

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 75-97

APPROVING RESOLUTION 75-9 OF THE LAHONTAN
REGIONAL WATER QUALITY CONTROL BOARD

WHEREAS:

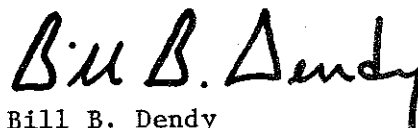

1. At its August 28, 1975, meeting, the Lahontan Regional Water Quality Control Board adopted an amendment to the Water Quality Control Plan, North Lahontan Basin (Resolution No. 75-9), which will prohibit the discharge of waste from leaching or percolation systems in the Cady Springs area of Lassen County.
2. The discharge prohibition is reasonable and necessary in light of the evidence regarding the geologic conditions in the Cady Springs area and the threat of contamination of the domestic water supply for the City of Susanville.

THEREFORE BE IT RESOLVED:

That the Board approves Resolution No. 75-9 of the Lahontan Regional Water Quality Control Board amending the Water Quality Control Plan, North Lahontan Basin.

The undersigned, Executive Officer of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on October 16, 1975.
