

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 90-113

APPROVAL OF A STATE REVOLVING FUND LOAN TO THE
FRESNO METROPOLITAN FLOOD CONTROL DISTRICT

WHEREAS:

1. The Fresno Metropolitan Flood Control District (District) has requested a \$20,136,450 loan from the State Revolving Fund (SRF) to implement the Stormwater Quality Management Project and Stormwater Quality Program of the District's Storm Drainage and Flood Control Master Plan (Plan);
2. The Plan incorporates elements and objectives consistent with the recommendations of the Nationwide Urban Runoff Program for the Fresno area for reducing pollutant loading from urban runoff; and
3. The District's Plan, when implemented, will result in improved water supply through utilization of stormwater for groundwater recharge.

THEREFORE BE IT RESOLVED:

1. That the Intended Use Plan is amended to include the District's Stormwater Quality Management Project and Stormwater Quality Management Program.
2. That the Nonpoint Source Management Plan is amended to include the District's Stormwater Management Project and Stormwater Management Program.
3. That the SRF Priority List is amended to include the District's project and program as a fundable project.
4. That a SRF loan of \$20,136,450 is approved for the Fresno Metropolitan Flood Control District of which \$15,000,000 will be allocated from the 1990 SRF funds and \$5,136,450 from the 1991 SRF funds.
5. That the repayment period shall be 20 years with the first payment due one (1) year after purchase of the first infiltration basin site.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on November 27, 1990.
