Dear Ms Marcus & board members,

Today, 14 of my friends & I rafted the Summit
of the American River. What a fabulous day on
the river! This is my second year in a row and
I'm trying to make sure that I get to raft at least
once a year.

Please help ensure that natural river flows
continue, making the delta so I and others, and
generations after us may continue to enjoy
the American & other rivers.

Respectfully yours,
Cynthia Neuwalder
