

STATE WATER RESOURCES CONTROL BOARD

Resolution No. 87-1
Expressing Appreciation to

Frank Covington

WHEREAS, Frank Covington has served since 1971 in the Region 9 office of the United States Environmental Protection Agency, most recently as Director of the Water Management Division; and

WHEREAS, Frank Covington has performed his duties in an exemplary manner, working closely with the Water Resources Control Board in its administration of California's water quality programs; and

WHEREAS, Frank Covington played a major role in the formation and implementation of the Water Board's multi-billion dollar Clean Water Grants program, which, since its inception in 1972, has provided federal monies to over 800 sewage treatment plant projects throughout California; and

WHEREAS, Frank Covington is relinquishing his duties in California to assume the position of Deputy Regional Administrator of Region 5 in Chicago, the largest Environmental Protection Agency regional office in the country.

NOW THEREFORE BE IT RESOLVED: that the Members of the Water Resources Control Board express their sincere thanks and appreciation to Frank Covington for his many contributions to environmental health and safety in California and his unceasing efforts to forge a close working relationship between the Environmental Protection Agency and California in order to assure protection for this state's water resources.

BE IT FURTHER RESOLVED: that the Water Resources Control Board wishes Frank Covington great success and satisfaction in his new duties and much happiness as he moves into a new phase of his personal and professional life.

Dated: January 7, 1987 in Sacramento, California
