STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS
ORDER WR-2001-23-DWR

In the Matter of Permit 8649 (Application 13130) and Application 12-1986
Browns Valley Irrigation District

**ORDER CORRECTING
ORDER WR-2001-17-DWR**

SOURCE: Yuba River

COUNTY: Yuba

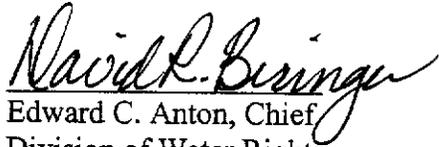

WHEREAS:

1. On June 13, 2001, BVID filed a petition with the State Water Resources Control Board (SWRCB) requesting changes to allow the transfer of water to the Department of Water Resources (DWR). The petition requested a transfer time period of July 1, 2001 to September 30, 2001. As a result of the shutdown of the DWR' California Aqueduct for repairs, it was concluded that additional time might be needed to accomplish the transfer. Therefore, the public notice dated June 21, 2001 identified the transfer period as July 1 to October 31, 2001.
2. Due to administrative oversight, the Order WR-2001-17-DWR dated August 2, 2001 erroneously included the wrong ending date (September 30, 2001) for the transfer period.
3. SWRCB Resolution No. 99-031 Section 3.1.6 delegates to the Chief, Division of Water Rights the authority to amend or modify a decision or order to correct an obvious typographical or clerical error or oversight.

NOW, THEREFORE, IT IS ORDERED THAT:

Condition No.1 of Order WR-2001-17-DWR is corrected to read as follows:

The Transfer/exchange is limited to the period commencing August 2, 2001 through October 31, 2001.

Edward C. Anton, Chief
Division of Water Rights

Dated: August 22, 2001
