FUND UPDATES & NEWS (FUN) Tri-Annual Online Meeting
March 16, 2017 from 1 p.m. to 3 p.m.
(March 1, 2017)

The UST Cleanup Fund is scheduling tri-annual Fund Updates & News (FUN) meetings - February, July, and November. The next FUN meeting will be held on **March 16, 2017 from 1 p.m. to 3 p.m.** The meeting access information is shown below.

FUN meetings are intended to share basic information about Cleanup Fund programs and processes, provide updates, share upcoming changes and observed trends, and respond to non-claim-specific questions received prior to the FUN meeting. Most of this information is already available on the [Cleanup Fund website](http://www.waterboards.ca.gov/water_issues/programs/ustcf/docs/ust_updates_fun.pdf). The standing FUN meeting agenda is posted at: http://www.waterboards.ca.gov/water_issues/programs/ustcf/docs/ust_updates_fun.pdf. A reference document that includes links to frequently requested information can also be found on this link. The reference document should be checked the day prior to the FUN meeting for updates. During the FUN meeting, we will not respond to claim-specific or hypothetical questions because the former is too narrow and the latter too broad. Stakeholders may email questions to the Fund general email address prior to the meeting. Questions may be sent via email during the meeting, but in order to provide thoughtful responses, we may not be able to respond at that time. Further follow-up may include new Lyris emails, posting of additional information on the Fund website, and additions to the Frequently Asked Questions (FAQs).
