

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 89-6

CLEAN WATER STRATEGY WATER QUALITY ASSESSMENT,
INCLUDING FEDERAL CLEAN WATER ACT SECTION 304(1) LISTS

WHEREAS:

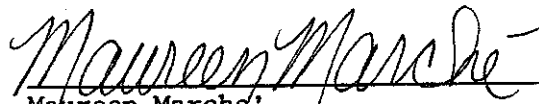

1. The State Water Resources Control Board is developing a Clean Water Strategy.
2. The first phase of developing the Clean Water Strategy is a comprehensive Water Quality Assessment.
3. Public hearings of November 16, 1988 and January 19, 1989 were conducted for review and comment on a draft Water Quality Assessment and appropriate changes were made to the assessment.
4. Section 304(1) of the Clean Water Act, as amended in 1987, requires each state to submit various lists of water bodies impacted by pollutants to the Environmental Protection Agency.
5. The Water Quality Assessment includes the Section 304(1) lists for California.

THEREFORE BE IT RESOLVED:

1. That the State of California Water Quality Assessment dated January 1989 is approved including the lists for Section 304(1) of the Clean Water Act that are incorporated therein.
2. That the Executive Director is authorized to transmit the lists for Section 304(1) of the Clean Water Act to the Environmental Protection Agency to satisfy the requirements of that Act.
3. That this concludes this first cycle of development of the Water Quality Assessment. Regular updates will be made at a frequency that will be determined through the Clean Water Strategy.
4. That the Board may review the lists for Section 304(1) of the Clean Water Act once the Clean Water Strategy development is complete and the Board priorities made clear.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Board held on February 1, 1989.
