Mr. Bruce H. Wolfe  
Executive Officer  
San Francisco Bay Regional Water Quality Control Board  
1515 Clay Street, Suite 1400  
Oakland, CA 94612

Subject: **City of Santa Clara**  
FY 2013-2014 Annual Report

Dear Mr. Wolfe:

This letter and Annual Report with attachments is submitted by City of Santa Clara pursuant to Permit Provision C.16.a of the Municipal Regional Stormwater NPDES Permit (MRP), Order R2-2009-0074, NPDES Permit No CAS612008 issued by the San Francisco Bay Regional Water Quality Control Board. The Annual Report provides documentation of activities conducted during FY 2013-2014 and consists of the following:

- A. Certification Statement
- B. Annual Report Form
  - Table of Contents
  - Completed Annual Report Form: Sections 1-15
  - Section 16-Acronym List
- C. Appendix
  - Table of Contents
  - Appendices

Please contact Dave Staub at 408-615-3086 regarding any questions or concerns.

Very truly yours,

A handwritten signature in blue ink that reads "Dave Staub".

Dave Staub  
Deputy Director of Public Works

Section 1 – Permittee Information

Background Information			
Permittee Name:	City of Santa Clara		
Population:	119,311 (2012)		
NPDES Permit No.:	CAS612008		
Order Number:	R2-2009-0074R		
Reporting Time Period (month/year):	July 2013 through June 2014		
Name of the Responsible Authority:	Rajeev Batra	Title:	Director of Public Works/City Engineer
Mailing Address:	1500 Warburton Avenue		
City:	Santa Clara	Zip Code:	95050
		County:	Santa Clara
Telephone Number:	408-615-3001	Fax Number:	408-985-7936
E-mail Address:	rbatra@santaclaraca.gov		
Name of the Designated Stormwater Management Program Contact (if different from above):	Dave Staub	Title:	Deputy Director of Public Works
Department:	Public Works		
Mailing Address:	1700 Walsh Avenue		
City:	Santa Clara	Zip Code:	95050
		County:	Santa Clara
Telephone Number:	408-615-3086	Fax Number:	408-988-0237
E-mail Address:	dstaub@santaclaraca.gov		

Section 2 - Provision C.2 Reporting Municipal Operations

**Program Highlights and Evaluation**

Highlight/summarize activities for reporting year:

Summary:  
 The City of Santa Clara participated in the Program’s Municipal Operations AHTG. Public Works Department staff was provided an overview of the C.2 Municipal Operations requirements at a December Department Meeting. Refer to the C.2 Municipal Operations section of the Program’s FY 13-14 Annual Report for a description of program and regional activities implemented.

**C.2.a. ► Street and Road Repair and Maintenance**

Place a **Y** in the boxes next to activities where applicable BMPs were implemented. If not applicable, type **NA** in the box and provide an explanation in the comments section below. Place an **N** in the boxes next to activities where applicable BMPs were not implemented for one or more of these activities during the reporting fiscal year, then in the comments section below provide an explanation of when BMPs were not implemented and the corrective actions taken.

Y	Control of debris and waste materials during road and parking lot installation, repaving or repair maintenance activities from polluting stormwater
Y	Control of concrete slurry and wastewater, asphalt, pavement cutting, and other street and road maintenance materials and wastewater from discharging to storm drains from work sites.
Y	Sweeping and/or vacuuming and other dry methods to remove debris, concrete, or sediment residues from work sites upon completion of work.

Comments:  
 none

**C.2.b. ► Sidewalk/Plaza Maintenance and Pavement Washing**

Place a **Y** in the boxes next to activities where applicable BMPs were implemented. If not applicable, type **NA** in the box and provide an explanation in the comments section below. Place an **N** in the boxes next to activities where applicable BMPs were not implemented for one or more of these activities during the reporting fiscal year, then in the comments section below provide an explanation of when BMPs were not implemented and the corrective actions taken.

Y	Control of wash water from pavement washing, mobile cleaning, pressure wash operations at parking lots, garages, trash areas, gas station fueling areas, and sidewalk and plaza cleaning activities from polluting stormwater
Y	Implementation of the BASMAA Mobile Surface Cleaner Program BMPs
Comments: none	

**C.2.c. ► Bridge and Structure Maintenance and Graffiti Removal**

Place a **Y** in the boxes next to activities where applicable BMPs were implemented. If not applicable, type **NA** in the box and provide an explanation in the comments section below. Place an **N** in the boxes next to activities where applicable BMPs were not implemented for one or more of these activities during the reporting fiscal year, then in the comments section below provide an explanation of when BMPs were not implemented and the corrective actions taken.

Y	Control of discharges from bridge and structural maintenance activities directly over water or into storm drains
Y	Control of discharges from graffiti removal activities
Y	Proper disposal for wastes generated from bridge and structure maintenance and graffiti removal activities
Y	Implementation of the BASMAA Mobile Surface Cleaner Program BMPs for graffiti removal
Y	Employee training on proper capture and disposal methods for wastes generated from bridge and structural maintenance and graffiti removal activities.
Y	Contract specifications requiring proper capture and disposal methods for wastes generated from bridge and structural maintenance and graffiti removal activities.
Comments: none	

**C.2.d. ► Stormwater Pump Stations**

Does your municipality own stormwater pump stations:  Yes  No

If your answer is **No** then skip to C.2.e.

Complete the following table for dry weather DO monitoring and inspection data for pump stations<sup>1</sup> (add more rows for additional pump stations). If a pump station is exempt from DO monitoring, explain why it is exempt.

Pump Station Name and Location	First inspection Dry Weather DO Data		Second inspection Dry Weather DO Data	
	Date	mg/L	Date	mg/L
Lakeside Pump Station/ 3298 Lakeside Dr.	9/4/13	6.33	9/25/13	6.11
Freedom Circle Pump Station/ 3905 Freedom Circle	9/4/13	3.07	9/25/14	4.64
Lake Santa Clara Pump Station/ 4268 Lake Santa Clara	9/4/13	4.1	9/25/14	5.71
Rambo Pump Station/ 4526 Lakeshore	9/4/13	4.9	9/25/13	6.8
Gianera Pump Station/ 2337 Gianera St	9/4/13	6.69	9/25/13	8.59
Golf Course/ 5185 Stars & Stripes	9/4/13	5.82	9/25/13	6.01
Westside Retention Basin/ 2900 Old Mountain View Alviso Rd.	9/4/13	7.53	9/25/13	4.13
Eastside Retention Basin/ 5611 Lafayette St.	9/4/13	3.62	9/25/13	7.93
Fairway Glenn/ 4751 Lick Mill Blvd.	9/4/13	6.92	9/25/13	6.49
Lickmill/ 449 Montigue Expwy	9/4/13	6.79	9/25/13	4.71
Victor Nelo/ 3575 Victor st.	9/4/13	6.24	9/25/13	5.69
Laurelwood/ 3401 Victor St.	9/4/13	7.15	9/25/13	6.16

Summarize corrective actions as needed for DO monitoring at or below 3 mg/L. Attach inspection records of additional DO monitoring for corrective actions:

All test results were above minimum requirements.

Summary:

Trash racks are maintained regularly and in an event that DO levels are low, pump stations will be pumped out and cleaned. Pump station wet wells are inspected at least once per year and are cleaned, as necessary.

<sup>1</sup> DO monitoring is exempted where all discharge from a pump station remains in a stormwater collection system or infiltrates into a dry creek immediately downstream.

Complete the following table for wet weather inspection data for pump stations (add more rows for additional pump stations):

Pump Station Name and Location	Date (2x/year required)	Presence of Trash (Cubic Yards)	Presence of Odor (Yes or No)	Presence of Color (Yes or No)	Presence of Turbidity (Yes or No)	Presence of Floating Hydrocarbons (Yes or No)
Lakeside Pump Station/ 3298 Lakeside Drive	2/10/14	4	No	No	No	No
Lakeside Pump Station/ 3298 Lakeside Drive	2/27/14	4	Yes	Yes	No	No
Freedom Circle Pump Station/ 3905 Freedom Circle	2/10/14	1	No	No	No	No
Freedom Circle Pump Station/ 3905 Freedom Circle	2/27/14	1	No	No	No	No
Lake Santa Clara Pump Station/ 4268 Lake Santa Clara	2/10/14	3	No	No	No	No
Lake Santa Clara Pump Station/ 4268 Lake Santa Clara	2/27/14	3.5	No	No	No	No
Rambo Pump Station/ 4526 Lakeshore	2/10/14	4	No	Yes	No	No
Rambo Pump Station/ 4526 Lakeshore	2/27/14	4	No	No	No	No
Gianera Pump Station/ 2337 Gianera Street	2/10/14	1.5	No	No	No	No
Gianera Pump Station/ 2337 Gianera Street	2/27/14	3	No	No	No	No
Golf Course/ 5185 Stars & Stripes	2/10/14	No	No	Yes	No	No
Golf Course/ 5185 Stars & Stripes	2/27/14	1	No	Yes	Yes	No
Westside Retention Basin/ 2900 Old Mountain View Alviso Road	2/10/14	No	No	Yes	No	No
Westside Retention Basin/ 2900 Old Mountain View Alviso Road	2/27/14	No	No	No	No	No
Eastside Retention Basin/ 5611 Lafayette Street	2/10/14	No	No	Yes	Yes	No

C.2.e. ► Rural Public Works Construction and Maintenance			
Does your municipality own/maintain rural <sup>2</sup> roads:		<input type="checkbox"/>	Yes
		<input checked="" type="checkbox"/>	No
If your answer is <b>No</b> then skip to C.2.f.			
Place a <b>Y</b> in the boxes next to activities where applicable BMPs were implemented. If not applicable, type <b>NA</b> in the box and provide an explanation in the comments section below. Place an <b>N</b> in the boxes next to activities where applicable BMPs were not implemented for one or more of these activities during the reporting fiscal year, then in the comments section below provide an explanation of when BMPs were not implemented and the corrective actions taken.			
<input type="checkbox"/>	Control of road-related erosion and sediment transport from road design, construction, maintenance, and repairs in rural areas		
<input type="checkbox"/>	Identification and prioritization of rural road maintenance based on soil erosion potential, slope steepness, and stream habitat resources		
<input type="checkbox"/>	No impact to creek functions including migratory fish passage during construction of roads and culverts		
<input type="checkbox"/>	Inspection of rural roads for structural integrity and prevention of impact on water quality		
<input type="checkbox"/>	Maintenance of rural roads adjacent to streams and riparian habitat to reduce erosion, replace damaging shotgun culverts and excessive erosion		
<input type="checkbox"/>	Re-grading of unpaved rural roads to slope outward where consistent with road engineering safety standards, and installation of water bars as appropriate		
<input type="checkbox"/>	Inclusion of measures to reduce erosion, provide fish passage, and maintain natural stream geomorphology when replacing culverts or design of new culverts or bridge crossings		
Comments including listing increased maintenance in priority areas:			

<sup>2</sup> Rural means any watershed or portion thereof that is developed with large lot home-sites, such as one acre or larger, or with primarily agricultural, grazing or open space uses.

<b>C.2.f. ► Corporation Yard BMP Implementation</b>			
Place an <b>X</b> in the boxes below that apply to your corporations yard(s):			
<input type="checkbox"/>	We do not have a corporation yard		
<input type="checkbox"/>	Our corporation yard is a filed NOI facility and regulated by the California State Industrial Stormwater NPDES General Permit		
<input checked="" type="checkbox"/>	We have a <b>Stormwater Pollution Prevention Plan (SWPPP)</b> for the Corporation Yard(s)		
Place an <b>X</b> in the boxes below next to implemented SWPPP BMPs to indicate that these BMPs were implemented in applicable instances. If not applicable, type <b>NA</b> in the box. If one or more of the BMPs were not adequately implemented during the reporting fiscal year then indicate so and explain in the comments section below:			
<input checked="" type="checkbox"/>	Control of pollutant discharges to storm drains such as wash waters from cleaning vehicles and equipment		
<input checked="" type="checkbox"/>	Routine inspection prior to the rainy seasons of corporation yard(s) to ensure non-stormwater discharges have not entered the storm drain system		
<input checked="" type="checkbox"/>	Containment of all vehicle and equipment wash areas through plumbing to sanitary or another collection method		
<input checked="" type="checkbox"/>	Use of dry cleanup methods when cleaning debris and spills from corporation yard(s) or collection of all wash water and disposing of wash water to sanitary or other location where it does not impact surface or groundwater when wet cleanup methods are used		
<input checked="" type="checkbox"/>	Cover and/or berm outdoor storage areas containing waste pollutants		
Comments: none			
If you have a corporation yard(s) that is not an NOI facility, complete the following table for inspection results for your corporation yard(s) or attach a summary including the following information:			
Corporation Yard Name	Inspection Date (1x/year required)	Inspection Findings/Results	Follow-up Actions
City of Santa Clara Parks Department Corporation Yard	7/31/13	Needed to update SWPPP names and Hazardous Material Business Plan. No site violations found.	Parks Department e-mailed the revised documents by 8/1/14
City of Santa Clara Water/Sewer/Electric Corporation Yard	7/11/13	No violations found	None
City of Santa Clara Street Corporation Yard	7/11/13	No violations found	None

Section 3 - Provision C.3 Reporting New Development and Redevelopment

**C.3.b.v.(2)(a) ► Green Streets Status Report**

(All projects to be completed by December 1, 2014)

On an annual basis (if applicable), report on the status of any pilot green street projects within your jurisdiction. For each completed project, report the capital costs, operation and maintenance costs, legal and procedural arrangements in place to address operation and maintenance and its associated costs, and the sustainable landscape measures incorporated in the project including, if relevant, the score from the Bay-Friendly Landscape Scorecard.

Summary:

The City of Santa Clara does not have any pilot green street projects.

The C.3 New Development and Redevelopment section of the Program’s FY 13-14 Annual Report includes a description of program and regional activities.

**C.3.b.v.(1) ► Regulated Projects Reporting**

Fill in attached table **C.3.b.v.(1)** or attach your own table including the same information.  
 See attached C.3.b.v.(1) table of regulated projects approved during FY 13-14.

**C.3.e.v. ► Alternative or In-Lieu Compliance with Provision C.3.c.**

(For FY 11-12 Annual Report and each Annual Report thereafter)

Is your agency choosing to require 100% LID treatment onsite for all Regulated Projects and not allow alternative compliance under Provision C.3.e.?

	Yes	X	No
--	-----	---	----

Comments (optional):

None

**C.3.e.vi ► Special Projects Reporting**

1. Has your agency received, but not yet granted final discretionary approval of, a development permit application for a project that has been identified as a potential Special Project based on criteria listed in MRP Provision C.3.e.ii(2) for any of the three categories of Special Projects (Categories A, B or C)?	X	Yes		No
2. Has your agency granted final discretionary approval of a project identified as a Special Project in the March 15, 2014 report? If yes, include the project in both the C.3.b.v.(1) Table, and the C.3.e.vi. Table.	X	Yes		No
<p>If you answered "Yes" to either question,</p> <p>1) Complete Table C.3.e.vi . below.</p> <p>2) Attach narrative discussion of 100% LID Feasibility or Infeasibility for each project.</p> <p>See Table C.3.e.vi</p>				

**C.3.h.iv. ► Installed Stormwater Treatment Systems Operation and Maintenance Verification Inspection Program Reporting**

(1) Fill in attached table C.3.h.iv.(1) or attach your own table including the same information.
(2) On an annual basis, provide a discussion of the inspection findings for the year and any common problems encountered with various types of treatment systems and/or HM controls. This discussion should include a general comparison to the inspection findings from the previous year.
<p>Summary:</p> <p>For FY 2013-14, 100% of all stormwater treatment systems were inspected and all treatment device owners/maintenance staff were notified prior to December 31<sup>st</sup> to submit inspection reports per individual O&amp;M agreements. Reporting on time per the O&amp;M agreement schedule is the number one problem encountered. Each site that failed to submit reports on time, or on schedule, received either a notice of violation or a pre-citation notice. The issuances of the theses notices will hopefully incentivize reporting on time and on-schedule for the next fiscal year. Failure to comply with agreement conditions will result in increased enforcement actions.</p>
(3) On an annual basis, provide a discussion of the effectiveness of the O&M Program and any proposed changes to improve the O&M Program (e.g., changes in prioritization plan or frequency of O&M inspections, other changes to improve effectiveness program).
<p>Summary:</p> <p>In terms of the effectiveness of the O&amp;M program, owners and maintenance staff have been made aware that increased enforcement action will be taken if the sites continue to fail to submit inspection reports on time per their O&amp;M agreements. The City again intends to inspect 100% of all active stormwater treatment facilities in FY 2014-15.</p>

<b>(4)</b> During the reporting year, did your agency:						
• Inspect all newly installed stormwater treatment systems and HM controls within 45 days of installation?	x	Yes		No		Not applicable. No new facilities were installed.
• Inspect at least 20 percent of the total number of installed stormwater treatment systems or HM controls? <sup>3</sup>	x	Yes		No		Not applicable. No treatment measures
• Inspect at least 20 percent of the total number of installed vault-based systems?	x	Yes		No		Not applicable. No vault systems.
If you answered "No" to any of the questions above, please explain:						

**C.3.i. ► Required Site Design Measures for Small Projects and Detached Single Family Home Projects**

On an annual basis, discuss the implementation of the requirements of Provision C.3.i, including ordinance revisions, permit conditions, development of standard specifications and/or guidance materials, and staff training.

Summary:

BASMAA prepared standard specifications in four fact sheets regarding the site design measures listed in Provision C.3.i, as a resource for Permittees. We have modified local ordinances/policies/procedures and forms/checklists to require all applicable projects approved after December 1, 2012 to implement at least one of the site design measures listed in Provision C.3.i.

<sup>3</sup> If there is only 1 treatment measure in the jurisdiction, the agency must inspect it every year.

**C.3.b.v.(1) ► Regulated Projects Reporting Table (part 1) – Projects Approved During the Fiscal Year Reporting Period**

Project Name Project No.	Project Location <sup>10</sup> , Street Address	Name of Developer	Project Phase No. <sup>11</sup>	Project Type & Description <sup>12</sup>	Project Watershed <sup>13</sup>	Total Site Area (Acres)	Total Area of Land Disturbed (Acres)	Total New Impervious Surface Area (ft <sup>2</sup> ) <sup>14</sup>	Total Replaced Impervious Surface Area (ft <sup>2</sup> ) <sup>15</sup>	Total Pre-Project Impervious Surface Area <sup>16</sup> (ft <sup>2</sup> )	Total Post-Project Impervious Surface Area <sup>17</sup> (ft <sup>2</sup> )
<b>Private Projects</b>											
5440 Patrick Henry Drive Henry Drive APN# 104-50-016	5440 Patrick Henry Drive Cross Street: Old Mountain View- Alviso Road	Foster Enterprises	1 of 1	Type: Commercial Redevelopment Description: Interior remodel of 185,000 square foot single story office building with reconfiguration of existing parking lot and exterior flatwork. <sup>47</sup> Date that a planning application for the Special Project was submitted.

<sup>48</sup> Indicate whether final discretionary approval is still pending or has been granted, and provide the date or version of the project plans upon which reporting is based.

<sup>49</sup> Type of project (commercial, mixed-use, residential), number of floors, number of units, type of parking, and other relevant information.

<sup>50</sup> For each applicable Special Project Category, list the specific criteria applied to determine applicability. For each non-applicable Special Project Category, indicate n/a.

<sup>51</sup> For each applicable Special Project Category, state the maximum total LID Treatment Reduction Credit available. For Category C Special Projects also list the individual Location, Density, and Minimized Surface Parking Credits available.

<sup>52</sup> List all LID stormwater treatment systems proposed. For each type, indicate the percentage of the total amount of runoff identified in Provision C.3.d. for the Special Project's drainage area.

<sup>53</sup> List all non-LID stormwater treatment systems proposed. For each type of non-LID treatment system, indicate: (1) the percentage of the total amount of runoff identified in Provision C.3.d. for the Special Project's drainage area, and (2) whether the treatment system either meets minimum design criteria published by a government agency or received certification issued by a government agency, and reference the applicable criteria or certification.

FY 2013-14 Annual Report  
City of Santa Clara

Project - 2611-2655 El Camino Real

**1. Feasibility/Infeasibility of Onsite Infiltration, Evapotranspiration, and Harvesting/Use**

The SCVURPPP Infiltration/harvesting and use feasibility screening worksheet was completed for the project. The results of this analysis showed that it was infeasible to treat the C.3.d amount of runoff with infiltration and/or harvesting and use. Due to high clay content and poor infiltration rates of the native soils, infiltration-based treatment solutions are not feasible for this project. Capture and re-use of runoff for irrigation or toilet flushing is also infeasible due to insufficient irrigation demand onsite, site constraints (lack of available space for cisterns or storage tanks, utility conflicts), and potential conflicts with building and plumbing codes.

**2. Feasibility/Infeasibility of Onsite LID Treatment**

The proposed project was reviewed to evaluate the possibility of providing 100% LID treatment. The results of this review showed that it was feasible to treat approximately 69% of the C.3.d amount of runoff with LID treatment. The project qualifies for 35% non-LID treatment credit, and approximately 31% of the runoff will be treated with media filters. The findings of this review are presented below:

The project site was reviewed with regard to the feasibility and infeasibility of LID onsite treatment. The findings of this review are presented below.

- a. **On-site Drainage Conditions.** The site is relatively flat. The project area is divided into drainage areas that flow into bioretention areas, flow-through planters and a media filter. Additional details are provided below.
- b. **Self-treating and Self-Retaining Areas and LID Treatment Measures.** The project includes bioretention areas and raised planters for providing LID treatment, and a self-retaining area. The project has been designed to reduce impervious surface area to the greatest extent feasible by incorporating containerized landscaping on the exposed podium deck areas, and ground level plantings around the perimeter of the project. Pervious paving is also used at the project entrance driveway from El Camino Real, and for the emergency vehicle access way along the back side of the project.
- c. **Maximizing Flow to LID Features and Facilities.** Runoff from a portion of the building roofs will be treated using flow-through planters, which will be located adjacent to the outside-facing building exteriors. Roof leaders will discharge the runoff to these planters directly. Biotreatment cells are located at the northeast and northwest corners of the project site, adjacent to paved parking and driveway areas. Runoff from these paved surfaces will flow overland to these treatment facilities. Underdrain pipes within the biotreatment cells convey the treated water to the storm drain running along the northern boundary of the site. All of the proposed flow-through planters and biotreatment cells have been sized in conformance with flow and volume sizing method described in the SCVURPPP C.3 Handbook. The proposed plan maximizes the capture and treatment of runoff from the most pollutant-generating impervious surfaces (roofs, parking lots and driveways), using available landscape areas and gravity flow.
- d. **Constraints to Providing On-site LID.** Opportunities for the use of LID treatment controls are very limited for runoff generated by smaller areas of building roof and podium deck. Exposed impervious surfaces on the podium decks cannot be designed to drain via overland flow to landscaping, which is mostly containerized. Non-LID treatment controls proposed for these areas consist of a single 48-inch manhole fitted with disposable media filter modules. The number of modules proposed to be configured in the manhole has been determined using numeric sizing calculations, consistent with the C.3 provisions of the Municipal Regional Permit. It will be located near the northeast corner of the site, where it can be easily connected to the storm drain running along the northern boundary of the site.

**3. Feasibility/Infeasibility of Off-Site LID Treatment.**

The possibility of providing off-site LID treatment was found to be infeasible for the following reasons.

- i. The project proponent did not propose to use another site within the same watershed of the project that can accommodate in perpetuity off-site biotreatment facilities adequately sized to treat the runoff volume of this project.
- ii. A regional stormwater mitigation program is not available at this time for the project to use in-lieu C.3 compliance

FY 2013-14 Annual Report  
City of Santa Clara

**Project: Downtown Gateway, 1313 Franklin Street**

The narrative discussion of LID feasibility/infeasibility cannot not be completed for this potential Special Project because the stormwater treatment plan has not yet been finalized.

**Project: 3515 – 3585 Monroe Street**

**1. Feasibility/Infeasibility of Onsite Infiltration, Evapotranspiration, and Harvesting/Use**

The SCVURPPP Infiltration/harvesting and use feasibility screening worksheet was completed for the project. The results of this analysis showed that it was infeasible to treat the C.3.d amount of runoff with infiltration and/or harvesting and use. Due to high clay content and poor infiltration rates of the native soils, infiltration-based treatment solutions are not feasible for this project. Capture and re-use of runoff for irrigation or toilet flushing is also infeasible due to insufficient irrigation demand onsite, and site constraints (lack of available space for cisterns or storage tanks, utility conflicts).

**2. Feasibility/Infeasibility of Onsite LID Treatment**

The proposed project was reviewed to evaluate the possibility of providing 100% LID treatment. The results of this review showed that it was feasible to treat approximately 34% of the C.3.d amount of runoff with LID treatment. The project qualifies for 70% non-LID treatment credit, and approximately 66% of the runoff will be treated with media filters. The findings of this review are presented below:

The project site was reviewed with regard to the feasibility and infeasibility of LID onsite treatment. The findings of this review are presented below.

- e. **On-site Drainage Conditions.** The site is relatively flat. The project area is divided into drainage areas that flow into flow-through planters and media filters. Additional details are provided below.
- f. **Self-treating and Self-Retaining Areas and LID Treatment Measures.** The project includes flow-through planters for providing LID treatment, and a self-retaining area.
- g. **Maximizing Flow to LID Features and Facilities.** Above grade planters are provided at the exterior of the building on two sides to maximize the amount of roof area draining to LID treatment structures. Building drainage is directed away from French Street to maximize the amount of roof area draining to LID treatment. To the maximum extent possible, asphalt parking areas are directed to in-grade flow through planters. Due to the flatness of the site, it is not possible to get sheet flow of all asphalt areas to an LID treatment device.
- h. **Constraints to Providing On-site LID.**

The project was developed as a transit- oriented, high-density development that allows minimal remaining area for landscaping and open space. A large portion of the landscaping areas consisted of required traditional landscaping and trees to provide screening from neighboring parcels. In addition, utility and safety services for the project encumber a large portion of the project area with restrictions against the installation of LID features (including a 10' wide SVP easement, transformers, fire access lane, sewer and water service utilities). By maximizing the opportunity for LID treatment, the project exceeds the 30% minimum requirement it qualifies for by treating 34% of the impervious area through LID flow through planters.

**3. Feasibility/Infeasibility of Off-Site LID Treatment.**

The possibility of providing off-site LID treatment was found to be infeasible for the following reasons.

- iii. The project proponent does not own another site within the same watershed of the project that can accommodate in perpetuity off-site biotreatment facilities adequately sized to treat the runoff volume of this project.
- iv. A regional stormwater mitigation program is not available at this time for the project to use in-lieu C.3 compliance

Section 4 – Provision C.4 Industrial and Commercial Site Controls

**Program Highlights**

Provide background information, highlights, trends, etc.

The Business Inspection Plan has been updated for FY 2014-15. The following types of businesses are scheduled to be inspected in FY 2014-15:

**FY 14/15-** All Tier 1 and Tier 2 facilities, and the following Tier 3 facilities:

- vehicle mechanical repair, maintenance, fueling, and cleaning shops (includes auto rental, auto body & paint, auto dealers, and shuttle/limo service)
- outdoor stadiums (Levi's, Buck Shaw, Steve Schott Baseball Stadiums)
- private universities
- delivery moving services
- non-NOI vehicle salvage yards
- non-NOI local transit/hauling facilities
- non-NOI metal and other recycled materials collection facilities and waste transfer facilities.

For a description of Tier 1, 2 and 3 facilities see the **City of Santa Clara Industrial/Commercial Business Inspection Plan** at the end of this section.

An As-Needed Code Enforcement Technician will continue to work this year to conduct IND/COM inspections to meet our Business Inspection Plan.

See the C.4. Industrial and Commercial Site Controls section of the Program's FY 13-14 Annual Report for a description of program and/or regional activities.

**C.4.b.i. ► Business Inspection Plan**

Do you have a Business Inspection Plan?  Yes  No

If No, explain:

**C.4.b.iii.(1) ► Potential Facilities List**

List below or attach your list of industrial and commercial facilities in your Inspection Plan to inspect that could reasonably be considered to cause or contribute to pollution of stormwater runoff.

See **Appendix C.4.b.iii.(1) – Potential Facilities List**

**C.4.b.iii.(2) ► Facilities Scheduled for Inspection**

List below or attach your list of facilities scheduled for inspection during the current fiscal year.

See **Appendix C.4.b.iii.(2) – Facilities Scheduled for Inspection in FY 2014-15** for a current list of all facilities to be inspected during FY 2014-15.

**C.4.c.iii.(1) ► Facility Inspections**

Fill out the following table or attach a summary of the following information. Indicate your violation reporting methodology below.

	Permittee reports multiple discrete violations on a site as one violation.
--	--

x	Permittee reports the total number of discrete violations on each site.
---	---

	Number	Percent
Number of businesses inspected	1,101	
Total number of inspections conducted	1,298	
Number of violations (excluding verbal warnings)	283	
Sites inspected in violation	160	15%
Violations resolved within 10 working days or otherwise deemed resolved in a longer but still timely manner	141	88%

Comments:  
 1) Each violation during a site inspection is counted as an individual violation. The site is re-inspected and inspected the following FY as a Tier 2.  
 2) Sites that still have open violations will be inspected in FY 2014-15. Violations that were not resolved in a timely manner had increased enforcement action and will be re-inspected in FY 2014-15 and categorized as a Tier 2 facilities.

**C.4.c.iii.(2) ► Frequency and Types/Categories of Violations Observed**

Fill out the following table or attach a summary of the following information.

Type/Category of Violations Observed	Number of Violations
Actual discharge (e.g. active non-stormwater discharge or clear evidence of a recent discharge)	0
Potential discharge and other	282
Comments: All Industrial/Commercial violations were potential discharges. Any facility that had an IDDE event will be noted in the C5 section of the Annual Report and inspected in FY 2014-15.	

**C.4.c.iii.(2) ► Frequency and Type of Enforcement Conducted**

Fill out the following table or attach a summary of the following information.

	Enforcement Action (as listed in ERP) <sup>48</sup>	Number of Enforcement Actions Taken	% of Enforcement Actions Taken <sup>49</sup>
Level 1	Violation Notice	134	84%
Level 2	Pre-Citation Notice	25	16%
Level 3	Administrative Citation	1	1%
Level 4	Referral	0	0%
<b>Total</b>		160	100%

**C.4.c.iii.(3) ► Types of Violations Noted by Business Category**

Fill out the following table or attach a summary of the following information.

Business Category <sup>50</sup>	Number of Actual Discharge Violations	Number of Potential/Other Discharge Violations
#2 Food Facilities	0	8
#5 Cleaning Services	0	3
#7 Machine Shops	0	169

<sup>48</sup> Agencies to list specific enforcement actions as defined in their ERPs.

<sup>49</sup> Percentage calculated as number of each type of enforcement action divided by the total number of enforcement actions.

<sup>50</sup> List your Program's standard business categories.

#8 Metal Manufacturing	0	9
#9 Electric/Electric Components	0	22
#10 Construction/Building	0	17
#11 Local Transit/Highway Transport	0	6
#12 Recycling Yards	0	5
#13 Auto Dismantlers	0	9
#14 Concrete/Clay/Stone Products	0	2
#15 Corporation Yards	0	3
#17 Other	0	10

**C.4.c.iii.(4) ► Non-Filers**

List below or attach a list of the facilities required to have coverage under the Industrial General Permit but have not filed for coverage:

There were no industries identified as non-filers during scheduled inspections during this fiscal year.

**C.4.d.iii ► Staff Training Summary**

Training Name	Training Dates	Topics Covered	No. of Inspectors in Attendance	Percent of Inspectors in Attendance
SCVURPPP IND/COM Inspector Workshop	May 20, 2014	Stormwater permitting basics; the newly adopted Industrial General Permit; tips for conduction inspections and field scenarios.	2	100%

City of Santa Clara  
Industrial/Commercial Business Inspection Plan  
(Updated For FY14/15)

**Introduction**

This industrial and commercial Business Inspection Plan (BIP) is the mechanism the City of Santa Clara implements to comply with section C.4 Industrial and Commercial Site Controls of the Municipal Regional Permit (MRP) Order No. R2-2009-0074. This Plan is a written inspection plan to outline specific steps the City of Santa Clara will take to conduct an effective facility stormwater inspection of industrial/commercial sites within the City of Santa Clara jurisdiction, based on the potential for pollutant exposure. This Plan satisfies section C.4.b of the MRP and is updated annually to reflect current facilities and inspection schedules.

**Implementation Level**

The MRP lists the following functional aspects of businesses that may produce pollutants when exposed to stormwater as part of the criteria for developing the Inspection List:

1. Outdoor process and manufacturing areas;
2. Outdoor material storage areas;
3. Outdoor waste storage and disposal areas;
4. Outdoor vehicle and equipment storage and maintenance areas;
5. Outdoor wash areas;
6. Outdoor drainage from indoor areas;
7. Rooftop equipment; and
8. Other sources determined by the city or Water Board to have a reasonable potential to contribute to pollution of stormwater runoff.

The MRP requires that the Inspection Plan be used to maintain an Inspection List of industrial and commercial businesses “that could reasonably be considered to cause or contribute to pollution of stormwater runoff” (Provision C.4.b.ii). In particular, the MRP lists the following types of businesses as needing to be inspected if they “have a reasonable likelihood to be sources of pollutants to stormwater and non-stormwater discharges:” (Provision C.4.b.ii (2)).

1. Industrial facilities, as defined in 40 CFR 122.26(b) (14), including those subject to the State General NPDES Permit for Stormwater Discharges Associated with Industrial Activity;
2. Vehicle salvage yards;
3. Metal and other recycled material collection facilities, waste transfer facilities;
4. Vehicle mechanical repair, maintenance, fueling, or cleaning;
5. Building trades central facilities or yards, corporation yards, nurseries, and greenhouses;
6. Building material retailers and storage;
7. Plastic manufacturers; and
8. Other facilities designated by the city or Water Board as having a reasonable potential to contribute to pollution of stormwater runoff. The City considers restaurant, machine/sheet metal shops, amusement parks, outdoor stadiums, and photographic, dry cleaners, painting and

paint retail stores as having the potential to contribute to stormwater pollution and have added these businesses to our list of Tier 3 facilities (see below for description of Tier 3 facilities).

#### **Prioritization of Facilities and Inspection Frequency**

##### **Tier 1 (inspected annually):**

Tier 1 inspections are conducted annually and consist of Industrial Permit/NOI Filers. The List of active permit holders is generated using the RWQCB active permit holders website. Exhibit 3 of the BIP is the list of current NOI filers. This is updated annually by checking the State Water Board website at <http://smarts.waterboards.ca.gov>.

##### **Tier 2 (inspected the year after any of the scenarios listed below occur):**

A Tier 2 designation is an acceleration of inspection frequency of all non-NOI filing facilities that have been deemed by Staff to have enhanced potential of a stormwater pollution related incident based on recent enforcement actions. A non-NOI filing facility that has been issued a notice of violation, pre-citation notice, or administrative citation for BMP violations is given a Tier 2 designation. A non-NOI filing facility that is issued an administrative citation for illegal discharge or any enforcement action for evidence of a historical pollutant discharge also receives a Tier 2 designation. All Tier 2 facilities are placed on the inspection schedule for the following fiscal year, even if their business type is not slated for inspection. If no violations are observed following the subsequent year Tier 2 inspection, the facility will be reclassified as a Tier 3 facility and inspected on the same schedule as other like business types.

##### **Tier 3 (inspected at least once every five years):**

Tier 3 inspections are conducted on non-permitted industrial/commercial facilities at least once every five years. Tier 3 Inspection are grouped together by business type. Business activities that have the stormwater pollution potential as determined by staff are added into the Tier 3 classification. Staff uses the City's business license directory to generate current lists prior to commencing inspections on specific types of businesses. If a Failure to Follow BMP violation is found at a Tier 3 facility, a re-inspection is conducted after 10 business days to ensure it is corrected. If the violation is not corrected it moves this facility into the tier two category, which means it will be inspected the subsequent year.

#### **Industrial and Commercial Business Facilities to be Inspected**

The City of Santa Clara maintains a master list of commercial/industrial facilities requiring inspection. The master list is updated annually to include new facilities and delete facilities no longer in business. The FY 2013-14 Master List of Industrial/Commercial Facilities is attached as Exhibit 1 of the BIP, and is updated annually.

The City of Santa Clara schedules the types of businesses that will be inspected each year. Below is the planned inspection schedule (by facility type) through FY 2015-16.

**FY 14/15-** All Tier 1 and Tier 2 facilities, and the following Tier 3 facilities:

- All carry over from FY 13/14, All sites with violations (tier 2) in FY 13/14 and IDDE facilities. (total 437 facilities in these three categories)
  
- vehicle mechanical repair, maintenance, fueling, and cleaning shops (includes auto rental, auto body & paint, auto dealers, and shuttle/limo service)
- outdoor stadiums (Levi's, Buck Shaw, Steve Schott Baseball Stadium)
- private universities

- delivery moving services
- non-NOI vehicle salvage yards
- non-NOI local transit/hauling facilities
- non-NOI metal and other recycled materials collection facilities and waste transfer facilities.

**See Appendix C.4.b.iii.(2) – Facilities Scheduled for Inspection in FY 2014-15**

- FY 15/16-** All Tier 1 and Tier 2 facilities, and the following Tier 3 facilities
- restaurants.

**Process for Updating BIP**

Each year, the City updates its list of Tier 1 facilities by checking the Water Board website list of Notice of Intent (NOI) filers and incorporating Tier 2 facilities into the annual inspection plan. City staff generates current lists of specific Tier 3 facilities by running queries through our Business License Database to ensure the list is current. The list is cross-checked by doing a Yellow Page search by business type to include businesses that may not have a business license. The updated lists of Tier 3 facilities are incorporated into the Master List of Industrial/Commercial Facilities.

**Types of Inspections**

Chapter 13.20 of the Santa Clara City Code (SCCC) regulates storm drains and discharges and authorizes enforcement remedies. In general, all stormwater inspections shall include, but not be limited to the following:

1. Prevention of stormwater runoff pollution or illicit discharge by implementing appropriate BMP's;
2. Visual observations for evidence of unauthorized discharges, illicit connections, and potential discharge of pollutants to stormwater;
3. Noncompliance with Section 13.20.030 – Discharge in the storm drain prohibited and Section 13.20.050 – Monitoring of discharge into the storm drain system and/or failure to implement BMP's if the SCCC; and
4. Verification of coverage under the Industrial General Permit, if applicable.

**Section 5 – Provision C.5 Illicit Discharge Detection and Elimination**

**Program Highlights**

Provide background information, highlights, trends, etc.

The City has implemented a collection system screening program, which combines inspections of catch basin inlets at the time of cleaning, pump station wetwells before and after every storm event, and outfalls into creeks.

The City participated in the Countywide IDDE Ad Hock Task Group. Refer to the C.5 Illicit Discharge Detection and Elimination section of the Countywide Programs FY 13-14 Annual Report for a description of activities at the countywide and regional level.

The City of Santa Clara Code Enforcement Technician provides yearly training the Parks Department Staff. Training for FY 13-14 was held on June 19, 2013. Thirty-one employees were trained on proper stormwater protection procedures, including what to look for and who to contact if there is a potential or actual stormwater violation.

**C.5.c.iii ► Complaint and Spill Response Phone Number and Spill Contact List**

List below or attach your complaint and spill response phone number and spill contact list.

Contact	Description	Phone Number
Elliot Wier (radio #417)	Code Enforcement Technician	408-857-8604 cell
Joe Luna (radio #414)	Street Maintenance Worker IV	408-410-2861 cell
Chris Foster (radio #412)	Street Maintenance Worker II	510-386-4853 cell
Cody Reed (radio #411)	Street Maintenance Worker I	831-345-2030
Josh Sladwick (radio #435)	Street Maintenance Worker II	831-609-6138 cell
Dave Staub (radio #405)	Deputy Director of Public Works	408-608-5029 cell
Communications Dispatch (after hours)	After Hours Dispatch Center	408-615-5580

**C.5.d.iii ► Evaluation of Mobile Business Program**

Describe implementation of minimum standards and BMPs for mobile businesses and your enforcement strategy. This may include participation in the BASMAA Mobile Surface Cleaners regional program or local activities.

Description:

The City of Santa Clara responds to mobile business illegal discharge issues on a complaint driven basis. When Inspectors respond to an IND/IDDE event involving a mobile business it is noted in the IND/IDDE spreadsheet. BMPs are provided to mobile businesses, as applicable. If the mobile business is in the City limits they will be placed in the Tier 2 category in the IND/COM inspection plan for the following year. The City of Santa Clara follows the BMPs recommended by the BASMAA Mobile Surface Cleaner's Program regarding mobile surface cleaners when needed. City inspectors also attend IND/IDDE AHTG meetings specifically covering mobile businesses.

See the C.5 Illicit Discharge Detection and Elimination Section of the Program's FY 13-14 Annual Report for a description of efforts by the IND/IDDE AHTG and the BASMAA Municipal Operations committee to address mobile businesses.

**C.5.e.iii ► Evaluation of Collection System Screening Program**

Provide a summary or attach a summary of your collection screening program, a summary of problems found during collection system screening and any changes to the screening program this FY.

Description:

The City routinely inspects all accessible outfalls at least once per year as part of our summer maintenance program. Crews verify that outfalls are clear of debris, check to make sure that valves and flap gates are in proper working order, and look for evidence of illegal dumping. The City inspects and cleans all municipal catch basins twice per year. Pumpstation wetwells are also checked on a regular basis to ensure that there is no evidence of illegal dumping/discharge.

See **Appendix C.5.e.iii – Outfall Inspection Reports**

**C.5.f.iii.(1), (2), (3) ► Spill and Discharge Complaint Tracking**

Spill and Discharge Complaint Tracking (fill out the following table or include an attachment of the following information)		
	Number	Percentage
Discharges reported (C.5.f.iii.(1))	149	
Discharges reaching storm drains and/or receiving waters (C.5.f.iii.(2))	22	15%
Discharges resolved in a timely manner (C.5.f.iii.(3))	149	100%
Comments:  Code Enforcement Technicians respond to IDDE events as soon as complaints are received or Inspectors see a discharge event. If no responsible party is found the City will provide cleanup. If a discharge enters receiving waters the Office of Emergency Services is notified, cleanup effort is started immediately and an investigation/enforcement of a responsible party is started. All information is recorded on an IDDE spreadsheet and reported. If no complaint is found in the field this is also noted and reported.		

**C.5.f.iii.(4) ► Summary of major types of discharges and complaints**

Provide a narrative or attach a table and/or graph.

Landscape material dumping had the highest number of violations due to residents failing to contain landscape material (dirt, rock, gravel, etc.) in required contractor bulk bags during the City’s Annual Clean Up Campaign. Citations were issued to everyone out of compliance.

See **Appendix C.5.f.iii.(4) – Summary of Major Types of Discharges and Complaints**

Section 6 – Provision C.6 Construction Site Controls

<b>C.6.e.iii.1.a, b, c ▶ Site/Inspection Totals</b>		
Number of High Priority Sites (sites disturbing < 1 acre of soil requiring storm water runoff quality inspection) (C.6.e.iii.1.a)	Number of sites disturbing ≥ 1 acre of soil (C.6.e.iii.1.b)	Total number of storm water runoff quality inspections conducted (include only High Priority Site and sites disturbing 1 acre or more) (C.6.e.iii.1.c)
1	20	141
Comments: None		

<b>C.6.e.iii.1.d ▶ Construction Activities Storm Water Violations</b>		
BMP Category	Number of Violations <sup>51</sup> excluding Verbal Warnings	% of Total Violations <sup>52</sup>
Erosion Control	2	3%
Run-on and Run-off Control	15	21%
Sediment Control	22	31%
Active Treatment Systems	3	4%
Good Site Management	15	21%
Non Stormwater Management	13	19%
<b>Total<sup>53</sup></b>	<b>70</b>	<b>99%*</b>

\*Two sites were tracked as illegal discharges see C.6.e.iii.1.f, g

<sup>51</sup> Count one violation in a category for each site and inspection regardless of how many violations/problems occurred in the BMP category. For example, if during one inspection at a site, there are 2 erosion control violations, only 1 violation would be counted for this table.

<sup>52</sup> Percentage calculated as number of violations in each category divided by total number of violations in all six categories.

<sup>53</sup> The total number of violations may count more than one violation per inspection, since some inspections may result in violations in more than one category. For example, during one inspection of a site, there may have been both an erosion control violation and a sediment control violation. For this reason, the total number of violations in this table may not match the total number of enforcement actions reported in Table C6.e.iii.1.e.

**C.6.e.iii.1.e ► Construction Related Storm Water Enforcement Actions**

	Enforcement Action (as listed in ERP) <sup>54</sup>	Number Enforcement Actions Issued	% Enforcement Actions Issued <sup>55</sup>
Level 1 <sup>56</sup>	Violation Notice	40	83%
Level 2	Pre-Citation Notice	6	13%
Level 3	Administrative Citation	2	4%
Level 4	Referral	0	0%
<b>Total</b>		<b>48</b>	<b>100%</b>

**C.6.e.iii.1.f, g ► Illicit Discharges**

	Number
Number of illicit discharges, actual and those inferred through evidence at high priority sites and sites that disturb 1 acre or more of land (C.6.e.iii.1.f)	2
Number of sites with discharges, actual and those inferred through evidence at high priority sites and sites that disturb 1 acre or more of land (C.6.e.iii.1.g)	2

<sup>54</sup> Agencies should list the specific enforcement actions as defined in their ERPs.

<sup>55</sup> Percentage calculated as number of each type of enforcement action divided by the total number of enforcement actions.

<sup>56</sup> For example, Enforcement Level 1 may be Verbal Warning.

<b>C.6.e.iii.1.h, i ► Violation Correction Times</b>		
	<b>Number</b>	<b>Percent</b>
<b>Violations (excluding verbal warnings) fully corrected within 10 business days after violations are discovered or otherwise considered corrected in a timely period (C.6.e.iii.1.h)</b>	70	100% <sup>57</sup>
<b>Violations (excluding verbal warnings) not fully corrected within 30 days after violations are discovered (C.6.e.iii.1.i)</b>	0	0% <sup>58</sup>
<b>Total number of violations (excluding verbal warnings) for the reporting year<sup>59</sup></b>	70	100%
<b>Comments:</b> All violations were fully corrected in a timely manner.		

<b>C.6.e.iii.(2) ► Evaluation of Inspection Data</b>
Describe your evaluation of the tracking data and data summaries and provide information on the evaluation results (e.g., data trends, typical BMP performance issues, comparisons to previous years, etc.).
<b>Description:</b> There were more projects this year as well as a lot of completed and new projects after the start of the rainy season. Sediment tracking and maintenance of stabilized entrance/exits were the main violations.

<sup>57</sup> Calculated as number of violations fully corrected in a timely period after the violations are discovered divided by the total number of violations for the reporting year.

<sup>58</sup> Calculated as number of violations not fully corrected within 30 days after the violations are discovered divided by the total number of violations for the reporting year.

<sup>59</sup> The total number of violations reported in the table of Violation Correction Times equals the number of initial enforcement actions. I.e., This assumes one violation is issued for several problems during an inspection at a site. The total number of violations in the table of Violation Correction Times may not equal the total number of enforcement actions because one violation issued at a site may have a second enforcement action for the same violation at the next inspection if it is not corrected.

**C.6.e.iii.(2) ► Evaluation of Inspection Program Effectiveness**

Describe what appear to be your program's strengths and weaknesses, and identify needed improvements, including education and outreach.

Description:

Inspectors inspect active construction sites monthly as well as update site lists using the SMARTS System for sites over an acre and through complaints for sites under an acre that are significant.

An additional Code Enforcement Technician was hired as needed which enabled staff to devote additional time to construction site inspections in FY 13-14. A full time Code Enforcement Technician position was approved for FY 14-15 which allow staff to devote more time to construction inspections.

Staff participated in the Program's Construction Inspection AHTG. Refer to the C.6 Construction Site Control section of the Program's FY 13-14 Annual Report for a description of program and regional activities.

<b>C.6.f ▶ Staff Training Summary</b>				
<b>Training Name</b>	<b>Training Dates</b>	<b>Topics Covered</b>	<b>No. of Inspectors in Attendance</b>	<b>Percent of Inspectors in Attendance</b>
SCVURPPP BMP Inspector Workshop "Improving Your Stormwater Treatment System Construction and O&M Inspections"	December 16, 2013	-Review of stormwater permit requirements -Overview of stormwater treatment measure type, design, and maintenance requirements -Key elements to inspect and common issues -Key elements to inspect at completed facilities -Data collection and management	2 <sup>1</sup>	100%
SCVURPPP Construction Site Stormwater Compliance: Training for Municipal Inspectors Workshop	April 22, 2014	-Effective stormwater BMPs for small and large construction projects -Selecting and maintaining BMPs during construction -Monitoring and reporting requirements -Post construction stormwater management techniques	2	100%
SCVURPPP Annual C.3 Stormwater Workshop "Current Trends in Low Impact Development and Green Street Implementation"	June 4, 2014	-Stormwater controls for development projects -Overview of new with stormwater requirements -Site design for protecting water quality -LID stormwater BMP installation	0 <sup>2</sup>	0%

<sup>1</sup> Although not stormwater inspectors, the following employees from the Engineering and Planning departments attended this workshop.

- Manuel Lane – Combination Inspector
- Jim Mazzone – Public Works Inspector
- Tim McMillian – Combination Inspector
- Jim Parissenti – Principal Engineer
- Pat Rose- Public Works Inspector
- Scott Xuong Thach – Senior Engineer
- Bill Tott- Senior Inspector

<sup>2</sup> Although not stormwater inspectors, the following employees from the Engineering and Planning departments attended this workshop.

Payal Bhagat – Assistant Planner II

Steve Le – Intern- Planning Department

Greg Quan- Intern – Planning Department

Pat Rose- Public Works Inspector

Gloria Sciara- Development Review Officer

Section 7 – Provision C.7. Public Information and Outreach

**C.7.b.ii.1 ► Advertising Campaign**

Summarize advertising efforts. Include details such as messages, creative developed, and outreach media used. The detailed advertising report may be included as an attachment. If advertising is being done by participation in a countywide or regional program, refer to the separate countywide or regional Annual Report.

Summary:

The following separate reports developed by SCVURPPP and BASMAA summarize countywide and regional advertising efforts conducted during FY 13-14:

- FY 13-14 Watershed Watch Campaign Annual Campaign Report
- FY 13-14 Watershed Watch Partner Report
- FY 13-14 Watershed Watch Web Statistics Report
- BASMAA Be the Street Campaign Report

These reports are included within the C.7 Public Information and Outreach section of Program's FY 13-14 Annual Report.

**C.7.b.iii.1 ► Pre-Campaign Survey**

*(For the Annual Report following the pre-campaign survey)* Summarize survey information such as sample size, type of survey (telephone survey, interviews etc.). Attach a survey report that includes the following information. If survey was done regionally, refer to a regional submittal that contains the following information:

Place an **X** in the appropriate box below:

	Survey report attached
X	Reference to regional submittal: Information on the pre-campaign survey for the BASMAA Regional Youth Litter Campaign was provided in the FY 11-12 Annual Report

**C.7.b.iii.2 ► Post-Campaign Survey**

(For the Annual Report following the post-campaign survey) Discuss the campaigns and the measureable changes in awareness and behavior achieved. Provide an update of outreach strategies based on the survey results. If survey was done regionally, refer to a regional submittal that contains the following information:  
 Place an **X** in the appropriate box below:

	Survey report attached
X	Reference to regional submittal: Information on the post-campaign survey for the BASMAA Regional Youth Litter Campaign is provided in the BASMAA FY 13-14 Annual Report. Information on the SCVURPPPP 2014 Public Opinion Survey is included in the Program’s FY 13-14 Annual Report.

**C.7.c ► Media Relations**

Summarize the media relations effort. Include the following details for each media pitch in the space below, AND/OR refer to a regional report that includes these details:

- Topic and content of pitch
- Medium (TV, radio, print, online)
- Date of publication/broadcast

Summary:  
 Local efforts include informational articles placed in the Mission City Scenes (utility bill insert) which is distributed monthly and Inside Santa Clara (City newspaper) which is distributed on a tri-yearly schedule.  
 Pertinent articles published in **Mission City Scenes** (circulation 50,000) included:

- Household Hazardous Waste Drop Off Day – proper disposal of hazardous waste (August 2013)
- Household Battery Curbside Recycling Program – (August 2013)
- Falling Leaves Clog Storm Drain – stormwater pollution prevention( September 2013)
- Environmental Days – Promote recycling, reuse and diversion of usable materials from the landfill– (August 2013)
- Annual Report/City Calendar – information on all City services/programs (November 2013)
- Extra Refuse Set-Outs for Residents – Proper disposal of refuse (December 2013)
- 72<sup>nd</sup> Annual Camellia Show – IPM information (January 2014)
- Single Stream Recycling Information – Proper disposal of recyclable materials, including dry cell batteries (February 2014)
- Environmental Days – Promote recycling, reuse and diversion of usable materials from the landfill (February 2014)
- Arbor Day/Earth Day – educational program promoting earth friendly practices (March 2014)
- Household Hazardous Waste Drop of Day – proper disposal of hazardous waste (March 2014)
- Web Site Information – information on all City services/program and links to outside agencies – (June 2014)
- City Wide Garage Sale – promoting city wide garage sales for reuse and waste diversion- (July 2014)

Pertinent articles published in **Inside Santa Clara** (circulation 54,000) include:

- City Wide Garage Sale – Reuse of usable goods, landfill diversion (Fall 2013 issue)
- Keep Storm Drains Free of Construction Waste – stormwater pollution prevention (Fall 2013)
- Proper Refuse Set Outs – stormwater pollution prevention (Fall 2013)
- Where to recycle- Information about recyclestuff.org (Fall 2013)
- Household Hazardous Waste Program – Proper Disposal of Hazardous Waste (Fall 2013)
- AB 341- Mandatory multi-family and commercial recycling (Fall 2013)
- Environmental Day - proper disposal of electronic and universal waste, clothing, large plastic toys and play structures, and confidential shredding/recycling of confidential material (Winter/Spring 2013-14)
- Clear Leaves to Protect Creeks from Storm Drain Pollution – Stormwater pollution prevention (Winter/Spring 2013-14)
- Household Hazardous Waste Drop-Off Day- Proper disposal of household hazardous waste (Winter/Spring 2013-14)
- Safely Dispose of Sharps – HHW event promotion – (Winter/Spring 2013-14)
- Basics about Curbside Recycling – Proper Disposal of Recyclable Materials (Winter/Spring 2013-14)
- Extra Garbage Collection – Proper set out of extra refuse during holiday season (Winter/Spring 2013-13)
- Environmental Day - proper disposal of electronic and universal waste, clothing, large plastic toys and play structures, and confidential shredding/recycling of confidential material (Summer 2014)
- Cleanup Campaign (Summer 2014)
- Household Hazardous Waste Drop-Off Day- Proper disposal of household hazardous waste (Summer 2014)
- Composting Class information- held within the City of Santa Clara (Summer 2014)
- Single Use Carry Out Bag and Expanded Polystyrene Foam Food Ware Bans (Summer 2014)
- 

The following separate report developed by BASMAA summarizes media relations efforts conducted during FY 13-14:

- BASMAA Media Relations Final Report FY 13-14

This report and any other media relations efforts conducted by the Program are included within the C.7 Public Information and Outreach section of the Program's FY 13-14 Annual Report.

#### **C.7.d ► Stormwater Point of Contact**

Summary of any changes made during FY 13-14:

During FY 13-14 Public Works Street Department web pages were updated. Web pages were redesigned to make them more user friendly and less text heavy. In addition, The Environment@santaclaraca.gov e-mail address was added for all environmental inquiries.

**C.7.e ► Public Outreach Events**

Program staff, the Watershed Watch consultant, and Co-permittees staffed eight outreach events in FY 13-14. Events were selected based upon target audience and attendance. Materials distributed at the events included the following: Less Toxic Pest Management fact sheets, "10 Most Wanted Backyard Bugs" brochures, "Don't Plant a Pest" brochure, "You are the Solution to Water Pollution" brochures, "Clean Cars & Clean Creeks" brochure, "Mercury in Fish" brochure, and giveaways (e.g. flyswatters, OWOW magnets, , and temporary tattoos). The flyswatters have the Watershed Watch website and hotline number and the words "The Original Earth-Friendly Pest Control" printed on them. The Campaign also continued using QR codes ("Quick Response" codes) in printed materials. These codes have URLs embedded in them and when scanned with smart phones direct users to specific webpages. This was targeted at people that are reluctant to collect paper materials and only want to look up information online. The bean bag game for children was used at most of the events. Event staff distributed approximately 3,000 outreach materials and giveaways.

Event Details	Description (messages, audience)	Evaluation of Effectiveness
Name: Pumpkins in the Park Date: October 12, 2013 Location: Guadalupe River Park/Discovery Meadow, San Jose Region: Countywide	Type of Event: Community fair Audience: Families with children Messages: Stormwater pollution prevention, less-toxic pest control, and proper disposal of HHW.	General Feedback: Good attendance with lots of children and families. This is a great event for educating families with small children. The bean bag game was very popular with the kids. Estimated Overall Event Attendance: 13,000-15,000 Number of Brochures/Flyers Distributed: 216 Number of Giveaways Distributed: 694 Number of Watershed Watch Discount Cards Distributed: 141 Number of kids that played the bean bag game: 299
Name: Haunt the Hollow Date: October 27, 2013 Location: Happy Hollow Park & Zoo at Kelley Park, San Jose Region: Countywide	Type of Event: Halloween Event Audience: Families with children Messages: Stormwater pollution prevention and proper disposal of HHW	General Feedback: The event is small but well attended. Event organizers encouraged attendees to participate in activities at each booth. As a result a lot of children stopped by the booth and played the bean bag game. Estimated Overall Event Attendance: 5,000 Number of Brochures/Flyers Distributed: 140 Number of Giveaways Distributed: 770 Number of Watershed Watch Discount Cards Distributed: 81 Number of kids that played the bean bag game: 342

<p>Name: Mission College Eco Fair Date: April 17, 2014 Location: Mission College Campus, Santa Clara Region: Citywide</p>	<p>Type of Event: College event Audience: Young adults, students Messages: Stormwater pollution prevention and proper disposal of HHW</p>	<p>General Feedback: The event was well organized and a good place to reach young adults. Estimated Overall Event Attendance: 500-1,000 Number of Brochures/Flyers Distributed: 87 Number of Giveaways Distributed: 89 Number of Watershed Watch Discount Cards Distributed: 45 Number of kids that played the bean bag game: 20</p>
<p>Name: San Jose Trash Summit Date: November 15, 2013 Location: San Jose Convention Center Region: Countywide</p>	<p>Type of Event: BE the Street event Audience: Municipal staff, non-profit organization staff, general public Messages: Litter Prevention</p>	<p>General Feedback: The event offered a good opportunity to reach municipal staff and general public interested in issues pertaining to litter prevention. The BASMAA Be the Street photo booth was used at this event and approximately 50 attendees posed for pictures. Estimated Overall Event Attendance: 500-1,000</p>
<p>Name: Watershed Watch "half-off" two hour Car Wash Event Date: May 21 2014 Location: Capitol Premier Car Wash, 735 Capitol Expressway Auto Mall, San Jose Region: Countywide</p>	<p>Type of Event: Car Wash Audience: Car wash customers Messages: Stormwater pollution prevention and proper car washing.</p>	<p>General Feedback: The event was well attended. It is an annual Watershed Watch event and offers a good opportunity to reach car wash customers. Estimated Overall Event Attendance: 50 car washes Number of Brochures/Flyers Distributed: 2 Number of Watershed Watch Discount Cards Distributed: 92</p>
<p>Name: Watershed Watch "half-off" two hour Car Wash Event Date: June 4, 2014 Location: Delta Queen Classic Car Wash, 981 E Hamilton Avenue, Campbell Region: Countywide</p>	<p>Type of Event: Car Wash Audience: Car wash customers Messages: Stormwater pollution prevention, proper car washing.</p>	<p>General Feedback: The event was well attended. It is an annual Watershed Watch event and offers a good opportunity to reach car wash customers. Estimated Overall Event Attendance: 100 car washes Number of Brochures/Flyers Distributed: 23 Number of Watershed Watch Discount Cards Distributed: 74</p>

<p>Name: Festival in the Park Date: June 7, 2013 Location: Hellyer County Park, San Jose Region: Countywide</p>	<p>Type of Event: Community Health Fair Audience: Families with children. Message: Stormwater pollution prevention, less-toxic pest control, and proper disposal of HHW.</p>	<p>General Feedback: Great attendance throughout the whole event. This event is great for reaching Spanish speaking segments of the population. Estimated Overall Event Attendance: 3,500-4,000 Number of Brochures/Flyers Distributed: 143 Number of Giveaways Distributed: 415 Number of Watershed Watch Discount Cards Distributed: 62 Number of kids that played the bean bag game: 155</p>
<p>Name: Watershed Watch "half-off" two hour Car Wash Event Date: June 11, 2014 Location: Robertsville Classic Car Wash, 5005 Almaden Exp., San Jose Region: Countywide</p>	<p>Type of Event: Car Wash Audience: Car wash customers Messages: Stormwater pollution prevention, proper car washing.</p>	<p>General Feedback: The event was well attended. It is an annual Watershed Watch event and offers a good opportunity to reach car wash customers. Estimated Overall Event Attendance: 100 car washes Number of Brochures/Flyers Distributed: 56 Number of Watershed Watch Discount Cards Distributed: 85</p>

**C.7.f. ► Watershed Stewardship Collaborative Efforts**

Summarize watershed stewardship collaborative efforts and/or refer to a regional report that provides details. Describe the level of effort and support given (e.g., funding only, active participation etc.). State efforts undertaken and the results of these efforts. If this activity is done regionally refer to a regional report.

Evaluate effectiveness by describing the following:

- Efforts undertaken
- Major accomplishments

Summary:

During FY 13-14, the Program actively supported the Santa Clara Basin Watershed Initiative, including the Land Use Subgroup, and the Santa Clara Valley Zero Litter Initiative. Information on these efforts is included within the C.7 Public Information and Outreach section of the Program's FY 13-14 Annual Report.

<b>C.7.g. ► Citizen Involvement Events</b>		
<p>The Program provided funding for the following citizen involvement events:</p> <ol style="list-style-type: none"> <li>1) National River Clean up Day – The Program supports the involvement of Santa Clara County citizens by providing advertising support for the National River Clean-up Day.</li> <li>2) Citizen involvement events at the Don Edwards San Francisco Bay Wildlife Refuge (Refuge) – A number of citizen involvement and stewardship programs are conducted as part of the Program funded Watershed Watchers Program at the Refuge. Participants usually work in the Refuge gardens planting native plants, pulling non-native plants, and mulching. More details are included in the Watershed Watchers Report in the Program Annual Report Appendix 7-8.</li> </ol>		
Event Details	Description	Evaluation of effectiveness
<p>Name: Summer of Service Program                      Date: 7/10/13, 7/25/13, 8/8/13, 6/25/14                      Location: Don Edwards Wildlife Refuge, Alviso                      Focus: Countywide</p>	<p>Partnership program between Santa Clara Valley youth groups and the Watershed Watchers program. Youth spend a day at the Refuge and they work in the gardens in the morning and explore the Refuge in the afternoon.</p>	<p>Number of attendees on 7/10/13: 10 middle school students, 1 high school student, and 2 adults.                      Number of attendees on 7/25/13: 11 middle school students, 1 high school student and 2 adults.                      Number of attendees on 8/8/13: 10 middle school students, 1 high school student and 2 adults.                      Number of attendees on 6/25/14: 16 middle school students, and 2 adults.</p>
<p>Name: Community Service Days/Gardening Without Chemicals                      Date: 11/23/13, 12/7/13, 2/8/14, 2/22/14, 3/15/14, 4/23/14, 5/13/14, 5/15/14, 5/20/14, 5/31/14                      Location: Don Edwards Wildlife Refuge, Alviso                      Focus: Countywide</p>	<p>This is an open day for the corporate groups, schools groups or the general public to work in the gardens planting native plants, pulling non-native plants, and mulching.</p>	<p>Number of attendees on 11/23/13: 2 adults.                      Number of attendees on 12/7/13: 2 adults.                      Number of attendees on 2/8/14: 11 elementary school students and 10 adults.                      Number of attendees on 2/22/14: 7 elementary school students, 10 middle school students, 3 high school students and 6 adults.                      Number of attendees on 3/15/14: 3 high school students.                      Number of attendees on 2/16/13: 13 middle school students and 12 adults.                      Number of attendees on 4/23/14: 10 adults.                      Number of attendees on 5/13/14: 25 pre-kindergartners, and 13 adults.                      Number of attendees on 5/15/14: 8 adults.</p>

		Number of attendees on 5/20/14: 6 adults. Number of attendees on 5/31/14: 13 middle school students, 1 high school student, and 3 adults.
Name: National River Cleanup Day Date: 5/17/14 Location: Various locations throughout the County Focus: Countywide	In FY 13-14, the Creek Connections Action Group sponsored two creek clean-up events: California Coastal Clean-up Day on September 21, 2013 and National Rivers Clean-up Day on May 17, 2014. The Program provided funding for the National Rivers Clean-up Day advertising.	On National River Cleanup Day, a total of 1,176 volunteers participated in cleaning 51 sites and removed approximately 28,812 pounds of trash and 4,247 pounds of recyclables from creeks.
Name: Coastal Cleanup Day Date: 9/20/13 and 9/21/13 Location: sections of San Tomas Aquino, Calabazas, and Saratoga Creeks Focus: City of Santa Clara  Note: City staff sponsored 3 cleanup sites	In FY 13-14, the City of Santa Clara sponsored 3 sites for the National Coastal Cleanup Day. City staff worked with local business, college and junior high school student volunteers. Trash was collected and categorized.	On Coastal Cleanup Day, a total of 24 volunteers participated and removed approximately 558 pounds of trash and 11 pounds of recyclables from local creeks.
<p>The following separate reports developed by SCVURPPP and other organizations also include information about citizen involvement events conducted during FY 13-14:</p> <ul style="list-style-type: none"> <li>• Watershed Watchers: Keeping Our Waterways Clean: FY 13-14 Fourth Quarter Report (includes end-of-year Summary from Alviso Education Center)</li> <li>• Going Native Garden Tour 2014- Summary Report</li> </ul> <p>These reports are included within the C.7 Public Information and Outreach section of Program's FY 13-14 Annual Report.</p>		

**C.7.h. ► School-Age Children Outreach**

Summarize school-age children outreach programs implemented. A detailed report may be included as an attachment. Use the following table for reporting school-age children outreach efforts.

Program Details	Focus & Short Description	Number of Students/Teachers reached	Evaluation of Effectiveness
Name : ZunZun Musical Assembly Grade or level: elementary	Interactive, musical school assemblies educating K-6 children about watersheds and pollution prevention.	13,613 students	ZunZun assemblies were evaluated using postage-paid evaluation cards that were distributed to all teachers present at the performances. The Program received 177 completed evaluation cards from teachers. Overall, the feedback was positive and indicates an increase in the students' knowledge about watersheds and pollution prevention. A few highlights of the evaluations are: <ul style="list-style-type: none"> <li>• 20 teachers indicated that after the performance, 25% of their students knew what a watershed was; 29 teachers indicated that 50% of their students knew what a watershed was; 35 teachers indicated that 75% of their students knew what a watershed was, and 30 teachers reported that 100% of their students knew what a watershed was.</li> <li>• 9 teachers indicated that after the performance, 50% of their students could name a way to prevent pollution in the watershed; 31 teachers indicated that 75% of their students could name a way to prevent pollution in the watershed; and 71 teachers indicated that 100% of their students could name a way to prevent pollution in the watershed.</li> </ul>

<p>Name: City of Santa Clara 2014 Annual Earth Day/Arbor Day Event Grade or level: elementary</p>	<p>City of Santa Clara offers a free, educational assembly for schools and public alike. Subjects include: tree preservation, recycling, litter reduction, water pollution prevention, and energy conservation. All students were encouraged to bring reusable water containers. Hydration stations were set up around the event. ZunZun provided environmentally themed entertainment as well as Phil Ackerly, magician. This year effort was made to expand the program. Many more vendors participated expanding the scope of the event.</p>	<p>210 elementary school students, 64 teachers and chaperones, and approximately 60 citizens.</p>	<p>Invitations went out to Kindergarten through 4thgrades. Advertisement was done though City website, facebook, twitter, as well as posters left at City facilities. No formal evaluation process in place, but it is a very well received program.</p>
<p>Name: Enviroscape Presentation Grade or level: 4th grade</p>	<p>City staff used an Enviroscape model for classroom/educational purposes. One presentation was done at Bray Elementary – Sunnyvale (although located in Sunnyvale this school is part of the Santa Clara Unified School District). Focus on identifying stormdrains and ways to reduce/eliminate stormwater pollution. Also, discussion on drought conditions and water conservation. Children were provided with the following giveaways: Only Rain in the Stormdrain pencils, Watershed Watch tattoos, and Watershed Watch discount cards to take home to their parents.</p>	<p>32 students</p>	<p>Students very receptive to presentation. Followed lesson plan for the month, so children were aware of issues and able to follow discussion questions. Good visualization to topics discussed earlier in the month.</p>

**C.7.h. ► School-Age Children Outreach - continued**

The following separate reports developed by SCVURPPP and other organizations also include information about school-age children outreach efforts conducted during FY 13-14:

- ZunZun School Assemblies for Watershed Watch Campaign- FY 13-14 Academic Year Final Report
- Memorandum- Evaluation of the School Assembly Program- FY 13-14
- Watershed Watchers: Keeping Our Waterways Clean: FY 13-14 Fourth Quarter Report (includes end-of-year Summary from Alviso Education Center)

These reports are included as within the C.7 Public Information and Outreach section of Program's FY 13-14 Annual Report.

Section 8 - Provision C.8 Water Quality Monitoring

**C.8 ► Water Quality Monitoring**

State below if information is reported in a separate regional report. Municipalities can also describe below any Water Quality Monitoring activities in which they participate directly, e.g. participation in RMP workgroups, fieldwork within their jurisdictions, etc.

Summary

During FY 13-14, the City of Santa Clara contributed financially to the Regional Monitoring Program for Water Quality in the San Francisco Estuary (RMP) and was represented at RMP committees and work groups. Monitoring efforts and results are documented in a separate report submitted March 15 of each year, as required in Provision C.8. For additional information on monitoring activities conducted by the Program, BASMAA RMC and the RMP, see the C.8 Water Quality Monitoring section of the Program's FY 13-14 Annual Report and the Integrated Monitoring Report, submitted to the Water Board on March 15, 2014.

Section 9 – Provision C.9 Pesticides Toxicity Controls

**C.9.b ► Implement IPM Policy or Ordinance**

Report implementation of IPM BMPs by showing trends in quantities and types of pesticides used, and suggest reasons for increases in use of pesticides that threaten water quality, specifically organophosphates, pyrethroids, carbaryl, and fipronil. A separate report can be attached as evidence of your implementation.

**Trends in Quantities and Types of Pesticides Used<sup>60</sup>**

Pesticide Category and Specific Pesticide Used	Amount <sup>61</sup>				
	FY 09-10	FY 10-11	FY 11-12	FY 12-13	FY 13-14
Organophosphates	0	0	0	0	0
Pyrethroids	0	0	0	0	0
Carbaryl	0	0	0	0	0
Fipronil	0	0	0	0	0

The City of Santa Clara did not use Organophosphates, Pyrethroids, Carbaryl, or Fipronil during FY 09-10 through FY13-14.

<sup>60</sup> Includes all municipal structural and landscape pesticide usage by employees and contractors.

<sup>61</sup> Weight or volume of the product or preferably its active ingredient, using same units for the product each year. The active ingredients in any pesticide are listed on the label. The list of active ingredients that need to be reported in the pyrethroids class includes: allethrin, bifenthrin, beta-cyfluthrin, bioallethrin, cyfluthrin, cypermethrin, cyphenothrin, deltamethrin, esfenvalerate, etofenprox, fenpropathrin, gamma-cyhalothrin, imiprothrin, lambda-cyhalothrin, metofluthrin, permethrin, phenothrin, prallethrin, resmethrin, sumithrin (d-phenothrin), tau-fluvalinate, tefluthrin, tetramethrin, tralomethrin, cis-permethrin, and zeta-cypermethrin.

<b>C.9.c ▶ Train Municipal Employees</b>	
Enter the number of employees that applied or used pesticides (including herbicides) within the scope of their duties this reporting year.	48
Enter the number of these employees who received training on your IPM policy and IPM standard operating procedures within the last 3 years.	48
Enter the percentage of municipal employees who apply pesticides who have received training in the IPM policy and IPM standard operating procedures within the last three years.	100%
Notes: Parkways and Boulevards employees receive IPM training yearly. Topics covered include proper BMP's for the prevention of pests and weed and spraying requirements. Less toxic solutions for landscaping issues are discussed.	

<b>C.9.d ▶ Require Contractors to Implement IPM</b>			
Did your municipality contract with any pesticide service provider in the reporting year?	<input checked="" type="checkbox"/>	Yes	<input type="checkbox"/> No
If yes, attach one of the following:			
<input type="checkbox"/>	Contract specifications that require adherence to your IPM policy and standard operating procedures, OR		
<input type="checkbox"/>	Copy(ies) of the contractors' IPM certification(s) or equivalent, OR		
<input checked="" type="checkbox"/>	Equivalent documentation.		
If <b>Not attached</b> , explain: The City does have an IPM policy in place. The agreement with Rumble Tree and Turf was for the soil injection of Safari 20 SG to prevent pests. The City made the determination of the specific insecticide used and provided the contractor with the insecticide. For contract scope of services and schedule of fees see <b>Appendix C.9.d – Rumble Tree and Turf Agreement – IPM</b> .			

<b>C.9.e ▶ Track and Participate in Relevant Regulatory Processes</b>
Summarize participation efforts, information submitted, and how regulatory actions were affected <b>OR</b> reference a regional report that summarizes regional participation efforts, information submitted, and how regulatory actions were affected.
Summary:  During FY 13-14, we participated in regulatory processes related to pesticides through contributions to the Program, BASMAA and CASQA. For additional information, see the Regional Report submitted by BASMAA on behalf of all MRP Permittees.

**C.9.f ▶ Interface with County Agricultural Commissioners**

Did your municipal staff observe any improper pesticide usage or evidence of improper usage (e.g., pesticides in storm drain systems, along street curbs, or in receiving waters) during this fiscal year?	<input type="checkbox"/>	Yes	<input checked="" type="checkbox"/>	No
--	--------------------------	-----	-------------------------------------	----

If yes, provide a summary of improper pesticide usage reported to the County Agricultural Commissioner and follow-up actions taken to correct any violations. A separate report can be attached as your summary.

**C.9.h.ii ▶ Public Outreach: Point of Purchase**

Provide a summary of public outreach at point of purchase, and any measurable awareness and behavior changes resulting from outreach (here or in a separate report); **OR** reference a report of a regional effort for public outreach in which your agency participates.

Summary:

The following separate reports developed by SCVURPPP and BASMAA summarize point of purchase outreach efforts conducted during FY 13-14:

- FY 13-14 Store Employee Training Report (SCVURPPP)
- FY 13-14 Store Employee Training Evaluation Summary (SCVURPPP)
- FY 13-14 Store Employee Training Status Table (SCVURPPP)
- FY 13-14 List of Stores in the IPM Store Partnership Program (SCVURPPP)
- FY 13-14 BASMAA "Our Water, Our World" (OWOW) Report (BASMAA)

**C.9.h.vi ▶ Public Outreach: Pest Control Operators**

Provide a summary of public outreach to pest control operators and landscapers and reduced pesticide use (here or in a separate report); **OR** reference a report of a regional effort for outreach to pest control operators and landscapers in which your agency participates.

Summary:

The following separate reports developed by SCVURPPP summarize Public Outreach: Pest Control Operators efforts conducted during FY 13-14:

- FY 13-14 Watershed Watch Campaign Final Report
- FY 13-14 Green Gardener Training Report

These reports are included within the C.7 Public Information and Outreach and C.9 Pesticides Toxicity Control sections of Program's FY 13-14 Annual Report.

Section 10 - Provision C.10 Trash Load Reduction

**C.10.a.iii ► Minimum Full Trash Capture**

Provide the following:

- 1) Descriptions of actions/tasks completed towards achieving the Minimum Full Trash Capture requirement in provision C.10.a.iii. Include the:
  - Total number and types of full capture devices (publicly and privately-owned) installed to-date;
  - Total land area (acres) and land areas within each trash generation category (i.e., very high, high, moderate and low) treated by full capture devices (or other types of devices for non-population based Permittees), in comparison to the MRP-required full capture requirements in Attachment J to the MRP; and,
    - Percentage of jurisdictional land areas with very high, high, moderate and low trash generation rates treated by full capture devices.
- 2) A narrative summary of maintenance activities implemented for each device, group of devices, or device type, including descriptions of typical maintenance frequencies and issues associated with maintaining these devices.

**Descriptions of Actions/Tasks (Conducted or Planned):**

In FY 13-14 The City participated in the initial development of a Model Trash Full Capture Device Operation and Maintenance (O&M) Verification Program initiated by SCVURPPP. The model program is intended to provide Permittees with a template for documenting O&M procedures, including inspection and maintenance frequencies. Over the course of next year, the City plans to further document the City-specific O&M verification program by tailoring the Model Program developed by SCVURPPP to incorporate City-specific characteristics/processes. Additional details on the City's O&M verification program will be included in our FY 14-15 Annual Report.

**Total Number of Devices Installed:**

- Connector Pipes or Filters: 0
- Netting Devices: 2
- HDS Units: 0
- Gross Solid Removal Devices: 0
- LID Facilities: 0
- Other: 0
- **TOTAL: 2**

**Minimum Treatment Area Required: 168 acres**

Full Capture Treatment Area	Low	Moderate	High	Very High	Total
Acres (All TMAs)	52	551	48	0	651
% (All TMAs)	1%	11%	6%	0%	6.0%

Two (2) Fresh Creeks Technologies full trash capture netting systems were installed at the Westside Retention Basin located on Old Mountain View

Alviso Road in 2012. This drainage area represents TMA 1 and was selected first for treatment because it is the largest catchment area in the City. It contains the Mercado shopping center, Mission College, and moderate trash generating businesses comprised of high tech offices.

In June 2014, the City conducted a RFP to purchase and install 258 curb inlet full trash capture devices in TMAs 2, 3, and 4. TMA 2 consists primarily of commercial businesses and runs the length of El Camino Real from city the eastern to western City limits. The City is attempting to coordinate installation and maintenance of the full trash capture devices with Caltrans, as El Camino Real is a state highway. TMA 3 consists mostly of student rental properties surrounding Santa Clara University. TMA 4 consists of the north side of Stevens Creek Boulevard from the eastern to western City limits. The selection of a contractor will be made in September, with the target installation date of November 2014.

**Descriptions of Maintenance Activities:**

Each full trash capture netting system consists of four trash nets mounted inside of a vertical frame covering the full opening of the inlet pipe to the Westside Retention Basin. Nets are removed from the frame one at a time using a crane with a hoist. Each net is placed on a concrete pad where it is emptied. If the net is in good condition, it is reused. If the net is damaged, a replacement net is installed. It takes approximately 30 minutes for a four man crew to do maintenance on one netting system.

Both netting systems are checked at least once per month during storm drain crew routine pump station maintenance. Fresh Creek Technologies initially recommended servicing at 67% capacity. We have experience issues with a few of the nets ripping during large storm events, so the nets are now serviced when they are approximately 33% - 50% full. The nets do not rip in the same place each time and generally have not been ripping at the seams or frame. We have worked with the manufacturer to determine the cause of the nets ripping, but have not been able to identify a cause yet, although we are still searching.

Both netting systems were serviced three times in FY 13-14. The data from the maintenance events was entered into the SFEP's Bay Area Trash Tracker website. The netting systems are collecting about 98% vegetation/leaves and 2% trash, with plastic being the largest pollutant. Storm Drain crews check the devices before and after every storm event to ensure capacity.

**C.10.b.iii ► Trash Hot Spot Assessment**

Provide the volume of material removed during each MRP-required Trash Hot Spot cleanup during each fiscal year, and the dominant types of trash (e.g., glass, plastics, paper) removed and their sources in FY 2013-14 to the extent possible.

Trash Hot Spot	FY 13-14 Cleanup Date	Volume of Trash Removed (cubic yards)				Dominant Type(s) of Trash in FY 2013-14	Trash Sources in FY 2013-14 (where possible)
		FY 2010-11	FY 2011-12	FY 2012-13	FY 2013-14		
SCL 01 Calabazas Creek north of 101 d/s	9/10/13	0.45	0.65	0.78	1.16	Styrofoam, plastic bags, other plastic products, paper & cardboard, cigarette butts	Litter, homeless encampments, trash accumulation, outfall

SCL 02 Calabazas Creek at El Camino Real, u/s & d/s	9/10/13	0.14	0.06	0.05	0.19	Other plastic products, convenience store/fast food items, paper & cardboard, glass pieces, cigarette butts	Litter, trash accumulation, illegal dumping
SCL 03 San Tomas Aquino Creek at Agnew Road, u/s & d/s	9/10/13	0.06	0.23	0.28	1.10	Paperboard & cardboard, convenience/fast food items, other plastic products, glass pieces, cigarette butts	Litter, illegal dumping
SCL 04 Saratoga Creek south of El Camino Real, u/s	9/10/13	0.44	0.46	0.63	0.48	Paperboard & cardboard, convenience/fast food items, other plastic products, plastic bags, Styrofoam	Litter, trash accumulation, illegal dumping
SCL 05 Guadalupe River at Montague Expressway, u/s & d/s	9/10/13	0.06	0.06	0.14	0.37	Styrofoam, plastic bags, convenience/fast food items, bottles (plastic or glass), other plastic products	Litter, trash accumulation, illegal dumping
Total					3.30	3.30 cubic yards x 202 gallons/cubic yard = 666.6 gallons of trash removed from FY 2013-14 Creek clean-ups	

C.10.c ► Long-Term Trash Load Reduction Plan	
Provide descriptions of significant revisions made to your Long-term Trash Load Reduction Plan submitted to the Water Board in February 2014. Describe significant changes made to primary or secondary trash management areas (TMA), trash generation maps, control measures, or time schedules identified in your plan.	
Description of Significant Revision(s)	Associated TMA
There have been no significant changes or additions made to the City's Long-Term Trash Load Reduction Plan to date.	N/A

<b>C.10.d ► PART A - Trash Control Measure Implementation and Assessment (Jurisdictional-wide Actions)</b>				
Provide a description of each jurisdictional-wide trash control measure implemented to-date. Identify the dominant trash source(s) and dominant type(s) of trash addressed by each control measure. For each jurisdictional-wide measure, identify the trash assessment method(s) used to demonstrate on-going reductions, summarize the results of the assessment(s), and estimate the associated reduction of trash within your jurisdictional area.				
<b>Control Measure</b>	<b>Summary Description of Control Measure &amp; Dominant Trash Sources and Types</b>	<b>Assessment Method(s)</b>	<b>Summary of Assessment Results To-date</b>	<b>Estimated % Trash Reduced</b>
Single-use Plastic Bag Ordinance or Policy	The City of Santa Clara prepared an Initial Study-Negative Declaration analyzing the environmental effects of adopting a single-use carryout bag ordinance. On August 19, 2014, an Ordinance was adopted that prohibits retail establishments from providing customers with a plastic carryout bag at the point of check-out and requiring affected stores to charge \$0.10 for approved paper or reusable bags. The Ordinance will take effect on December 1, 2014. See <b>Appendix C.10.d. (1)- Single-use Plastic Bag Ordinance</b> for a copy of the Ordinance.	Not applicable at this time.	Not applicable at this time.	0
Expanded Polystyrene Food Service Ware Ordinance or Policy	The City of Santa Clara adopted an Ordinance To Prohibit the Use of Polystyrene Foam Disposable Food Service Ware on May 20, 2014. The Ordinance prohibits national food vendors from selling or providing prepared food in polystyrene disposable food service ware on or after September 1, 2014 and smaller food vendors from doing so on January 1, 2015. See <b>Appendix C.10.d .(2)- Expanded Polystyrene Food Service Ware Ordinance</b> for a copy of the Ordinance.	Not applicable at this time.	Not applicable at this time.	0

C.10.d ► PART A - Trash Control Measure Implementation and Assessment (Jurisdictional-wide Actions)				
Provide a description of each jurisdictional-wide trash control measure implemented to-date. Identify the dominant trash source(s) and dominant type(s) of trash addressed by each control measure. For each jurisdictional-wide measure, identify the trash assessment method(s) used to demonstrate on-going reductions, summarize the results of the assessment(s), and estimate the associated reduction of trash within your jurisdictional area.				
Public Education and Outreach Programs Targeted at Trash Reduction and Implemented post-MRP Adoption	On behalf of the City of Santa Clara, SCVURPPP and BASMAA implemented public education and outreach actions at the countywide and regional scales that were targeted at reducing the impacts of trash on local water bodies. For descriptions of these activities, please see Section 7 of the Program’s Annual Report.	BASMAA conducted post-campaign surveys in FY 13-14 to assess the effectiveness and impacts of their youth litter campaign “Be the Street”. The methods used by BASMAA are described in Section 7 of the Program’s Annual Report.	Reductions (i.e.: trends) in the levels of trash in stormwater discharges that occur as a result of the implementation of public education and outreach campaigns and programs are very difficult to measure. Both the inherent spatial and temporal variability in trash generation and the timeframes by which behavior change occurs as a result of education and outreach largely governs our ability to link this control measure to water quality outcomes. The City of Santa Clara has spent significant resources on local public education and outreach programs that are slowly reducing the generation of trash at its source. Based on the results of assessments conducted by BASMAA in FY 13-14 to assess the effectiveness and impacts of their youth litter campaign “Be the Street” a modest conservative load reduction associated with public education and outreach programs is assumed.	1%

**C.10.d ► PART B - Trash Control Measure Implementation and Assessment (TMA Specific Actions)**

Complete the following trash control measure implementation and assessment summary for each primary trash management area (TMA) identified in your Long-term Plan. Include the following information:

- Identify the total jurisdictional area and the % of that area that generates very high (VH), high (H), moderate (M), or low (L) levels of trash;
- Identify the dominant trash source(s) and dominant type(s) of trash addressed or to-be addressed in the TMA;
- Include the area currently treated by full capture devices, the quantity and type of devices installed to-date, and the % of jurisdictional area that generates very high (VH), high (H), moderate (M), and low (L) levels of trash after accounting for reductions via full capture devices;
- Summarize control measures other than full capture devices implemented to-date, distinguishing between implementation that began pre- and post-MRP effective date. If not implemented in the entire TMA, describe generation category targeted and % of TMA addressed;
- Provide the % of the jurisdictional area that generates very VH, H, M or L levels of trash after accounting for all control measures implemented to-date;
- Describe the methods used to evaluate the effectiveness of control measures other than full capture devices, and any assessment results to-date. If the method was not implemented in the entire TMA, describe generation category targeted and % of TMA addressed; and
- Provide an estimate of the % of trash reduced in the TMA and jurisdiction-wide.

% of VH/H/M	0							
Summary Descriptions of Control Measures Implemented Since MRP Adoption, Other than Full Capture Devices				After taking into account <u>all New or Enhanced (post-MRP) Control Measures</u>	0	43	26	31
<ol style="list-style-type: none"> <li>Enhanced street sweeping – industrial/commercial street sweeping route frequency increased from two times to three times per month and start hours shifted from 5:00 a.m. to 3:00 a.m. to avoid parked vehicles on the street.</li> <li>On-land trash clean-ups by Grounds Maintenance Workers in close proximity to median islands they maintain.</li> <li>Improved trash/bin container management through a Mandatory Recycling Ordinance (effective July 1, 2012) that requires all new construction and remodeling of existing structures to be designed to adequately store containers for both garbage and recycling.</li> <li>Two (2) partial trash capture screens installed over vertical openings in two catch basin inlets on Bowe Avenue at El Camino Real, which is adjacent to Saratoga Creek</li> <li>Annual trash hotspot clean-up of Saratoga Creek at Bowe and El Camino Real.</li> <li>Partial trash capture bioretention at the Presidio El Camino at 1450 El Camino Real per Provision C.3 New and Redevelopment requirements.</li> </ol>								

Assessment Methods for Control Measures Other than Full Capture Devices					
<p>As part of the City’s Long-Term Trash Reduction Plan, the City worked collaboratively with other SCVURPPP Permittees to develop the SCVURPPP Assessment Strategy (Assessment Strategy), which was submitted to the Water Board in February 2014. To assess environmental outcomes associated with control measures other than full trash capture devices, visual trash assessments were conducted using a standard on-land visual assessment protocol developed by BASMAA member agencies. For each TMA assessed, sites were selected using a probabilistic sample draw to randomly pick sites in priority TMAs and allow for extrapolation within the applicable TMA. In FY 13-14, the City conducted visual assessments at over 23 sites to assess the level of trash observed on-land in priority TMAs. Through this effort, over 24,000 linear feet of streets and sidewalks were assessed. Additional information on the Assessment Strategy and results of initial assessments can be found in the Program’s FY 13-14 Annual Report.</p>					
Summary of Assessment Results To-date					
<p>No visual trash assessments were conducted in this TMA in FY 13-14. However, the visual assessments conducted in TMAs 10 and 11 have shown marked reductions in trashloads. The primary action that reduced trash in TMAs 10 and 11 was the enhanced street sweeping program. The same enhanced street sweeping program that was effective in TMAs 10 and 11 was also implemented in this TMA. Therefore, some measure of trash reduction can be extrapolated for this TMA, based on the improvements seen in TMA 10 &amp; 11. A very conservative estimate of trash reduction has been estimated since assessments have not been conducted in this area. The trash reduction for the enhanced street sweeping program is estimated to be 40% (3,019 gallons), which is approximately one-half of the amount of reduction seen in TMA 10 and 11 for essentially the same programs implemented.</p>					
		<p><b>Estimated % Trash Reduction <u>in TMA</u> due to New or Enhanced Post-MRP actions</b></p>		<p>40%</p>	
		<p><b>Estimated % Trash Reduction <u>Jurisdiction-wide</u> due to New or Enhanced Post-MRP actions</b></p>		<p>4.8%</p>

Assessment Methods for Control Measures Other than Full Capture Devices					
<p>As part of the City's Long-Term Trash Reduction Plan, the City worked collaboratively with other SCVURPPP Permittees to develop the SCVURPPP Assessment Strategy (Assessment Strategy), which was submitted to the Water Board in February 2014. To assess environmental outcomes associated with control measures other than full trash capture devices, visual trash assessments were conducted using a standard on-land visual assessment protocol developed by BASMAA member agencies. For each TMA assessed, sites were selected using a probabilistic sample draw to randomly pick sites in priority TMAs and allow for extrapolation within the applicable TMA. In FY 13-14, the City conducted visual assessments at over 23 sites to assess the level of trash observed on-land in priority TMAs. Through this effort, over 24,000 linear feet of streets and sidewalks were assessed. Additional information on the Assessment Strategy and results of initial assessments can be found in the Program's FY 13-14 Annual Report.</p>					
Summary of Assessment Results To-date					
<p>In June 2014, a total of 10 sites consisting of 10,700 linear feet (10%) of streets and sidewalks were assessed in this TMA using the on-land visual assessment protocol. Only areas with M, H, or VH generation rates were assessed. For those areas assessed, 74% were L and 26% were M.</p>

Assessment Methods for Control Measures Other than Full Capture Devices					
<p>As part of the City’s Long-Term Trash Reduction Plan, the City worked collaboratively with other SCVURPPP Permittees to develop the SCVURPPP Assessment Strategy (Assessment Strategy), which was submitted to the Water Board in February 2014. To assess environmental outcomes associated with control measures other than full trash capture devices, visual trash assessments were conducted using a standard on-land visual assessment protocol developed by BASMAA member agencies. For each TMA assessed, sites were selected using a probabilistic sample draw to randomly pick sites in priority TMAs and allow for extrapolation within the applicable TMA. In FY 13-14, the City conducted visual assessments at over 23 sites to assess the level of trash observed on-land in priority TMAs. Through this effort, over 24,000 linear feet of streets and sidewalks were assessed. Additional information on the Assessment Strategy and results of initial assessments can be found in the Program’s FY 13-14 Annual Report.</p>					
Summary of Assessment Results To-date					
<p>No visual trash assessments were conducted in this TMA in FY 13-14. However, the visual assessments conducted in TMAs 10 and 11 have shown marked reductions in trashloads. The primary action that reduced trash in TMAs 10 and 11 was the enhanced street sweeping program. The same enhanced street sweeping program that was effective in TMAs 10 and 11 was also implemented in this TMA. Therefore, some measure of trash reduction can be extrapolated for this TMA, based on the improvements seen in TMA 10 &amp; 11. A very conservative estimate of trash reduction has been estimated since assessments have not been conducted in this area. The trash reduction for the enhanced street sweeping program is estimated to be 40% (852 gallons), which is approximately one-half of the amount of reduction seen in TMA 10 and 11 for essentially the same programs implemented.</p>					
		<p><b>Estimated % Trash Reduction <u>in TMA</u> due to New or Enhanced Post-MRP actions</b></p>		<p>40%</p>	
		<p><b>Estimated % Trash Reduction <u>Jurisdiction-wide</u> due to New or Enhanced Post-MRP actions</b></p>		<p>1.4%</p>

1. Provided single-family homes with carts with lids, replacing the 18-gallon open top plastic containers and paper bags to contain recyclables on December 7, 2009. 2. Improved trash/bin container management through a Mandatory Recycling Ordinance (effective July 1, 2012) that requires all new construction and remodeling of existing structures to be designed to adequately store containers for both garbage and recycling. 3. On-land trash clean-ups by Grounds Maintenance Workers in close proximity to median islands they maintain. 4. Partial capture trash screens installed over vertical openings at: 2 screens at Benton @ Los Padres, 1 screen at Benton @ Chapel. 5. Vegetated swale/bioretention filter installed at 1601 Agnew Road.									

Assessment Methods for Control Measures Other than Full Capture Devices					
Assessments were not conducted in this TMA.					
Summary of Assessment Results To-date					
On-land visual assessments were not conducted in this TMA in FY 13-14. No load reductions have been calculated. However, the switch to the single-stream recycling program in December 2009 reduced trash in this area significantly, as it is comprised mainly of single-family homes.					
		<b>Estimated % Trash Reduction <u>in TMA</u> due to New or Enhanced Post-MRP actions</b>	0		
		<b>Estimated % Trash Reduction <u>Jurisdiction-wide</u> due to New or Enhanced Post-MRP actions</b>	0		

**C.10.d ► PART C – Estimated Overall Trash Load Reduction**

For Population-based Permittees, provide an estimate of the overall trash reduction percentage achieved to-date within the jurisdictional area of your municipality that generates problematic trash levels (i.e., Very High, High or Moderate trash generation). Base the estimate on the information presented in C.10.d – Parts A and B and creek/shoreline cleanups not reported in C.10.b.iii. Provide a statement regarding the confidence in the estimate and challenges and/or successes in measuring progress towards the 40% trash reduction target described in provision C.10.

**Discussion of Trash Reduction Estimate:**

The preliminary trash load reduction estimates presented in this section provide the best available estimate of trash reduction from the City of Santa Clara’s municipal separate stormwater sewer system (MS4). These estimates were developed consistent with the trash reduction framework developed in collaboration with Water Board staff in 2013-14, and the Pilot SCVURPPP Trash Assessment Strategy submitted to the Water Board in February 2014. All estimates are based on available information collected by the City of Santa Clara, should be considered preliminary at this time, and are subject to revision by Permittees based on additional information on the effectiveness of trash controls, the magnitude and extent of trash control measure implementation, and/or the levels of trash discharged from the City of Santa Clara’s MS4.

Trash reduction estimates were based on initial data collection efforts that began in FY 13-14 and utilize the verified levels of baseline trash generation in the City of Santa Clara. Reductions associated with jurisdictional-wide trash control measures, trash full capture devices, other TMA-specific control measures, and trash cleanup events in local creeks and shorelines are included. Reductions associated with jurisdictional-wide actions are based on a combination of data collection and observations applicable to the City of Santa Clara. Reductions associated with trash full capture devices assume that trash generated in areas treated by effectively maintained devices reduce trash to a level of “no adverse impacts” to local water bodies. For control measures other than full captures devices, all reductions estimates are based on empirical observations of current trash levels (i.e., on-land visual assessments) and associated reductions in applicable trash management areas. Reductions associated with creek and shoreline cleanups are based on the amount of trash removed via these cleanups in FY 13-14, in comparison to baseline trash generation in the City of Santa Clara.

Estimated % Trash Reduction due to Jurisdictional-wide Actions	1.0%
Estimated % Trash Reduction due to Trash Full Capture Devices (All TMAs)	8.9%
Estimated % Trash Reduction due to Other Control Measures (All TMAs)	31.2%
<b>Subtotal for Above Actions</b>	<b>40.1%</b>
Estimated % Trash Reduction due to Creek/Shoreline Cleanups (All TMAs)	0%
<b>Total Estimated % Trash Reduction in FY 13-14</b>	<b>41.1%</b>

Section 11 - Provision C.11 Mercury Controls

**C.11.a.i ► Mercury Recycling Efforts**

List below or attach lists of efforts to promote, facilitate, and/or participate in collection and recycling of mercury containing devices and equipment at the consumer level (e.g., thermometers, thermostats, switches, bulbs).

- 1) **Promotion** (i.e., media advertising, providing information on your agency's website, etc.) of:
  - a) Household Hazardous Waste (HHW) program – City promotes the Santa Clara County Household Hazardous Waste Program (SCCHHWP) in its City Calendar, Inside Santa Clara publication, on its website, and in a utility bill insert. The City also refers residents to the County's website at HHW.org for a list of retailers that accept bulbs and batteries.
  - b) The Thermostat Recycling Corporation, an organization developed on behalf of the thermostat manufacturers, that recycles mercury-containing thermostats and switches generated by residents and small businesses. The HVAC industry is the largest generator of these waste streams and is the targeted audience to inform of this recycling option.
  - c) Curbside Collection – The City promotes weekly single-family collection of CFL's and household batteries in the Inside Santa Clara publication and on its website. Mission Trail Waste Systems has a brochure that includes information about household battery recycling. Recology has a brochure that includes information about CFL recycling.
- 2) **Facilitation/Organization** – The SCCHHWP conducts four drop-off events in the City's Street corporation yard each year. The City provides traffic safety set-up on Walsh Avenue prior to the event, traffic control during the event, and debris bins. The SCCHHWP also uses the City's barricades to set up traffic patterns in the corporation yard.
- 3) **Collection** of:
  - a) The City of Santa Clara participates in The Santa Clara County Household Hazardous Waste Program (SCCHHWP). The SCCHHWP conducts drop-off events throughout the County on most weekends, including four events in the City. Residents can attend any of the events to dispose of mercury waste, as well as other hazardous waste. Four events were conducted on the City of Santa Clara's Street Corporation Yard.
  - b) The SCCHHWP maintains retail partnerships with stores to serve as drop-off points for fluorescent bulbs and batteries.
  - c) Single family residents are able to place compact fluorescent bulbs and household batteries out at the curb for collection by solid waste contractors on a weekly basis. In calendar year 2013, 55 pounds of CFL's and 0.4 tons of batteries were collected curbside.
  - d) The City maintains household battery drop-off sites at ten fire stations and our City Hall facility. The batteries are recycled in conjunction with The SCCHHWP.
  - e) The Street Department maintains hazmat sheds that serve as the collection point for abandoned hazardous waste (including mercury) and for disposal of fluorescent lights and batteries used in City operations. Materials are recycled in conjunction with the SCCHHWP.

**C.11.a.ii ► Mercury Collection**

Provide an estimate of the mass of mercury collected through these efforts, or provide a reference to a report containing this estimate.

Please refer to the FY 13-14 Program Annual Report for an estimate of the mass of mercury collected through collection and recycling efforts in the Program area.

Mercury collection efforts:

**1) Collection via Countywide Efforts**

- a) The City of Santa Clara participates in The Santa Clara County Household Hazardous Waste Program (SCCHHWP). The SCCHHWP conducts drop-off events throughout the County on most weekends, including four events in the City. Residents can attend any of the events to dispose of mercury waste, as well as other hazardous waste. Four events were conducted on the City of Santa Clara's Street Corporation Yard. A total of 143,593 pounds of household batteries were collected and recycled. A total of 127,307 pounds of fluorescent lamps and 673 pounds of elemental mercury were collected.
- b) The SCCHHWP maintains retail partnerships with stores to serve as drop-off points for fluorescent bulbs and batteries. Seventy-four retail partners took in 102,138 pounds of fluorescent lamps.

**2) Collection via City Efforts**

- a) Single family residents are able to place compact fluorescent bulbs and household batteries out at the curb for collection by solid waste contractors on a weekly basis. In calendar year 2013, 55 pounds of CFL's and 0.4 tons of batteries were collected curbside.
- b) The City maintains household battery drop-off sites at ten fire stations and our City Hall facility. The batteries are recycled in conjunction with The SCCHHWP.
- c) The Street Department maintains hazmat sheds that serve as the collection point for abandoned hazardous waste (including mercury) and for disposal of fluorescent lights and batteries used in City operations. Materials are recycled in conjunction with the SCCHHWP.

**3) Promotion**

- a) City promotes HHW events in the City Calendar, utility bill inserts, local newspaper articles, and on the City website.
- b) SCCHHWP promotes the retail recycling partner drop off locations on its website (HHW.org)
- c) Program's Watershed Watch Campaign conducts advertising on proper disposal of hazardous waste and promotes fluorescent lamp disposal locations and thermometer take-back events.
- d) Thermostat Recycling Corporation, which was developed on behalf of the thermostat manufacturers, recycles mercury containing thermostats and switches generated by residents and small businesses. The HVAC industry is the largest generator of these waste streams and is the targeted audience to inform of this recycling option.

- C.11.j ▶ Develop Allocation Sharing Scheme with Caltrans**

State below if information is reported in a separate regional report. Municipalities that participate directly in regional activities to can provide descriptions below.

Summary:

A summary of Program and regional accomplishments for these sub-provisions are included within the C.11 Mercury Controls section of Program's FY 13-14 Annual Report, Integrated Monitoring Report.

Section 12 - Provision C.12 PCBs Controls

**C.12.a.ii,iii ▶ Ongoing Training**

*(For FY 10-11 Annual Report and Each Annual Report Thereafter)* List below or attach description of ongoing training development and inspections for PCB identification, including documentation and referral to appropriate regulatory agencies (e.g. county health departments, Department of Toxic Substances Control, California Department of Public Health, and the Water Board) as necessary.

Description:

See the FY 13-14 Program Annual Report for a description of training at the program and/or regional level.

**C.12.b ▶ Conduct Pilot Projects to Evaluate Managing PCB-Containing Materials and Wastes during Building Demolition and Renovation Activities**

**C.12.c ▶ Pilot Projects to Investigate and Abate On-land Locations with Elevated PCB Concentrations**

**C.12.d ▶ Conduct Pilot Projects to Evaluate and Enhance Municipal Sediment Removal and Management Practices**

**C.12.e ▶ Conduct Pilot Projects to Evaluate On-Site Stormwater Treatment via Retrofit**

**C.12.f ▶ Diversion of Dry Weather and First Flush Flows to POTWs**

**C.12.g ▶ Monitor Stormwater PCB Pollutant Loads and Loads Reduced**

**C.12.h ▶ Fate and Transport Study of PCBs In Urban Runoff**

**C.12.i ▶ Development of a Risk Reduction Program Implemented Throughout the Region**

State below if information is reported in a separate regional report. Municipalities that participate directly in regional activities to can provide descriptions below.

Summary

A summary of Program and regional accomplishments for these sub-provisions are included within the C.12 PCB Controls section of Program's FY 13-14 Annual Report, Integrated Monitoring Report.

Section 13 - Provision C.13 Copper Controls

**C.13.a.iii.(2) ▶ Training, Permitting and Enforcement Activities**

(FY 11-12 Annual Report and each Annual Report thereafter) Provide summaries of activities implemented to manage waste generated from cleaning and treating of copper architectural features, including copper roofs, during construction and post-construction including. :

- Development of BMPs on how to manage the water during and post construction
- Requiring the use of appropriate BMPs when issuing building permits
- Educating installers and operators on appropriate BMPs
- Enforcement actions taken against noncompliance

The Planning Department regulates the use of architectural copper through its Standard Conditions of Approval. The Standard Conditions of Approval addresses patination and coating BMP's as well as BMP's for maintenance of copper architectural features after installation. The City's Code Enforcement Technicians are familiar with copper BMP's and distribute them as applicable. No enforcement action was taken for copper related non-compliance in FY 13-14.

**C.13.d.iii ▶ Industrial Sources Copper Reduction Results**

Based upon inspection activities conducted under Provision C.4, highlight copper reduction results achieved among the facilities identified as potential users or sources of copper, facilities inspected, and BMPs addressed.

Summary

No copper related violations were found at any industrial/commercial facility inspections.

**Section 14 - Provision C.14 PBDE, Legacy Pesticides and Selenium Controls**

Note: There are no reporting requirements in the FY 13-14 Annual Report for Section C.14.

**Section 15 - Provision C.15 Exempted and Conditionally Exempted Discharges**

**C.15.b.iii.(1), C.15.b.iii.(2) ► Planned and Unplanned Discharges of Potable Water**

Is your agency a water purveyor?	<input checked="" type="checkbox"/>	Yes	<input type="checkbox"/>	No
If <b>No</b> , skip to C.15.b.vi.(2):				
If <b>Yes</b> , Complete the attached reporting tables or attach your own table with the same information. Provide any clarifying comments below.				
Comments: Hydrant Flushing has been reduced due to State mandate to reduce water demand. Water discharges on January 7, 9 and 15 were related to a drinking water tank rehabilitation and was properly requested and documented through the State Water Board and in collaboration with the Santa Clara Valley Water District.				

**C.15.b.vi.(2) ► Irrigation Water, Landscape Irrigation, and Lawn or Garden Watering**

Provide implementation summaries of the required BMPs to promote measures that minimize runoff and pollutant loading from excess irrigation. Generally the categories are:

- Promote conservation programs
- Promote outreach for less toxic pest control and landscape management
- Promote use of drought tolerant and native vegetation
- Promote outreach messages to encourage appropriate watering/irrigation practices
- Implement Illicit Discharge Enforcement Response Plan for ongoing, large volume landscape irrigation runoff.

**Summary:**

Promote conservation Programs: The City of Santa Clara promotes conservation programs educate the community about methods of conserving water. Additionally, the City coordinates with the Santa Clara Valley Water District for rebate programs for both indoor and outdoor water conservation. The City is currently expanding the recycled water mains and promoting the use of recycled water to save potable water for other and future uses.

Promote outreach for less toxic pest control and landscape management: City staff are proactive when finding or being informed about irrigation leaks or runoff and contact residents directly to educate them about efficient landscape management. The City coordinates with the Santa Clara Valley Water District to perform irrigation audits and provide rebates for water conserving irrigation. Additionally, the City's Recycled Water Program promotes landscape management and water conservation.

Promote use of drought tolerant and native vegetation: The City promotes the use of drought tolerant and native vegetation through landscape displays that City staff present at City sponsored events. Additionally, the City coordinates with the Santa Clara Valley Water District for landscape audits and rebate programs, which specifically require drought tolerant and recommend native vegetation planting materials.

Promote outreach messages to encourage appropriate watering/irrigation practices: City staff directly contact residents that are found to be, or reported to be, overwatering or running irrigation systems with broken sprinklers. City staff has a water efficient landscape ordinance for residential, commercial and industrial properties. City staff works with recycled water customers to ensure that their irrigation systems are in proper working order. The City coordinates with the Santa Clara Valley Water District on irrigation audits and rebate programs to encourage efficient, water conserving irrigation.

Implement Illicit Discharge Enforcement Response Plan for ongoing, large volume landscape irrigation runoff: When City staff learn about ongoing, large volume landscape irrigation runoff, staff contact and work directly with property owners and property managers to educate them about water conservation and require that these irrigation problems are corrected in a timely manner.

**C.15.b.vi.(2)- continued**

The City of Santa Clara participates in any and all outreach with the Santa Clara Valley Water District. The City participates on the Water Conservation sub-committee with the District and is active in drought planning efforts regionally. This includes any and all programs addressing water conservation, drought tolerant groundcover replacement, Native gardening events, and other related programs and rebates to residents. (Landscape Conversion Rebate Program, Irrigation Hardware Upgrades Rebate Program, Graywater Laundry to Landscape Rebate Program, Commercial Rebate Programs, NEW High Efficiency Toilet Rebate Program, New rebate amounts for the Residential High-Efficiency Clothes Washer Rebate Program, NEW Safe, Clean Water and Natural Flood Protection Program). The City's water conservation hotline and website has been updated this year to better reflect the drought actions requested and water waste requirements as approved by Council and to provide timely updates on the drought situation. Current water waste ordinance addresses excessive runoff and departmental code enforcement staff addresses each water waste referral. New tracking of water waste and conservation efforts have been added to the Department's work order system to streamline complaint investigation and track water waste. Focus is on outreach and education at this point, with site visits and conversations with residents where water waste is substantiated, door hangers with information, and letters to residents. Additional efforts in the future will include outreach to largest water users on both the commercial and residential customer bases. A temporary staff increase is planned in the next fiscal year to augment current staffing levels due to drought and conservation efforts.

C.15.b.iii.(2) ▶ Unplanned Discharges of the Potable Water System <sup>63</sup>														
Site/ Location	Discharge Type	Receiving Waterbody(ies)	Date of Discharge	Discharge Duration (military time)	Estimated Volume (gallons)	Estimated Flow Rate (gallons/day)	Chlorine Residual (mg/L) <sup>64</sup>	pH (standard units) <sup>52</sup>	Discharge Turbidity (Visual) <sup>52,</sup>	Implemented BMPs & Corrective Actions	Time of discharge discovery	Regulatory Agency Notification Time <sup>65</sup>	Inspector arrival time	Responding crew arrival time
None														

There were no unplanned discharges of the potable water system during FY 2013-14.

<sup>63</sup> This table contains all of the unplanned discharges that occurred in this FY.

<sup>64</sup> Monitoring data is only required for 10% of the unplanned discharges. If you monitored more than 10% of your unplanned discharges, report all of the data collected.

<sup>65</sup> Notification to Water Board staff is required for unplanned discharges where the chlorine residual is >0.05 mg/L and total volume is ≥ 50,000 gallons. Notification to State Office of Emergency Services is required after becoming aware of aquatic impacts as a result of unplanned discharge or when the discharge might endanger or compromise public health and safety.

**Acronym List**

BASMAA – Bay Area Stormwater Management Agencies Association  
BAHM – Bay Area Hydrology Model  
BMP – Best Management Practices  
CDE – Continuous Deflective Separation  
CEQA – California Environmental Quality Act  
CoHHWP- Countywide Household Hazardous Waste Program  
DPR – Department of Pesticide Regulation  
DO – Dissolved Oxygen  
EPA- Environmental Protection Agency  
EPR – Extended Producer Responsibility  
FY – Fiscal Year  
GPM – Gallons per Minute  
HHW – Household Hazardous Waste  
HMP – Hydromodification Plan  
IC/ID – Illicit Connection/Illegal Discharge  
IND/COM – Industrial/Commercial  
IPM – Integrated Pest Management  
KAB – Keep America Beautiful  
LID – Low Impact Development  
MRP – Municipal Regional Permit  
MS4 – Municipal Separate Storm Sewer System  
N/A – Not Applicable  
NOI – Notice of Intent  
NOV – Notice of Violation  
NPDES – National Pollution Discharge Elimination System

NPS – Nonpoint Source  
O & M – Operation and Maintenance  
OWOW – Our Water, Our World

**AGREEMENT FOR THE PERFORMANCE OF SERVICES  
BY AND BETWEEN THE  
CITY OF SANTA CLARA, CALIFORNIA,  
AND  
RUMBLE TREE AND TURF**

**PREAMBLE**

This agreement for the performance of services (“Agreement”) is made and entered into on this \_\_\_\_\_ day of \_\_\_\_\_, 2012, (“Effective Date”) by and between Rumble Tree and Turf, a California corporation, with its principal place of business located at 1320 Amy Avenue, Modesto, CA 95357 (“Contractor”), and the City of Santa Clara, California, a chartered California municipal corporation with its primary business address at 1500 Warburton Avenue, Santa Clara, California 95050 (“City”). City and Contractor may be referred to individually as a “Party” or collectively as the “Parties” or the “Parties to this Agreement.”

**RECITALS**

- A. City desires to secure professional services more fully described in this Agreement, at Exhibit A, entitled “Scope of Services”;
- B. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,
- C. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

**AGREEMENT PROVISIONS**

**1. SERVICES TO BE PROVIDED.**

City employs Contractor to perform the services (“Services”) more fully described in Exhibit A entitled, “SCOPE OF SERVICES.” All of the exhibits referenced in this Agreement are attached and incorporated by this reference. Except as otherwise specified in this Agreement, Contractor shall furnish all necessary technical and professional services, including labor, material, equipment, transportation, supervision and expertise to satisfactorily complete the work required by City at his/her own risk and expense.

**2. TERM OF AGREEMENT.**

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on the Effective Date of this Agreement and terminate on December 31, 2013

**3. QUALIFICATIONS OF CONTRACTOR - STANDARD OF WORKMANSHIP.**

Contractor represents and maintains that it has the necessary expertise in the professional calling necessary to perform services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

The plans, designs, specifications, estimates, calculations, reports and other documents furnished under Exhibit A shall be of a quality acceptable to City. The criteria for acceptance of the work provided under this Agreement shall be a product of neat appearance, well organized, that is technically and grammatically correct, checked and having the maker and checker identified. The minimum standard of appearance, organization and content of the drawings shall be that used by City for similar projects.

**4. MONITORING OF SERVICES.**

City may monitor the Services performed under this Agreement to determine whether Contractor's operation conforms to City policy and to the terms of this Agreement. City may also monitor the Services to be performed to determine whether financial operations are conducted in accord with applicable City, county, state, and federal requirements. If any action of Contractor constitutes a breach, City may terminate this Agreement pursuant to the provisions described herein.

**5. WARRANTY.**

Contractor expressly warrants that all materials and services covered by this Agreement shall be fit for the purpose intended, shall be free from defect, and shall conform to the specifications, requirements, and instructions upon which this Agreement is based. Contractor agrees to promptly replace or correct any incomplete, inaccurate, or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Contractor. If Contractor fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Contractor for the cost incurred by City.

**6. PERFORMANCE OF SERVICES.**

Contractor shall perform all requested services in an efficient and expeditious manner and shall work closely with and be guided by City. Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it. Contractor will perform all Services in a safe manner and in accordance with all federal, state and local operation and safety regulations.

**7. RESPONSIBILITY OF CONTRACTOR.**

Contractor shall be responsible for the professional quality, technical accuracy and coordination of the Services furnished by it under this Agreement. Neither City's review,

acceptance, nor payments for any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement and Contractor shall be and remain liable to City in accordance with applicable law for all damages to City caused by Contractor negligent performance of any of the Services furnished under this Agreement.

Any acceptance by City of plans, specifications, construction contract documents, reports, diagrams, maps and other material prepared by Contractor shall not in any respect absolve Contractor from the responsibility Contractor has in accordance with customary standards of good professional practice in compliance with applicable federal, state, county, and/or municipal laws, ordinances, regulations, rules and orders.

## **8. COMPENSATION AND PAYMENT.**

In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and services rendered by Contractor at the rate per hour for labor and cost per unit for materials as outlined in Exhibit B, entitled "SCHEDULE OF FEES."

Contractor will bill City on a monthly basis for Services provided by Contractor during the preceding month, subject to verification by City. City will pay Contractor within thirty (30) days of City's receipt of invoice.

## **9. TERMINATION OF AGREEMENT.**

Either Party may terminate this Agreement without cause by giving the other Party written notice ("Notice of Termination") which clearly expresses that Party's intent to terminate the Agreement. Notice of Termination shall become effective no less than thirty (30) calendar days after a Party receives such notice. After either Party terminates the Agreement, Contractor shall discontinue further services as of the effective date of termination, and City shall pay Contractor for all Services satisfactorily performed up to such date.

## **10. NO ASSIGNMENT OR SUBCONTRACTING OF AGREEMENT.**

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

## **11. NO THIRD PARTY BENEFICIARY.**

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

**12. INDEPENDENT CONTRACTOR.**

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights, however, to manage its employees in their performance of Services under this Agreement. Contractor is not authorized to bind City to any contracts or other obligations.

**13. NO PLEDGING OF CITY'S CREDIT.**

Under no circumstances shall Contractor have the authority or power to pledge the credit of City or incur any obligation in the name of City. Contractor shall save and hold harmless the City, its City Council, its officers, employees, boards and commissions for expenses arising out of any unauthorized pledges of City's credit by Contractor under this Agreement.

**14. CONFIDENTIALITY OF MATERIAL.**

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

**15. USE OF CITY NAME OR EMBLEM.**

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

**16. OWNERSHIP OF MATERIAL.**

All material, including information developed on computer(s), which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports and other material developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Contractor may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Contractor shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

**17. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR.**

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for three (3) years from the date of final payment

for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City.

Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Services hereunder.

**18. CORRECTION OF SERVICES.**

Contractor agrees to correct any incomplete, inaccurate or defective Services at no further costs to City, when such defects are due to the negligence, errors or omissions of Contractor.

**19. FAIR EMPLOYMENT.**

Contractor shall not discriminate against any employee or applicant for employment because of race, color, creed, national origin, gender, sexual orientation, age, disability, religion, ethnic background, or marital status, in violation of state or federal law.

**20. HOLD HARMLESS/INDEMNIFICATION.**

To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and reasonable attorney's fees in providing a defense to any claim arising therefrom, for which City shall become liable arising from Contractor's negligent, reckless or wrongful acts, errors, or omissions with respect to or in any way connected with the Services performed by Contractor pursuant to this Agreement.

**21. INSURANCE REQUIREMENTS.**

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall purchase and maintain in full force and effect, at no cost to City insurance policies with respect to employees and vehicles assigned to the Performance of Services under this Agreement with coverage amounts, required endorsements, certificates of insurance, and coverage verifications as defined in Exhibit C.

**22. AMENDMENTS.**

This Agreement may be amended only with the written consent of both Parties.

**23. INTEGRATED DOCUMENT.**

This Agreement represents the entire agreement between City and Contractor. No other understanding, agreements, conversations, or otherwise, with any representative of City prior to execution of this Agreement shall affect or modify any of the terms or obligations of this Agreement. Any verbal agreement shall be considered unofficial information and is not binding upon City.

**24. SEVERABILITY CLAUSE.**

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

**25. WAIVER.**

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement.

**26. NOTICES.**

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara  
Attention: Street Department  
1500 Warburton Avenue  
Santa Clara, California 95050  
or by facsimile at (408) 988-0237

And to Contractor addressed as follows:

Name: Rumble Tree and Turf  
Address: 1320 Amy Avenue,  
Modesto, CA 95357  
or by facsimile at (209) 544-1323

If notice is sent via facsimile, a signed, hard copy of the material shall also be mailed. The workday the facsimile was sent shall control the date notice was deemed given if there is a facsimile machine generated document on the date of transmission. A facsimile transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following Monday.

**27. CAPTIONS.**

The captions of the various sections, paragraphs and subparagraphs of this Agreement are for convenience only and shall not be considered or referred to in resolving questions of interpretation.

**28. LAW GOVERNING CONTRACT AND VENUE.**

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

**29. DISPUTE RESOLUTION.**

- A. Unless otherwise mutually agreed to by the Parties, any controversies between Contractor and City regarding the construction or application of this Agreement, and claims arising out of this Agreement or its breach, shall be submitted to mediation within thirty (30) days of the written request of one Party after the service of that request on the other Party.
- B. The Parties may agree on one mediator. If they cannot agree on one mediator, the Party demanding mediation shall request the Superior Court of Santa Clara County to appoint a mediator. The mediation meeting shall not exceed one day (eight (8) hours). The Parties may agree to extend the time allowed for mediation under this Agreement.
- C. The costs of mediation shall be borne by the Parties equally.
- D. For any contract dispute, mediation under this section is a condition precedent to filing an action in any court. In the event of mediation which arises out of any dispute related to this Agreement, the Parties shall each pay their respective attorney's fees, expert witness costs and cost of suit, through mediation only. In the event of litigation, the prevailing party shall recover its reasonable costs of suit, expert's fees and attorney's fees.

**30. COMPLIANCE WITH ETHICAL STANDARDS.**

Contractor shall:

- A. Read Exhibit D, entitled "ETHICAL STANDARDS FOR CONTRACTORS SEEKING TO ENTER INTO AN AGREEMENT WITH THE CITY OF SANTA CLARA, CALIFORNIA"; and,
- B. Execute Exhibit E, entitled "AFFIDAVIT OF COMPLIANCE WITH ETHICAL STANDARDS."

**31. CONFLICT OF INTERESTS.**

This Agreement does not prevent either Party from entering into similar agreements with other parties. To prevent a conflict of interest, Contractor certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code

Section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise City if a conflict arises.

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives. It is the intent of the Parties that this Agreement shall become operative on the Effective Date.

“CONTRACTOR”

**AGREEMENT FOR THE PERFORMANCE OF SERVICES  
BY AND BETWEEN THE  
CITY OF SANTA CLARA, CALIFORNIA  
AND  
RUMBLE TREE AND TURF**

**EXHIBIT A**

**SCOPE OF SERVICES**

The Services to be performed for the City by Contractor under this Agreement are described below. A list of trees which are candidates for spraying or injection is attached.

**A. Scope of Work**

The work to be done consists of furnishing all labor, methods, tools and equipment which are necessary to accomplish the work of soil injections for control of aphids, scale on City-owned trees.

**B. Control of the Work**

Deviations from these specifications and plans, as may be required by unforeseen events or emergencies, will be mutually determined in all cases by the City and Contractor.

**C. Conformity with Plans and Allowable Deviation**

Deviations from these specifications and plans, as may be required by unforeseen events or emergencies, will be mutually determined in all cases by the City and Contractor.

**D. Temporary Suspension**

The City shall have the authority to suspend the work wholly or in part, for such period as may be deemed necessary, due to unsuitable weather, or to such other conditions as are considered unfavorable for the suitable prosecution of the work

**E. Coordination of Work**

Contractor shall be responsible for coordinating all tree care work activity with the City. Contractor shall establish a uniform time schedule for performance of routine tree work which shall be in conformance with general contract work hours or special tree care work requirements. Each evening before starting the next morning's work, Contractor's supervisor is required to fax a list of locations where Contractor's crews shall be located. The fax number is (408) 988-0237.

**F. Inspection**

The City shall be furnished with every reasonable facility for ascertaining full knowledge respecting the progress and workmanship. Each area of work will be inspected daily or as necessary. In the event the inspection report notes failure to satisfactorily maintain an area, Contractor shall immediately rework the area as directed by the City.

**G. Correction of Unsatisfactory/Unauthorized Work**

All unsatisfactory work shall be remedied in a manner acceptable to the City. No compensation will be allowed for such correction. Any work done beyond the limits shown by the specifications and plans or established by the City or any extra work done without written authority, will be considered as unauthorized and will not be paid.

Upon failure on the part of Contractor to comply forthwith with any order of the City made under the provisions of this article, the City shall have authority to cause unsatisfactory work to be remedied and to deduct the costs thereof from any monies due or to become due Contractor.

**H. Suspension of Contract**

If, at any time in the opinion of the City, Contractor has failed to supply an adequate working force, adequate equipment, or has failed in any respect to prosecute the work with the diligence and force specified and intended in and by the terms of the contract, notice thereof in writing will be served upon Contractor and should Contractor neglect or refuse to provide means for a satisfactory compliance with the contract as directed by the City, within the time specified in such notice, the City in any case shall have the power to suspend the operation of Contractor.

**I. Progress Payments, Monthly Billing**

Contractor shall submit, in duplicate, invoice for payment on a monthly basis to the following: City of Santa Clara, Street Department, 1700 Walsh Avenue, Santa Clara, CA 95050, Attn: Acting Assistant Director of Streets & Automotive Services.

The invoice shall indicate the type of tree care work completed, quantity, location, and dates work was accomplished. Only inspected and approved work will be paid.

**J. Completion of Work and Liquidated Damages**

Contractor shall complete all work called for under the contract in all parts and requirements as specified in these specifications by or before twenty (20) working days from Notice to Proceed. Time shall be of the essence for this contract. If Contractor fails to complete, within the time fixed for such completion, the work hereinbefore mentioned and described and hereby contracted to be done and performed, Contractor shall become liable to the City for liquidated damages in the sum of Five Hundred Dollars (\$500.00) for each and every day during which said work shall remain uncompleted beyond such time for completion or lawful extension thereof, which sum

shall be presumed to be the amount of damage thereby sustained by owner since it would be impracticable or extremely difficult to fix the actual damage; and the amount of liquidated damages may be deducted by City from monies due Contractor hereunder or his assigns and successors at the time of completion, and said Contractor hereunder, or his assigns and successors at the time of completion and his sureties shall be liable to City for any excess.

## **WORK SPECIFICATIONS**

### **A. Notification Of Public**

Contractor shall be responsible for notifying all property owners or residents at least two (2) days prior to any scheduled tree care work by distributing doorknob notices explaining the work to be performed.

### **B. Objection After Notification**

If objection to tree work occurs while work is in progress by the property owner or resident, Contractor shall immediately stop work on tree or trees in question and immediately notify the City at (408) 615-3080. Work shall not resume on that particular location until the City settles the complaint. Because citizens occasionally complain, Contractor shall assume and plan for this and report it to the City Supervisor and be prepared to move on to the next scheduled tree work.

### **C. Behavior Of Contractor's Employees**

Contractor agrees to prohibit the use of alcoholic beverages or drugs of any nature other than medical, by the drivers and crewmembers and requires employees to be properly and neatly clothed. Each employee shall be made aware of the stipulations and shall always represent Contractor in a neat and efficient manner.

### **D. Days And Hours Of Work**

Scheduled tree care work shall be performed during normal City working hours, 7:00 a.m. to 4:00 p.m., Monday through Friday. The City shall have the authority to change the hours of tree care work to meet the needs of the City.

### **E. Safety And Traffic Control**

When necessary Contractor is responsible for supplying and affixing all safety and traffic control signs and devices. Special care and preparation shall be taken in all work areas to avoid conditions that will create hazards. Contractor shall conduct tree care work so as to cause the least possible obstruction and inconvenience to traffic and the general public.

**F. Protection Of Private And Public Property**

Contractor is responsible for taking all necessary precautions to protect private property, including vehicles, by either rescheduling the work when no vehicles are present, or covering those in the work zones with plastic, and washing any vehicle that accidentally receives any overspray, if appropriate. Any claims arising from these operations will be the responsibility of Contractor.

**G. Work Records**

An up-to-date record of all tree care work shall be submitted daily to the City. Work records shall include date, address, type of tree care work performed, species, and other pertinent information or unusual conditions (City to supply forms). All written spray recommendations required by the California Department of Agriculture shall be supplied by Contractor who should hold a current (P.C.A.) pesticide advisor's license.

**H. Soil Injection Formulation Specifications**

One (1) 1.6 oz. packet per 24-48" trunk diameter (1 per tree) placed in 7 gallons of water dispersed around base of the tree directed at root zone. Where insufficient surface area is present (i.e. park strips) material will be injected into the soil using the "grid system".

Trees to be treated on this contract are Modesto Ash, Pine, Holly Oak, Raywood Ash, Tulip, Holly Oak and Maple located along City streets. The pests to be controlled are aphids and tulip scale. All trees to be injected are the property of the City of Santa Clara.

Specific locations of trees to be treated are indicated on Table 1 of the specifications entitled "List of Required Work".

It is required that this work be performed by or under the supervision of and appropriately licensed spray contractor. It is further required that it be performed in a safe, timely and efficient manner, paying all due attention to the safety of the job site, spectators and passersby. It is imperative that Contractor follow all State of California, Department of Agriculture guidelines concerning safe handling and application of all pesticides.

**AGREEMENT FOR THE PERFORMANCE OF SERVICES  
BY AND BETWEEN THE  
CITY OF SANTA CLARA, CALIFORNIA  
AND  
RUMBLE TREE AND TURF**

**EXHIBIT B**

**SCHEDULE OF FEES**

Soil inject miscellaneous trees as necessary at various locations within Santa Clara City limits with Safari 20 SG as specified by City representative. Contractor to supply all equipment and labor to properly perform tree injections per City specifications. City to provide all insecticide to Contractor.

Labor to soil inject various City trees as specified by City representative exclusive of Equipment and Materials (Price is quoted per tree): \$8.61

In no event shall the amount billed to City by Contractor for services under this Agreement exceed Forty Nine Thousand Dollars (\$49,000), subject to budget appropriations.

**AGREEMENT FOR THE PERFORMANCE OF SERVICES  
BY AND BETWEEN THE  
CITY OF SANTA CLARA, CALIFORNIA  
AND  
RUMBLE TREE AND TURF**

**EXHIBIT C**

**INSURANCE REQUIREMENTS**

**INSURANCE COVERAGE REQUIREMENTS**

Without limiting the Contractor's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Contractor shall purchase and maintain in full force and effect, at its sole cost and expense, the following insurance policies with at least the indicated coverages, provisions and endorsements:

**A. COMMERCIAL GENERAL LIABILITY INSURANCE**

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

\$1,000,000 each occurrence  
\$1,000,000 general aggregate  
\$1,000,000 products/completed operations aggregate  
\$1,000,000 personal injury

2. Exact structure and layering of the coverage shall be left to the discretion of Contractor; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.
3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Contractor to comply with the insurance requirements of this Agreement:
  - a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;
  - b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and
  - c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

**B. BUSINESS AUTOMOBILE LIABILITY INSURANCE**

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01, with minimum policy limits of not less than one million dollars (\$1,000,000) each accident using, or providing coverage at least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned, non-owned and hired autos.

**C. WORKERS' COMPENSATION**

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with the following limits: at least one million dollars (\$1,000,000) policy limit Illness/Injury by disease, and one million dollars (\$1,000,000) for each Accident/Bodily Injury.
2. The indemnification and hold harmless obligations of Contractor included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Contractor or any subcontractor under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).
3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

**D. COMPLIANCE WITH REQUIREMENTS**

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Contractor's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 11 85 or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.
2. Primary and non-contributing. Each insurance policy provided by Contractor shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Contractor's insurance.
3. Cancellation.
  - a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided due to non-payment of premiums shall be effective until written notice has been given

to City at least ten (10) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.

- b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.
4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through D of this Exhibit C, above.

#### E. ADDITIONAL INSURANCE RELATED PROVISIONS

Contractor and City agree as follows:

1. Contractor agrees to ensure that subcontractors, and any other party involved with the Services, who is brought onto or involved in the performance of the Services by Contractor, provide the same minimum insurance coverage required of Contractor, except as with respect to limits. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Contractor agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.
2. Contractor agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Contractor for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.
3. The City reserves the right to withhold payments from the Contractor in the event of material noncompliance with the insurance requirements set forth in this Agreement.

#### F. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Contractor, and each and every subcontractor (of every tier) shall, at its sole cost and expense, purchase and maintain not less than the minimum insurance coverage with the endorsements and

deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Contractor shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

**G. EVIDENCE OF COMPLIANCE**

Contractor or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Contractor shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

EBIX Inc.		
City of Santa Clara [Street Department]		
P.O. 12010-S2	or	151 North Lyon Avenue
Hemet, CA 92546-8010		Hemet, CA 92543

Telephone number:	951-766-2280
Fax number:	770-325-0409
Email address:	ctsantaclara@ebix.com

**H. QUALIFYING INSURERS**

All of the insurance companies providing insurance for Contractor shall have, and provide written proof of, an A. M. Best rating of at least A minus 6 (A- VI) or shall be an insurance company of equal financial stability that is approved by the City or its insurance compliance representatives.

CITY OF SANTA CLARA, CALIFORNIA  
AND  
RUMBLE TREE AND TURF**

**EXHIBIT D**

**ETHICAL STANDARDS FOR CONTRACTORS SEEKING TO ENTER INTO  
AN AGREEMENT WITH THE CITY OF SANTA CLARA, CALIFORNIA**

**Termination of Agreement for Certain Acts.**

- A. The City may, at its sole discretion, terminate this Agreement in the event any one or more of the following occurs:
1. If a Contractor<sup>1</sup> does any of the following:
    - a. Is convicted<sup>2</sup> of operating a business in violation of any Federal, State or local law or regulation;
    - b. Is convicted of a crime punishable as a felony involving dishonesty<sup>3</sup>;
    - c. Is convicted of an offense involving dishonesty or is convicted of fraud or a criminal offense in connection with: (1) obtaining; (2) attempting to obtain; or, (3) performing a public contract or subcontract;
    - d. Is convicted of any offense which indicates a lack of business integrity or business honesty which seriously and directly affects the present responsibility of a City contractor or subcontractor; and/or,
    - e. Made (or makes) any false statement(s) or representation(s) with respect to this Agreement.

---

<sup>1</sup> For purposes of this Agreement, the word “Consultant” (whether a person or a legal entity) also refers to “Contractor” and means any of the following: an owner or co-owner of a sole proprietorship; a person who controls or who has the power to control a business entity; a general partner of a partnership; a principal in a joint venture; or a primary corporate stockholder [i.e., a person who owns more than ten percent (10%) of the outstanding stock of a corporation] and who is active in the day to day operations of that corporation.

<sup>2</sup> For purposes of this Agreement, the words “convicted” or “conviction” mean a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere within the past five (5) years.

<sup>3</sup> As used herein, “dishonesty” includes, but is not limited to, embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, failure to pay tax obligations, receiving stolen property, collusion or conspiracy.

2. If fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee or other individual associated with the Contractor can be imputed to the Contractor when the conduct occurred in connection with the individual's performance of duties for or on behalf of the Contractor, with the Contractor's knowledge, approval or acquiescence, the Contractor's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval or acquiescence.
- B. The City may also terminate this Agreement in the event any one or more of the following occurs:
1. The City determines that Contractor no longer has the financial capability<sup>4</sup> or business experience<sup>5</sup> to perform the terms of, or operate under, this Agreement; or,
  2. If City determines that the Contractor fails to submit information, or submits false information, which is required to perform or be awarded a contract with City, including, but not limited to, Contractor's failure to maintain a required State issued license, failure to obtain a City business license (if applicable) or failure to purchase and maintain bonds and/or insurance policies required under this Agreement.
- C. In the event a prospective Contractor (or bidder) is ruled ineligible (debarred) to participate in a contract award process or a contract is terminated pursuant to these provisions, Contractor may appeal the City's action to the City Council by filing a written request with the City Clerk within ten (10) days of the notice given by City to have the matter heard. The matter will be heard within thirty (30) days of the filing of the appeal request with the City Clerk. The Contractor will have the burden of proof on the appeal. The Contractor shall have the opportunity to present evidence, both oral and documentary, and argument.

---

<sup>4</sup> Contractor becomes insolvent, transfers assets in fraud of creditors, makes an assignment for the benefit of creditors, files a petition under any section or chapter of the federal Bankruptcy Code (11 U.S.C.), as amended, or under any similar law or statute of the United States or any state thereof, is adjudged bankrupt or insolvent in proceedings under such laws, or a receiver or trustee is appointed for all or substantially all of the assets of Contractor.

<sup>5</sup> Loss of personnel deemed essential by the City for the successful performance of the obligations of the Contractor to the City.

**EXHIBIT E**

**AFFIDAVIT OF COMPLIANCE WITH ETHICAL STANDARDS**

I hereby state that I have read and understand the language, entitled “Ethical Standards” set forth in Exhibit D. I have the authority to make these representations on my own behalf or on behalf of the legal entity identified herein. I have examined appropriate business records, and I have made appropriate inquiry of those individuals potentially included within the definition of “Contractor” contained in Ethical Standards at footnote 1.

Based on my review of the appropriate documents and my good-faith review of the necessary inquiry responses, I hereby state that neither the business entity nor any individual(s) belonging to said “Contractor” category [i.e., owner or co-owner of a sole proprietorship, general partner, person who controls or has power to control a business entity, etc.] has been convicted of any one or more of the crimes identified in the Ethical Standards within the past five (5) years.

The above assertions are true and correct and are made under penalty of perjury under the laws of the State of California.

Written evidence of the authority of the person executing this affidavit on behalf of a corporation, partnership, joint venture, or any other legal entity, other than a sole proprietorship, shall be attached.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE OF THE CITY OF SANTA CLARA, CALIFORNIA, THAT THE CITY COUNCIL OF THE CITY OF SANTA CLARA APPROVE AND CERTIFY A NEGATIVE DECLARATION AND ADD ARTICLE VI (“SINGLE-USE CARRY-OUT BAGS”) TO CHAPTER 13.20 (“STORM DRAINS AND DISCHARGES”) OF TITLE 13 (“PUBLIC SERVICES”) OF “THE CODE OF THE CITY OF SANTA CLARA, CALIFORNIA” TO PROHIBIT THE USE OF SINGLE-USE CARRY-OUT PLASTIC BAGS**

**BE IT ORDAINED BY THE CITY OF SANTA CLARA AS FOLLOWS:**

**WHEREAS**, single-use carry-out plastic bags contribute to problematic litter because of their lightweight nature, which allows them to be conveyed through the storm drain system into creeks and eventually the bay, where birds and other marine wildlife mistake plastic litter for food;

**WHEREAS**, single-use carry-out plastic bags comprised eight percent (8%) of trash transported via urban runoff into stormdrains according to a study conducted from 2009 to 2012 by the Bay Area Stormwater Management Agencies Association;

**WHEREAS**, single-use carry-out plastic bags no longer have a recycling market and are being disposed of as residual in landfills; and,

**WHEREAS**, on March 18, 2014, City Council directed staff to conduct an Initial Study and pursue a Negative Declaration for a single-use carry-out plastic bag ordinance to require grocery stores, pharmacies and retail stores to stop providing single-use carry-out plastic bags to reduce litter, minimize the harm to wildlife, and improve water quality in Santa Clara creeks and the Southern San Francisco Bay.

**WHEREAS**, pursuant to the California Environmental Quality Act (CEQA), and the regulations implementing the Act, specifically 14 Cal. Code of Regs. § 15070, an Initial Study was prepared which failed to identify any potentially significant effects on the environment. The resulting

Negative Declaration was prepared, distributed and noticed for a 30-day public review and comment of the potential environmental impacts related to the project, beginning June 16, 2014 and concluding on July 16, 2014;

**WHEREAS**, the City received two written comments during that Comment Period which were all supportive of the Ordinance. No written responses to them were necessary;

**WHEREAS**, the City Council has reviewed the Initial Study and Negative Declaration prepared for the project, the City Staff reports pertaining to the Initial Study and Negative Declaration and all evidence received at a duly noticed public hearing on August 19, 2014. All of these documents and evidence are herein incorporated by reference.

**NOW THEREFORE, BE IT FURTHER ORDAINED BY THE CITY OF SANTA CLARA AS FOLLOWS:**

**SECTION 1:** That the City Council hereby finds that the above Recitals are true and correct and by this reference makes them a part hereof.

**SECTION 2:** That the City Council hereby finds that the Initial Study and Negative Declaration were completed for this project in compliance with CEQA, that there is no substantial evidence that the project and the adoption of this Ordinance will have no significant effect on the environment or negative impacts on the area's resources, cumulative or otherwise, as the impacts fall within the environmental thresholds identified by CEQA, and the City Council hereby adopts the Initial Study and Negative Declaration.

**SECTION 3:** That the City Council hereby designates the Director of Planning and Inspection as the Custodian of Records for the project, and the Planning and Inspection Division at City Hall, 1500 Warburton Avenue, Santa Clara, California, is the location of the documents and other material that constitute the record of proceedings upon which this decisions is based;

**SECTION 4:** That a new Article VI (“Single-Use Carry-Out Plastic Bags”) is added to Chapter 13.20 (“Storm Drains and Discharges”) of Title 13 (“Public Services”) of “The Code of the City of Santa Clara, California” (“SCCC”) to read as follows:

**“Article VI. Single-Use Carry-Out Plastic Bags**

**13.20.190 Definitions.**

- (a) “Customer” means any person obtaining goods from a retail establishment.
- (b) “Nonprofit Charitable Organization” means a charitable organization, as defined in Section 501(c)(3) of the Internal Revenue Code of 1986.
- (c) “Person” means any natural person, firm, corporation, partnership or other organization or group however organized.
- (d) “Prepared Food” means food or beverage which is prepared on the premises by cooking, chopping, slicing, mixing, freezing or squeezing, and which requires no further preparation to be consumed. “Prepared Food” does not include any produce, bulk food or meat department within a Retail Establishment.
- (e) “Public Eating Establishment” means a:
  - (1) Restaurant, take-out food establishment or any other business that receives ninety percent (90%) or more of its revenue from the sale of Prepared Food to be eaten on or off its premises; or
  - (2) Department, unit or section located within and operated by a Retail Establishment that generates ninety percent (90%) or more of its revenue from the sale of Prepared Food to be eaten on or off its premises, and the department, unit or section does not engage in the sale of perishable or nonperishable goods from another department, unit or section within the same Retail Establishment.

(f) “Recycled Paper Bag” means a paper bag provided at the check stand, cash register, point of sale or other point of departure for the purpose of transporting food or merchandise out of the establishment that contains no old growth fiber and a minimum of forty percent (40%) post-consumer recycled content; is one hundred percent (100%) recyclable; and has printed in a highly visible manner on the outside of the bag the word “Recyclable,” the name and location of the manufacturer, and the percentage of post-consumer recycled content.

(g) “Retail Establishment” means any commercial establishment that sells perishable or nonperishable goods including, but not limited to, clothing, food and personal items directly to the Customer; and is located within or doing business within the geographical limits of the City of Santa Clara. “Retail Establishment” does not include Public Eating Places, Nonprofit Charitable Organizations, or Farmer’s Markets.

(h) “Reusable Bag” means either a bag made of cloth or machine washable fabric that has handles, or a durable plastic bag with handles that is at least 2.25 mil thick and is specifically designed and manufactured for multiple reuse.

(i) “Single-Use Carry-Out Bag” means a bag other than a Reusable Bag provided at the check stand, cash register, point of sale or other point of departure for the purpose of transporting food or merchandise out of the establishment. “Single-Use Carry-Out Bags” do not include bags without handles provided to the Customer: (1) to transport produce, prepared food, bulk food or meat from a produce, deli, bulk food or meat department within a store to the point of sale; (2) to hold prescription medication dispensed from a pharmacy; (3) to segregate food or merchandise that could damage or contaminate other food or merchandise when placed together in a Reusable Bag or Recycled Paper Bag; (4) to protect clothing or garments after cleaning; or (5) to place personal items for the purpose of security requirements.

**13.20.200 Single-Use Carry-Out Bags prohibited.**

(a) No Retail Establishment shall provide a Single-Use Carry-Out Bag to a Customer, at the check stand, cash register, point of sale or other point of departure for the purpose of transporting food or merchandise out of the establishment effective December 1, 2014.

(b) On or before December 1, 2014, a Retail Establishment may make available for sale to a Customer a Recycled Paper Bag or a Reusable Bag for a minimum charge of ten cents.

(c) Notwithstanding this Section, no Retail Establishment may make available for sale a Recycled Paper Bag unless the amount of the sale of the Recycled Paper Bag is separately itemized on the sale receipt.

(d) A Retail Establishment may provide a Customer participating in the California Special Supplement Food Program for Women, Infants, and Children pursuant to Article 2 (commencing with Section 123275) of Chapter 1 or Part 2 of Division 106 of the Health and Safety Code; and a Customer participating in the Supplemental Food Program pursuant to Chapter 10 (commencing with Section 15500) of Part 3 of Division 9 of the California Welfare and Institutions Code, with one or more Recycled Paper Bags at no cost.

**13.20.210 Administrative fine.**

(a) A fine may be imposed upon findings made by the City Manager, his or her designee, or a code enforcement officer, that any Retail Establishment has provided a Single-Use Carry-Out Bag to a Customer in violation of this Chapter.

(b) Upon findings made under subsection (a), the retail establishment shall be subject to an administrative fine as follows:

- (1) A fine not exceeding one hundred dollars (\$100.00) for a first violation;
- (2) A fine not exceeding two hundred dollars (\$200.00) for a second violation;

(3) A fine not exceeding five hundred dollars (\$500.00) for a third and subsequent violations;

(4) Each instance that a Retail Establishment has provided Single-Use Carry-Out Bags to a Customer constitutes a separate violation.”

**SECTION 5: Savings clause.** The changes provided for in this ordinance shall not affect any offense or act committed or done or any penalty or forfeiture incurred or any right established or accruing before the effective date of this ordinance; nor shall it affect any prosecution, suit or proceeding pending or any judgment rendered prior to the effective date of this ordinance. All fee schedules shall remain in force until superseded by the fee schedules adopted by the City Council.

**SECTION 6: Constitutionality, severability.** If any section, subsection, sentence, clause, phrase, or word of this ordinance is for any reason held by a court of competent jurisdiction to be unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining portions of the ordinance. The City Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more section(s), subsection(s), sentence(s), clause(s), phrase(s), or word(s) be declared invalid.

///

I:\ORDINANCES\14.0952 Chapter 13.20 Prohibit Single Use Carry Out Plastic Bags 7-30-14.doc

**ORDINANCE NO. 1925**

**AN ORDINANCE OF THE CITY OF SANTA CLARA, CALIFORNIA, TO ADD ARTICLE V ("POLYSTYRENE FOAM DISPOSABLE SERVICE WARE") TO CHAPTER 13.20 ("STORM DRAINS AND DISCHARGES") TO TITLE 13 ("PUBLIC SERVICES") OF "THE CODE OF THE CITY OF SANTA CLARA, CALIFORNIA" TO PROHIBIT THE USE OF POLYSTYRENE FOAM DISPOSABLE FOOD SERVICE WARE**

**BE IT ORDAINED BY THE CITY OF SANTA CLARA AS FOLLOWS:**

**WHEREAS**, polystyrene foam is a distinctive litter concern because it is lightweight, floats and readily travels from land to inland waterways and out to the ocean where it breaks down into small pieces to be mistaken for food by birds and other marine wildlife;

**WHEREAS**, polystyrene disposable food service ware comprises a majority of expanded polystyrene ("EPS") litter observed in storm drains;

**WHEREAS**, the proposed phase-out of polystyrene disposable food service ware would require vendors to use alternative disposable food service ware that should result in a reduction in EPS litter, reduce the harm to aquatic wildlife, and improve water quality in Santa Clara creeks and the Southern San Francisco Bay;

**WHEREAS**, the proposed regional ordinances disallowing the use of polystyrene disposable food service ware constitute "Projects" subject to the California Environmental Quality Act ("CEQA"), Pub. Res. Code § 21000 et seq.;

**WHEREAS**, the City of San Jose, as lead agency, conducted and prepared a regional environmental review pursuant to CEQA, and included the City of Santa Clara as a responsible agency in that review;

**WHEREAS**, on August 27, 2013, the City of San Jose conducted a public hearing and adopted the Negative Declaration analyzing the regional environmental impacts of local ordinances in the region to phase-out polystyrene disposable food service ware;

**WHEREAS**, as a responsible agency in that CEQA review, the City of Santa Clara must make a determination as to the adequacy of the environmental documentation prepared for the Project and make findings for each significant environmental impact effect, if any, pursuant to CEQA Guidelines Section 15096(h); and,

**WHEREAS**, the Santa Clara City Council now wishes to make its own determination with respect to the Negative Declaration for the phase-out of polystyrene disposable food service ware, and adopt its own ordinance phasing out such polystyrene disposable food service ware.

**NOW THEREFORE, BE IT FURTHER ORDAINED BY THE CITY OF SANTA CLARA AS FOLLOWS:**

**SECTION 1:** That pursuant to CEQA Guidelines Section 15050(b), the City of Santa Clara hereby certifies the City Council has reviewed and considered the information in the Negative Declaration for the Project.

**SECTION 2:** In its limited role as a responsible agency under CEQA, the City of Santa Clara has reviewed and considered the information contained in the Negative Declaration, environmental findings, supporting documentation, and the whole of the record of proceedings. Based on this review, and pursuant to CEQA Guidelines Section 15096, the City of Santa Clara finds that, as to those potential environmental impacts with the City's powers and authorities as responsible agency, the Negative Declaration contains a complete, objective and accurate reporting of those potential impacts, and these findings reflect the independent judgment and analysis of the City Council of

Santa Clara. The environmental findings, as adopted by the City of San Jose, are incorporated herein by reference only and available for review in the City Clerk's Office.

**SECTION 3:** That a new Article V ("Polystyrene Foam Disposable Service Ware") is added to Chapter 13.20 ("Storm Drains and Discharges") of Title 13 ("Public Services") of "The Code of the City of Santa Clara, California," ("SCCC") to read as follows:

**"Article V. Polystyrene Foam Disposable Service Ware**

**13.20.160 Definitions.**

(a) "Disposable food service ware" means single-use disposable products used in the restaurant and food industry for serving prepared food and includes, but is not limited to, plates, trays, cups, bowls and hinged or lidded containers (clamshells). "Disposable food service ware" does not include straws, utensils, drink lids or ice chests.

(b) "Food vendor" means any establishment located in the City of Santa Clara that sells or otherwise provides prepared food for consumption on or off its premises, and includes, but is not limited to, any shop, sales outlet, restaurant, bar, pub, coffee shop, cafeteria, caterer, convenience store, liquor store, grocery store, supermarket, delicatessen, mobile food truck, vehicle or cart, or roadside stand. A "food vendor" does not include a food service provider that is associated with either a nonprofit organization with Section 501(c)(3) status under the Internal Revenue Code or a public agency sponsored program.

(c) "National food vendor" means a food vendor that is a chain of franchised or corporate owned establishments located in more than one state.

(d) "Polystyrene foam" means a thermoplastic petrochemical material made from a styrene monomer and expanded or blown using a gaseous agent (expanded polystyrene), injection molding, form molding, and extrusion-blow molding (extruded foam polystyrene). "Polystyrene

foam” is commonly made into disposable food service ware products. “Polystyrene foam” does not include clear or solid polystyrene (oriented polystyrene).

(e) “Prepared food” means food or beverages that are packaged, cooked, chopped, sliced, mixed, brewed, frozen, squeezed or otherwise prepared on the premises. “Prepared food” does not include: (1) any raw, uncooked meat products or fruits or vegetables unless it can be consumed without further preparation; or (2) prepackaged food that is delivered to the food vendor wholly encased, contained or packaged in a container or wrapper, and sold or otherwise provided by the food vendor in the same container or packaging.

**13.20.170 Polystyrene foam disposable food service ware prohibited.**

(a) No national food vendor shall sell or otherwise provide prepared food in polystyrene foam disposable food service ware on or after September 1, 2014.

(b) No food vendor shall sell or otherwise provide prepared food in polystyrene foam disposable food service ware on or after January 1, 2015.

**13.20.180 Exemptions to the polystyrene foam disposable food service ware prohibition.**

(a) A national food vendor or food vendor may seek an exemption from the prohibition under Section 13.20.170 due to a “unique packaging hardship” under Subsection (b) of this Section or a “financial hardship” under Subsection (c) of this Section.

(b) The national food vendor or food vendor must demonstrate that no reasonably feasible alternative exists to a specific and necessary polystyrene foam disposable food service ware to qualify for a “unique packaging hardship” exemption.

(c) The national food vendor or food vendor must demonstrate both the following to qualify for a “financial hardship” exemption: (1) a gross income under \$300,000 on its annual income tax filing for the most recent tax year, and (2) with respect to each specific and necessary

polystyrene foam disposable food service ware, that there is no feasible alternative that would cost the same or less than the polystyrene foam disposable food service ware.

~~(d)~~ The national food vendor or food vendor may submit a written application for an exemption on a form provided by the Public Works Department. The Director of Public Works or designee may require the applicant to submit additional information or documentation to make a determination regarding the exemption request. A request for exemption shall be with or without condition, for a period of twelve (12) months. The national food vendor or food vendor must apply for a new exemption period no later than sixty (60) days prior to the expiration of the then current exemption period to preserve a continuous exemption status. Each application shall be reviewed anew and will be based on the most current information available. The determination of the Director or designee shall be final and is not subject to appeal.”

**SECTION 4: Savings clause.** The changes provided for in this ordinance shall not affect any offense or act committed or done or any penalty or forfeiture incurred or any right established or accruing before the effective date of this ordinance; nor shall it affect any prosecution, suit or proceeding pending or any judgment rendered prior to the effective date of this ordinance. All fee schedules shall remain in force until superseded by the fee schedules adopted by the City Council.

**SECTION 5: Constitutionality, severability.** If any section, subsection, sentence, clause, phrase or word of this ordinance is for any reason held by a court of competent jurisdiction to be unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining portions of the ordinance. The City Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more section(s), subsection(s), sentence(s), clause(s), phrase(s), or word(s) be declared invalid.

**SECTION 6: Effective date.** This ordinance shall take effect thirty (30) days after its final adoption; however, prior to its final adoption it shall be published in accordance with the requirements of Section 808 and 812 of "The Charter of the City of Santa Clara, California."
