**CALIFORNIA DEPARTMENT OF
WATER RESOURCES' RESPONSE
TO CALIFORNIA WATER
RESEARCH'S EVALUATION OF
TESTIMONY RELATED TO MODEL
RESULTS**

17 California Department of Water Resources ("DWR") submits this response to
18 California Water Research's July 12, 2016 submission entitled, "Evaluation of Testimony
19 on the Reliability of the Methods Used to Produce CalSim and DSM2 Model Results" in
20 the matter of DWR and U.S. Bureau of Reclamation's (collectively "Petitioners'") Request
21 for a Change in Point of Diversion for California Water Fix. It is unclear whether this
22 submission is an objection, a request for official notice, or submission of evidence.
23 Regardless of what category it falls into, the Board should disregard it for the following
24 reasons. If it is an objection, it does not cite any laws or rules to support its reasoning. If
25 it is a request for official notice, it does not meet the standards of Title 23, California
26 Code of Regulations, Section 648.2. If it is a submission of evidence, it does not comply
27
28

1 with the structure and deadlines for submission of evidence in the Board's prior orders.
