractor shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and agrees that such officers, agents, and/or employees will be considered as independent contractors and shall not be treated or considered in any way as officers, agents and/or employees of County.

Contractor does, by this Agreement, agree to perform his/her said work and functions at all times in strict accordance with currently approved methods and practices in his/her field and that the sole interest of County is to insure that said service shall be performed and rendered in a competent, efficient, timely and satisfactory manner and in accordance with the standards required by the County agency concerned.

Notwithstanding the foregoing, if the County determines that pursuant to state and federal law Contractor is an employee for purposes of income tax withholding, County may upon two week's notice to Contractor, withhold from payments to Contractor hereunder federal and state income taxes and pay said sums to the federal and state governments

2. **INDEMNIFICATION:** To the fullest extent permitted by law, Contractor shall hold harmless, defend and indemnify the County of Alameda, its Board of Supervisors, employees and agents from and against any and all claims, losses, damages, liabilities and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of services under this Agreement, provided that any such claim, loss, damage, liability or expense is attributable to bodily injury, sickness, disease, death or to injury to or destruction of property, including the loss therefrom, or to any violation of federal, state or municipal law or regulation, which arises out of or is any way connected with the performance of this agreement (collectively "Liabilities") except where such Liabilities are caused solely by the negligence or willful misconduct of any indemnitee. The County may participate in the defense of any such claim without relieving Contractor of any obligation hereunder.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Alameda County Employees' Retirement Association (ACERA) or California Public Employees' Retirement System (PERS) to be eligible for enrollment in ACERA and PERS as an employee of County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for ACERA and PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

3. **INSURANCE AND BOND:** Contractor shall at all times during the term of the Agreement with the County maintain in force those insurance policies and bonds as designated in the attached Exhibit C, and will comply with all those requirements as stated therein.
4. **PREVAILING WAGES:** Pursuant to Labor Code Sections 1770 et seq., Contractor shall pay to persons performing labor in and about Work provided for in Contract not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the Work is performed, and not less than the general prevailing rate of per diem wages for legal holiday and overtime work in said locality, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by the Director of the State Department of Industrial Relations to be the general prevailing rate of per diem wages for each craft or type of workman or mechanic needed to execute this contract.
5. **WORKERS' COMPENSATION:** Contractor shall provide Workers' Compensation insurance, as applicable, at Contractor's own cost and expense and

further, neither the Contractor nor its carrier shall be entitled to recover from County any costs, settlements, or expenses of Workers' Compensation claims arising out of this Agreement.

6. CONFORMITY WITH LAW AND SAFETY:

- a. In performing services under this Agreement, Contractor shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal, and local governing bodies, having jurisdiction over the scope of services, including all applicable provisions of the California Occupational Safety and Health Act. Contractor shall indemnify and hold County harmless from any and all liability, fines, penalties and consequences from any of Contractor's failures to comply with such laws, ordinances, codes and regulations.
- b. Accidents: If a death, serious personal injury or substantial property damage occurs in connection with Contractor's performance of this Agreement, Contractor shall immediately notify the Alameda County Risk Manager's Office by telephone. Contractor shall promptly submit to County a written report, in such form as may be required by County of all accidents which occur in connection with this Agreement. This report must include the following information: (1) name and address of the injured or deceased person(s); (2) name and address of Contractor's sub-Contractor, if any; (3) name and address of Contractor's liability insurance carrier; and (4) a detailed description of the accident and whether any of County's equipment, tools, material, or staff were involved.
- c. Contractor further agrees to take all reasonable steps to preserve all physical evidence and information which may be relevant to the circumstances surrounding a potential claim, while maintaining public safety, and to grant to the County the opportunity to review and inspect such evidence, including the scene of the accident.

7. DEBARMENT AND SUSPENSION CERTIFICATION: (Applicable to all agreements funded in part or whole with federal funds and contracts over \$25,000).

- a. By signing this agreement and Exhibit D, Debarment and Suspension Certification, Contractor/Grantee agrees to comply with applicable federal suspension and debarment regulations, including but not limited to 7 Code of Federal Regulations (CFR) 3016.35, 28 CFR 66.35, 29 CFR 97.35, 34 CFR 80.35, 45 CFR 92.35 and Executive Order 12549.

- b. By signing this agreement, Contractor certifies to the best of its knowledge and belief, that it and its principals:
- (1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;
 - (2) Shall not knowingly enter into any covered transaction with a person who is proposed for debarment under federal regulations, debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction.
8. **PAYMENT:** For services performed in accordance with this Agreement, payment shall be made to Contractor as provided in Exhibit B hereto.
9. **TRAVEL EXPENSES:** Contractor shall not be allowed or paid travel expenses unless set forth in this Agreement.
10. **TAXES:** Payment of all applicable federal, state, and local taxes shall be the sole responsibility of the Contractor.
11. **OWNERSHIP OF DOCUMENTS:** Contractor hereby assigns to the County and its assignees all copyright and other use rights in any and all proposals, plans, specification, designs, drawings, sketches, renderings, models, reports and related documents (including computerized or electronic copies) respecting in any way the subject matter of this Agreement, whether prepared by the County, the Contractor, the Contractor's sub-Contractors or third parties at the request of the Contractor (collectively, "Documents and Materials"). This explicitly includes the electronic copies of all above stated documentation.

Contractor also hereby assigns to the County and its assignees all copyright and other use rights in any Documents and Materials including electronic copies stored in Contractor's Information System, respecting in any way the subject matter of this Agreement.

Contractor shall be permitted to retain copies, including reproducible copies and computerized copies, of said Documents and Materials. Contractor agrees to take such further steps as may be reasonably requested by County to implement the aforesaid assignment. If for any reason said assignment is not effective, Contractor hereby grants the County and any assignee of the County an express royalty – free license to retain and use said Documents and Materials. The County's rights under this paragraph shall apply regardless of the degree of completion of the Documents and Materials and whether or not Contractor's

services as set forth in Exhibit "A" of this Agreement have been fully performed or paid for.

In Contractor's contracts with other Contractors, Contractor shall expressly obligate its Sub-Contractors to grant the County the aforesaid assignment and license rights as to that Contractor's Documents and Materials. Contractor agrees to defend, indemnify and hold the County harmless from any damage caused by a failure of the Contractor to obtain such rights from its Contractors and/or Sub-Contractors.

Contractor shall pay all royalties and license fees which may be due for any patented or copyrighted materials, methods or systems selected by the Contractor and incorporated into the work as set forth in Exhibit "A", and shall defend, indemnify and hold the County harmless from any claims for infringement of patent or copyright arising out of such selection. The County's rights under this Paragraph 11 shall not extend to any computer software used to create such Documents and Materials.

12. **CONFLICT OF INTEREST; CONFIDENTIALITY:** The Contractor covenants that it presently has no interest, and shall not have any interest, direct or indirect, which would conflict in any manner with the performance of services required under this Agreement. Without limitation, Contractor represents to and agrees with the County that Contractor has no present, and will have no future, conflict of interest between providing the County services hereunder and any other person or entity (including but not limited to any federal or state wildlife, environmental or regulatory agency) which has any interest adverse or potentially adverse to the County, as determined in the reasonable judgment of the Board of Supervisors of the County.

The Contractor agrees that any information, whether proprietary or not, made known to or discovered by it during the performance of or in connection with this Agreement for the County will be kept confidential and not be disclosed to any other person. The Contractor agrees to immediately notify the County by notices provided in accordance with Paragraph 13 of this Agreement, if it is requested to disclose any information made known to or discovered by it during the performance of or in connection with this Agreement. These conflict of interest and future service provisions and limitations shall remain fully effective five (5) years after termination of services to the County hereunder.

13. **NOTICES:** All notices, requests, demands, or other communications under this Agreement shall be in writing. Notices shall be given for all purposes as follows:

Personal delivery: When personally delivered to the recipient, notices are effective on delivery.

First Class Mail: When mailed first class to the last address of the recipient known to the party giving notice, notice is effective three (3) mail delivery days after deposit in a United States Postal Service office or mailbox. Certified Mail: When mailed certified mail, return receipt requested, notice is effective on receipt, if delivery is confirmed by a return receipt.

Overnight Delivery: When delivered by overnight delivery (Federal Express/Airborne/United Parcel Service/DHL WorldWide Express) with charges prepaid or charged to the sender's account, notice is effective on delivery, if delivery is confirmed by the delivery service. Telex or facsimile transmission: When sent by telex or facsimile to the last telex or facsimile number of the recipient known to the party giving notice, notice is effective on receipt, provided that (a) a duplicate copy of the notice is promptly given by first-class or certified mail or by overnight delivery, or (b) the receiving party delivers a written confirmation of receipt. Any notice given by telex or facsimile shall be deemed received on the next business day if it is received after 5:00 p.m. (recipient's time) or on a non-business day.

Addresses for purpose of giving notice are as follows:

To County: COUNTY OF ALAMEDA
BMD - Facilities Mgmt.
2054 Fairmont Drive
San Leandro, CA 94578
Attn.: Debbie Bender

To Contractor: WEBB'S PEST CONTROL
35 Camellia Place
Oakland, CA 94602
Attn: James E. Webb, Sole Proprietor

Any correctly addressed notice that is refused, unclaimed, or undeliverable because of an act or omission of the party to be notified shall be deemed effective as of the first date that said notice was refused, unclaimed, or deemed undeliverable by the postal authorities, messenger, or overnight delivery service.

Any party may change its address or telex or facsimile number by giving the other party notice of the change in any manner permitted by this Agreement.

14. **USE OF COUNTY PROPERTY:** Contractor shall not use County property (including equipment, instruments and supplies) or personnel for any purpose other than in the performance of his/her obligations under this Agreement.

15. **EQUAL EMPLOYMENT OPPORTUNITY PRACTICES PROVISIONS:** Contractor assures that he/she/it will comply with Title VII of the Civil Rights Act of 1964 and that no person shall, on the grounds of race, creed, color, disability, sex, sexual orientation, national origin, age, religion, Vietnam era Veteran's status, political affiliation, or any other non-merit factor, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement.
 - a. Contractor shall, in all solicitations or advertisements for applicants for employment placed as a result of this Agreement, state that it is an "Equal Opportunity Employer" or that all qualified applicants will receive consideration for employment without regard to their race, creed, color, disability, sex, sexual orientation, national origin, age, religion, Vietnam era Veteran's status, political affiliation, or any other non-merit factor.
 - b. Contractor shall, if requested to so do by the County, certify that it has not, in the performance of this Agreement, discriminated against applicants or employees because of their race, creed, color, disability, sex, sexual orientation, national origin, age, religion, Vietnam era Veteran's status, political affiliation, or any other non-merit factor.
 - c. If requested to do so by the County, Contractor shall provide the County with access to copies of all of its records pertaining or relating to its employment practices, except to the extent such records or portions of such records are confidential or privileged under state or federal law.
 - d. Contractor shall recruit vigorously and encourage minority - and women-owned businesses to bid its subcontracts.
 - e. Nothing contained in this Agreement shall be construed in any manner so as to require or permit any act, which is prohibited by law.
 - f. The Contractor shall include the provisions set forth in paragraphs A through E (above) in each of its subcontracts.

16. **DRUG-FREE WORKPLACE:** Contractor and Contractor's employees shall comply with the County's policy of maintaining a drug-free workplace. Neither Contractor nor Contractor's employees shall unlawfully manufacture, distribute, dispense, possess or use controlled substances, as defined in 21 U.S. Code § 812,

including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any County facility or work site. If Contractor or any employee of Contractor is convicted or pleads nolo contendere to a criminal drug statute violation occurring at a County facility or work site, the Contractor within five days thereafter shall notify the head of the County department/agency for which the contract services are performed. Violation of this provision shall constitute a material breach of this Agreement

17. **AUDITS; ACCESS TO RECORDS:** The Contractor shall make available to the County, its authorized agents, officers, or employees, for examination any and all ledgers, books of accounts, invoices, vouchers, cancelled checks, and other records or documents evidencing or relating to the expenditures and disbursements charged to the County, and shall furnish to the County, its authorized agents, officers or employees such other evidence or information as the County may require with regard to any such expenditure or disbursement charged by the Contractor.

The Contractor shall maintain full and adequate records in accordance with County requirements to show the actual costs incurred by the Contractor in the performance of this Agreement. If such books and records are not kept and maintained by Contractor within the County of Alameda, California, Contractor shall, upon request of the County, make such books and records available to the County for inspection at a location within County or Contractor shall pay to the County the reasonable, and necessary costs incurred by the County in inspecting Contractor's books and records, including, but not limited to, travel, lodging and subsistence costs. Contractor shall provide such assistance as may be reasonably required in the course of such inspection. The County further reserves the right to examine and reexamine said books, records and data during the three (3) year period following termination of this Agreement or completion of all work hereunder, as evidenced in writing by the County, and the Contractor shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any manner whatsoever for three (3) years after the County makes the final or last payment or within three (3) years after any pending issues between the County and Contractor with respect to this Agreement are closed, whichever is later.

18. **DOCUMENTS AND MATERIALS:** Contractor shall maintain and make available to County for its inspection and use during the term of this Agreement, all Documents and Materials, as defined in Paragraph 11 of this Agreement. Contractor's obligations under the preceding sentence shall continue for three (3) years following termination or expiration of this Agreement or the completion of all work hereunder (as evidenced in writing by County), and Contractor shall in no event dispose of, destroy, alter or mutilate said Documents and Materials, for three (3) years following the County's last payment to Contractor under this Agreement.

19. **TIME OF ESSENCE:** Time is of the essence in respect to all provisions of this Agreement that specify a time for performance; provided, however, that the foregoing shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Agreement.
20. **TERMINATION:** The County has and reserves the right to suspend, terminate or abandon the execution of any work by the Contractor without cause at any time upon giving to the Contractor prior written notice. In the event that the County should abandon, terminate or suspend the Contractor's work, the Contractor shall be entitled to payment for services provided hereunder prior to the effective date of said suspension, termination or abandonment. Said payment shall be computed in accordance with Exhibit B hereto, provided that the maximum amount payable to Contractor for its Pest Control Services shall not exceed \$194,982 payment for services provided hereunder prior to the effective date of said suspension, termination or abandonment.
21. **SMALL, LOCAL AND EMERGING BUSINESS PARTICIPATION:** Contractor has been certified by the County as a small or emerging local business. As a result, there is no requirement to subcontract with another business in order to satisfy the County's Small and Emerging Locally owned Business provision. However, should Contractor's status as a certified small or emerging local business change at any time during the term of this Agreement, Contractor shall comply with the County's Small and Emerging Local Business provision.
22. **FIRST SOURCE PROGRAM:** For contracts over \$100,000, Contractor shall provide County ten (10) working days to refer to Contractor, potential candidates to be considered by Contractor to fill any new or vacant positions that are necessary to fulfill their contractual obligations to the County that Contractor has available during the contract term before advertising to the general public.
23. **CHOICE OF LAW:** This Agreement shall be governed by the laws of the State of California.
24. **WAIVER:** No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Agreement shall be effective unless it is in writing and signed by the party waiving the breach, failure, right or remedy. No waiver of any breach, failure, right or remedy shall be deemed a waiver of any other breach, failure, right or remedy, whether or not similar, nor shall any waiver constitute a continuing waiver unless the writing so specifies.
25. **ENTIRE AGREEMENT:** This Agreement, including all attachments, exhibits, and any other documents specifically incorporated into this Agreement, shall

constitute the entire agreement between County and Contractor relating to the subject matter of this Agreement. As used herein, Agreement refers to and includes any documents incorporated herein by reference and any exhibits or attachments. This Agreement supersedes and merges all previous understandings, and all other agreements, written or oral, between the parties and sets forth the entire understanding of the parties regarding the subject matter thereof. The Agreement may not be modified except by a written document signed by both parties.

26. HEADINGS herein are for convenience of reference only and shall in no way affect interpretation of the Agreement.
27. ADVERTISING OR PUBLICITY: Contractor shall not use the name of County, its officers, directors, employees or agents, in advertising or publicity releases or otherwise without securing the prior written consent of County in each instance.
28. MODIFICATION OF AGREEMENT: This Agreement may be supplemented, amended or modified only by the mutual agreement of the parties. No supplement, amendment or modification of this Agreement shall be binding unless it is in writing and signed by authorized representatives of both parties.
29. ASSURANCE OF PERFORMANCE: If at any time County believes Contractor may not be adequately performing its obligations under this Agreement or that Contractor may fail to complete the Services as required by this Agreement, County may request from Contractor prompt written assurances of performance and a written plan acceptable to County, to correct the observed deficiencies in Contractor's performance. Contractor shall provide such written assurances and written plan within ten (10) calendar days of its receipt of County's request and shall thereafter diligently commence and fully perform such written plan. Contractor acknowledges and agrees that any failure to provide such written assurances and written plan within the required time is a material breach under this Agreement.
30. SUBCONTRACTING/ASSIGNMENT: Contractor shall not subcontract, assign or delegate any portion of this Agreement or any duties or obligations hereunder without the County's prior written approval.
 - a. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. Any agreement that violates this Section shall confer no rights on any party and shall be null and void.
 - b. Contractor shall use the subcontractors identified in Exhibit A and shall not substitute subcontractors without County's prior written approval.

- c. Contractor shall remain fully responsible for compliance by its subcontractors with all the terms of this Agreement, regardless of the terms of any agreement between Contractor and its subcontractors.
31. **SURVIVAL:** The obligations of this Agreement, which by their nature would continue beyond the termination on expiration of the Agreement, including without limitation, the obligations regarding Indemnification (Paragraph 2), Ownership of Documents (Paragraph 11), and Conflict of Interest (Paragraph 12), shall survive termination or expiration.
32. **SEVERABILITY:** If a court of competent jurisdiction holds any provision of this Agreement to be illegal, unenforceable, or invalid in whole or in part for any reason, the validity and enforceability of the remaining provisions, or portions of them, will not be affected, unless an essential purpose of this Agreement would be defeated by the loss of the illegal, unenforceable, or invalid provision.
33. **PATENT AND COPYRIGHT INDEMNITY:** Contractor represents that it knows of no allegations, claims, or threatened claims that the materials, services, hardware or software (“Contractor Products”) provided to County under this Agreement infringe any patent, copyright or other proprietary right. Contractor shall defend, indemnify and hold harmless County of, from and against all losses, claims, damages, liabilities, costs expenses and amounts (collectively, “Losses”) arising out of or in connection with an assertion that any Contractor Products or the use thereof, infringe any patent, copyright or other proprietary right of any third party. County will: (1) notify Contractor promptly of such claim, suit or assertion; (2) permit Contractor to defend, compromise, or settle the claim; and, (3) provide, on a reasonable basis, information to enable Contractor to do so. Contractor shall not agree without County’s prior written consent, to any settlement, which would require County to pay money or perform some affirmative act in order to continue using the Contractor Products.
- a. If Contractor is obligated to defend County pursuant to this Section 33 and fails to do so after reasonable notice from County, County may defend itself and/or settle such proceeding, and Contractor shall pay to County any and all losses, damages and expenses (including attorney’s fees and costs) incurred in relationship with County’s defense and/or settlement of such proceeding.
 - b. In the case of any such claim of infringement, Contractor shall either, at its option, (1) procure for County the right to continue using the Contractor Products; or (2) replace or modify the Contractor Products so that that they become non-infringing, but equivalent in functionality and performance.

- c. Notwithstanding this Section 33, County retains the right and ability to defend itself, at its own expense, against any claims that Contractor Products infringe any patent, copyright, or other intellectual property right.
- 34. OTHER AGENCIES: Other tax supported agencies within the State of California who have not contracted for their own requirements may desire to participate in this contract. The Contractor is requested to service these agencies and will be given the opportunity to accept or reject the additional requirements. If the Contractor elects to supply other agencies, orders will be placed directly by the agency and payments made directly by the agency.
- 35. SIGNATORY: By signing this agreement, signatory warrants and represents that he/she executed this Agreement in his/her authorized capacity and that by his/her signature on this Agreement, he/she or the entity upon behalf of which he/she acted, executed this Agreement

[END OF GENERAL TERMS AND CONDITIONS]

EXHIBIT A
DEFINITION OF SERVICES

1. Contractor shall provide Pest Control Services in accordance with the “Specific Requirements” section within County’s Request for Quotation No.900502 (RFQ) and “Description of Services” section of Contractor’s Proposal dated October 10, 2008. Said sections are incorporated herein by reference and attached hereto as Exhibit A-1,
 - a. In the event of any conflict (direct or indirect) among any of the above-referenced exhibits, the more stringent requirements providing the County with the broader scope of services shall have precedence, such that the scope of work described in the RFQ sections and the scope of work described in Contractor’s proposal shall both be performed to the greatest extent feasible.
 - b. County and Contractor agree that the following Supplemental Provisions are incorporated into this Agreement, and that the Additional Provisions shall take precedence over inconsistent or conflicting provisions contained in the above-referenced exhibits.
2. Contractor project team will consist of the following Key Personnel and subcontractors, as applicable during the contract term:

James E. Webb
Owner/Operator

Phone: 510-451-9064
Fax: 510-842-8787
E-Mail: webbspest@comcast.net

Contractor agrees that it shall not transfer or reassign the individuals identified above as Key Personnel or substitute subcontractors without the express written agreement of County, which agreement shall not be unreasonably withheld. Should such individual or individuals in the employ of Contractor no longer be employed by Contractor during the term of this Agreement, Contractor shall make a good faith effort to present to County an individual with greater or equal qualifications as a replacement subject to County’s approval, which approval shall not be unreasonably withheld.

3. The approval of County to a requested change shall not release Contractor from its obligations under this Agreement.
4. Under the requirements of the Countywide Clean Water Program, Contractor shall implement an (IPM) program that includes the reduction, phase-out or elimination of pesticides, which cause impairment of surface waters. The following pesticides or toxins are restricted by the County and shall not be used, in any manner or form, to service County facilities:
 - Pendimethalin, **and**
 - Trifluralin

5. Pest Control Services shall consist of a minimum number of monthly services specified for each location and more often if deemed necessary by the person in charge of pest control at each location.
6. Contractor shall report to the individual designated for each location as listed on the bid form before performing any service so as to become aware of any recent pest problems. Contractor shall provide, in advance to the County, copies of the Material Safety Data Sheets (MSDS) and container labels for all pesticides and toxins that may be used in County buildings. Contractor shall also provide in advance to the County, a copy of their (IPM) program. Prior to performing work, the Contractor shall be given the IPM documents for each department and shall perform work for a department in accordance with that department's IPM program. If, during the course of service, any building disrepair, which might contribute to pests, is noted, the site contact person shall be informed in writing, so that the disrepair may be remedied. Contractor shall report to the site contact person after each service to obtain verification that service was performed. Contractor shall not leave a service report on a vacant desk and must deliver to responsible County personnel. The County will not pay for any service prior to the service being performed.
7. Chemical products used shall be approved and used as intended and applied in a manner consistent with regulations established by the California Department of Pesticide Regulation.
8. Service: Contractor(s) shall provide an environment free from, but not limited to, the following pests:
 - Spiders, cockroaches and beetles
 - Crickets, and other hoppers
 - Ants (all species), earwigs, sow bugs, silverfish and other crawling insects
 - Lice, mites, bed bugs, fleas and other biting insects
 - Wasps, hornets and other stinging insects nesting in the interior or exterior, up to a max. height of two (2) stories
 - Flies, moths and other flying insects
 - Weevils and other food pests
 - Mice, rats and other rodents
9. The pest control services shall be performed in all buildings listed on Exhibit B-Revised, occupied or unoccupied, including, but not limited to, basements, crawl spaces, offices, storage areas /rooms, closets, baseboards, plumbing and heating pipes, shelves, elevators, dumb waiters and surroundings pits, walls / enclosures, kitchen, dining room, cafeteria, food preparation and storage areas, loading platforms, refuse containers and surrounding storage areas, dorms, bedrooms, cells, offices, lavatory and shower areas, hallways and lounge areas.
10. The Contractor shall perform a thorough detection program during every pest control service, including, but not limited to crack and crevice inspection and use of a functional flashlight. Following each scheduled service, the Contractor shall submit a written report to the

inspection site's designated individual, listing any and all areas that remain inaccessible for pest control service such as lockers, rooms, closets, etc.

11. Should the scheduled services not be totally effective, or interrupt institutional activities, the Contractor shall be required to provide necessary services at alternate times, agreeable to the County facility, at no additional cost. Complaints and unscheduled service requirements, including recall work required between scheduled service visits, shall be handled within twenty-four (24) hours after notification and will be at no additional cost to the County. It is suggested that this be handled by an individual(s) other than the regular service person, so as to not interfere or delay the scheduled service.
12. In the event of an emergency infestation at a facility owned or operated by the County which is not specified in Exhibit B-Revised, Contractor shall be available for immediate eradication services.

EXHIBIT B
PAYMENT TERMS

1. County will pay Contractor upon successful completion and acceptance of the following services listed below, within thirty (30) days, upon receipt of invoice.

2. Invoices will be approved by the County.
3. Total payment under the terms of this Agreement will not exceed the total amount of \$194,982. This cost includes all taxes and all other charges.
4. Upon award of this Agreement by County, County and Contractor shall forthwith jointly create a schedule governing the timely performance of Contractor's services hereunder.

EXHIBIT C
INSURANCE REQUIREMENTS

EXHIBIT D

**COUNTY OF ALAMEDA
DEBARMENT AND SUSPENSION CERTIFICATION**

The contractor, under penalty of perjury, certifies that, except as noted below, contractor, its principals, and any named and unnamed subcontractor:

- Is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;
- Has not been suspended, debarred, voluntarily excluded or determined ineligible by any federal agency within the past three years;
- Does not have a proposed debarment pending; and
- Has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three years.

Notes: Providing false information may result in criminal prosecution or administrative sanctions. The above certification is part of the Standard Services Agreement. Signing this Standard Services Agreement on the signature portion thereof shall also constitute signature of this Certification.
