

Revisions to Chapter 8, “List of Contributors”

Chapter 8 presents only the contributors who assisted with the preparation of this document (the Draft SEIS/REIR). Chapter 8 is being revised in response to public comments received on the Draft EIS/EIR (Jones & Stokes 2003). The complete revised chapter will be presented in the Final EIS/EIR.

Consultant Contribution—Jones & Stokes

Contributor	Degree(s)	Years of Experience	Expertise
Jennifer Alvarez	B.S.	9	Environmental data analysis, wildlife biology
Kenneth Bogdan	B.S. J.D.	15	Environmental law counsel; environmental law; NEPA/SEPA/CEQA compliance; regulatory compliance
Katherine Carpenter	B.A.	3	Botany, soil science, wetlands ecology
Steven Centerwall	B.S.	18	Principal; environmental policy analysis and planning
Lily Douglas	A.S.	1.5	GIS
Tom Engels	Ph.D. B.A.	12.5	Conservation planning, regulatory compliance, water resource planning
Scott Frazier	M.S. B.S. CPSSc.	7	Soil science, geology, watershed management, wetland delineation and restoration, and soil and erosion control
Colleen Lingappaiah	B.A.	14	Water resources project manager; NEPA, CEQA, and ESA compliance; Clean Water Act Section 404 permitting; wetland ecology
Kim Marcotte	M.S. (2) B.A.	1	Project coordinator; CEQA and NEPA compliance; Clean Water Act Section 404 permitting
Sara Martin	B.A.	5	Project coordinator; CEQA and NEPA compliance
Corrine Ortega	A.A.	15	Word processing

Contributor	Degree(s)	Years of Experience	Expertise
Terry Rivasplata	B.S.	25	Senior planner in management, preparation of environmental plans, and instructor
Megan Robinson	M.S. B.S.	1	Project coordinator; aquatic ecology, hydrology, water quality
Vanessa Rutter	B.A.	2.5	Open space and recreational planning, urban and regional planning, landscape architecture
Brad Schafer	B.S.	9	Botany, plant ecology, wetlands ecology
Warren Shaul	M.S. B.S.	31	Fish biologist; population modeling, statistical design and application, fishery management
John Sterling	B.A.	24	Wildlife biology, migratory bird ecology
Darle Tilly	A.B.	20	Technical writer and editor
Kiran Toor	B.S.	2.5	Environmental design, web design, and graphics
Ellen Unsworth	B.A. M.S.	8	Technical editor
Erin VanDehey	B.S.	9	Fisheries biologist and ecologist

Agency Contribution

Contributing Entity	Contributor
Bureau of Reclamation	Jim Goodwin, Civil Engineer Tom Hepler, Civil Engineer Mary Marshall, Restoration Project Manager/Environmental Specialist Rosemary Stefani, Environmental Specialist
California Department of Fish and Game	Tina Cannon, Staff Counsel William Cox, Fish Pathologist Mike Berry, Fishery Biologist Harry Rectenwald, Environmental Scientist Steve Turek, Environmental Manager
Federal Energy Regulatory Commission	Thomas J. LoVullo, License Coordinator
National Marine Fisheries Service	Mike Tucker, Fishery Biologist
Pacific Gas and Electric Company	Sally Lubben, Senior Business Planner Angela Risdon, License Coordinator Chip Stalica, Generation Supervisor
State Water Resources Control Board	Jim Canaday, Environmental Scientist
U.S. Fish and Wildlife Service	Bart Prose, Fishery and Wildlife Biologist Tricia Parker, Fishery Biologist Scott Hamelberg, Fishery Biologist
