

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 84-81

APPROVAL TO ACCEPT A SUPPLEMENTAL SECTION 106 GRANT
FOR DEVELOPMENT OF A GROUND WATER QUALITY PROTECTION STRATEGY

WHEREAS:

1. The U. S. Environmental Protection Agency (EPA) issued a Ground Water Protection Strategy dated August 1984.
2. This Strategy emphasizes the need for each state to develop a ground water-protection strategy.
3. The Congress of the United States appropriated supplemental funds to EPA for allocation to states under Section 106 of the Clean Water Act to support this effort.
4. The State Board staff has prepared a draft workplan for development of a ground water strategy utilizing supplemental Section 106 grant funds.
5. The State Board considered this draft workplan at its December 1984 Board meeting.

THEREFORE BE IT RESOLVED:

That the State Board:

1. Approves the supplemental Section 106 draft workplan, in concept, for development of a ground water protection strategy.
2. Authorizes the Executive Director to accept the supplemental Section 106 grant from EPA.
3. Will identify a State Board member to work with staff to develop the final Workplan for Development of a Ground Water Protection Strategy.

4. Authorizes the Executive Director, after approval of the final workplan by the State Board, to execute contracts to implement the Workplan for Development of a Ground Water Protection Strategy.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on December 20, 1984.
