

Certification of the Final Environmental Impact Statement/Environmental Impact Report (Final EIS/EIR) for the Truckee River Operating Agreement (SCH#2004042078)

As Secretary for the Resources Agency, I have reviewed the Truckee River Operating Agreement Final Environmental Impact Statement/Environmental Impact Report (Final EIS/EIR), including the responses to comments on the Draft EIS/EIR, and other related documents for the Final EIS/EIR prepared by the Department of Water Resources.

I hereby certify:

1. The EIS/EIR has been completed in compliance with the California Environmental Quality Act (CEQA).
2. The EIS/EIR is adequate.
3. The EIS/EIR was presented to the Resources Agency and the Resources Agency reviewed and considered the information contained in the Final EIS/EIR prior to approving the project.
4. The Final EIS/EIR reflects the independent judgment and analysis of the Resources Agency.

Mike Chrisman
