

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 84-53

ADOPTION OF UPDATE TO THE FY 1984 PRIORITY LIST

WHEREAS:

1. The 1981 Amendments to the Clean Water Act reduce the federal share for most projects from 75 percent to 55 percent on October 1, 1984.
2. The State Board placed 17 projects totaling \$170 million on the contingency portion of the FY 1984 List, for consideration, in the event that any additional federal funds become available.
3. Staff has evaluated the status of the contingency projects and has determined that six projects shown in Exhibit B have submitted, or are about to submit, the required program documents.
4. In order to expedite grant awards for these projects should money become available, the State Board needs to act now to place these projects on the fundable portion of the FY 1984 Priority List.

THEREFORE BE IT RESOLVED:

That the staff recommendation to place six contingency projects, as shown in Exhibit B on the fundable portion of the FY 1984 Priority List is adopted.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on August 16, 1984.
