

**Section A3. Distribution List and Contact Information**

A copy of this QAMP, in hardcopy or in electronic format (preferably), is to be received and retained by at least one person from each participating entity. Names of SWAMP staff at each participating entity are shown below, as provided to the SWAMP QA Program to date. At least one person from each participating entity (names shown with asterisk\*) shall be responsible for receiving, retaining, and distributing to their respective SWAMP staff within their own organization. Contact information for the primary SWAMP contact person for each participating organization is also provided below in Table 1. This information is also repeated in **Appendix A**, along with a detailed description of SWAMP Programmatic Organization and Responsibilities.
