

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 87-57

FINDING THAT ADDITIONAL TIME IS NECESSARY TO PROCESS
APPLICATION 28535 PURSUANT TO WATER CODE SECTION 1250.5

WHEREAS:

1. Applicant has filed Application 28535 to appropriate 10 cfs from Butte Creek and 10 cfs from Clear Creek, tributary to Butte Creek in Butte County, subject to the provisions of Water Code Section 1250.5.
2. The Draft Environmental Impact Report (EIR) for the project is incomplete. Lacking a complete Draft EIR, the Board cannot determine the effect upon instream uses within the initial one-year time period which expires June 26, 1987.

THEREFORE BE IT RESOLVED:

That the State Water Resources Control Board finds that additional time, not to exceed one year, is necessary to process Application 28535 and determine the availability of unappropriated water and the effect upon instream uses pursuant to Water Code Section 1250.5.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on June 18, 1987.

Maureen Marche
Administrative Assistant to the Board
