

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 94-10

APPROVAL OF A NO-COST TIME EXTENSION FOR AN  
AGRICULTURAL DRAINAGE CONTRACT (CONTRACT NO. 8-662-300-0)  
WITH THE DEPARTMENT OF WATER RESOURCES

WHEREAS:

1. The State Water Resources Control Board (State Water Board) has entered into an agreement with the Department of Water Resources (DWR) to jointly fund three demonstration projects on agricultural drainage reduction in the San Joaquin Valley.
2. Such projects will assist growers in managing their irrigation and drainage waters more effectively and hence may result in improvements to water quality.
3. Unforeseen delays and revisions to the contract have prevented the completion of the third demonstration project in a timely manner.
4. A time extension is needed to obtain meaningful data from the lysimeter studies associated with the third demonstration project.

THEREFORE BE IT RESOLVED THAT:

The State Water Board approves a no-cost time extension to December 31, 1996 for interagency contract No. 8-662-300-0 with the DWR.
