Charlie Hoppin, Chair and Members
State Water Resources Control Board
1001 I Street
Sacramento, CA 95812-0100
c/o Jeanine Townsend, Clerk to the Board

Dear State Water Board Members:

Please work with your staff to develop a streamlined permit that is clear and enforceable, and achieves the shared goal of collecting more and better data. California needs clear limits on the amount of stormwater pollutants discharged into our waterbodies in order to provide dischargers with a clear path to compliance, and to facilitate efficient enforcement by the State and Regional Water Boards.

Please develop a strong, enforceable Industrial Stormwater Permit that helps ensure that California waterways are safe for swimming, drinking, and fishing.

Respectfully,

Sincerely,

Celia Kutcher
