

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 78-7  
ADOPTION OF FISCAL YEAR 1978-79 PRIORITY LIST

WHEREAS:

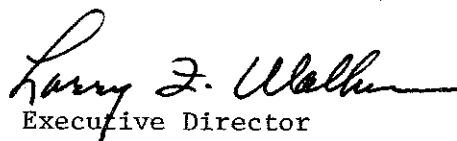

1. Article 4, Subchapter 7, Chapter 3, Title 23, of the California Administrative Code, provides for the establishment by the State Board of a Priority List, consisting of an inventory and ranking, in order of importance, of needs for the construction of treatment works.
2. Said List is utilized to determine priorities for State and Federal financial assistance for the construction of listed projects.
3. Based on the criteria listed in Article 4, the Priority List is divided into groups of diminishing priority and the groups are further divided into priority classes.
4. Pursuant to Section 2110 of the grant regulation, adjustments to the Priority List can be made for good cause based on factors other than the priority criteria set forth in Sections 2106 through 2108.
5. Good cause exists for the State Board to exercise its authority under Section 2152 to waive Section 2108(d)(2) in order to permit Step 2 and Step 3 proposed reclamation projects to be placed on the Priority List, so that they may be scheduled for funding.
6. The State Board has conducted a public hearing and considered recommendations of the Regional Boards concerning the assignment of projects to the Priority List for Fiscal Year 1978-79.
7. The projects listed in Exhibit A to this resolution are in conformance with the priority criteria set forth in Article 4 or warrant inclusion to best utilize available grant funds in accordance with Section 2110.
8. It is anticipated that projects listed in Fiscal Year 78-79 will be fundable.

THEREFORE BE IT RESOLVED:

1. Exhibit A to this resolution, with the exception of Class G projects, constitutes the Fiscal Year 1978-79 Priority List and consists of projects assigned to priority classes pursuant to Sections 2106 through 2108 of the grant regulations and pursuant to a waiver of Section 2108(d)(2) together with projects of special consideration that have been elevated to a fundable class in accordance with Section 2110.
2. Class G projects will be considered at the April Board meeting.
