

Dear Chair & Members
of the Board

SAN FRANCISCO, CA 941

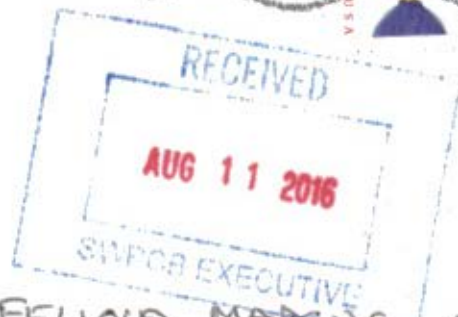

09 AUG 2016 PM 6 T

For years I have enjoyed
the resources of the
Sacramento - San Joaquin
Delta, swimming, boating,
fishing, rafting. I want these
resources preserved for future
generations. Please make
sure that summer and fall
flows be sufficient to maintain
fish & wildlife in the San
Joaquin and its tributaries.

Sincerely,

STEVEN PASKOFF
