Greetings,

I have been a property owner in the Sebastopol un-incorporated area near Occidental for the past 35 years. I have been informed by a phone call from a neighbor tonight that you are having a meeting tomorrow to address water concerns in my area of the head waters of the Dutch Bill Creek, Green Valley Creek and Atascadero Creek. I have not received any written information regarding your issues and concerns, as I was unable to get to my post office since last Friday.

Please reschedule your meeting in this area for a latter date so that I may attend and be informed of any issues that may impact my water rights in the future.

Thank you for your consideration.
