Re: Proposed Wetland and Riparian Area Protection Policy

The Supreme Court decision has really let us down in terms of protecting all wetland important habitat. The above proposed policy offers 4 alternatives. The one that provides the best long term protection, so needed, is Alternative 4. Please do prefer that and issue the strongest possible affirmation of the need for policies like this.

Many, many thanks.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. Smith".
