

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 80-11

APPROVING GUIDELINES FOR NEW COMMUNITY AND  
INDIVIDUAL SEWERAGE FACILITIES, SAN DIEGO  
REGION

WHEREAS:

1. It is desirable for the Regional Board to have a written statement of its existing practices in the form of guidelines for distribution to interested persons.
2. It is also desirable for the Regional Board to refrain from imposing regulatory measures on development of individual sewerage systems adequately regulated by county health officers.
3. The Regional Board held a public hearing on the proposed guidelines on June 25, 1979, and considered comments received in the preparation of the guidelines.
4. The State Board concurs with a Negative Declaration prepared for the proposed guidelines in accordance with the California Environmental Quality Act.

THEREFORE BE IT RESOLVED:

1. The State Board approves Resolution No. 79-44, Guidelines for New Community and Individual Sewerage Facilities, of the San Diego Regional Water Quality Control Board.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on February 21, 1980.

  
Executive Director
