Re: SWRCB WRO 2016-0016

Dear Mr. Howard:

Joint Applicants to SWRCB WRO 2016-0016 (amending SWRCB Order WRO 2009-0060) hereby object to WRAMP's Second Supplement to Petition for Reconsideration of WRO 2016-0016, dated September 30, 2016. Like WRAMP's First Supplement to its Petition for Reconsideration, the Second Supplement is untimely, immaterial and irrelevant to the issues involved in WRO 2016-0016. Moreover, the arguments raised in WRAMP's Second Supplement are being addressed in other proceedings and venues, are not now before the SWRCB, and should not be considered or addressed by the SWRCB in resolving WRAMP's Petition for Reconsideration. Nevertheless, if the SWRCB is interested in hearing more on the substance of WRAMP's Second Supplement and would like a response from the Joint Applicants, the Joint Applicants are happy to respond if the SWRCB so requests.

Sincerely,

Robert E. Donlan
