

**STATE WATER RESOURCES CONTROL BOARD**  
**RESOLUTION NO. 2025-0022**

ADOPTION OF THE STATE FISCAL YEAR 2025-26 CLEAN WATER STATE REVOLVING FUND INTENDED USE PLAN WITH SUPPLEMENTAL INTENDED USE PLAN FOR THE INFRASTRUCTURE INVESTMENT AND JOB ACT'S EMERGING CONTAMINANTS, AND GUIDELINES FOR COMPLEMENTARY FUNDING FROM THE BUDGET ACTS OF 2024, 2025 AND PROPOSITIONS 1, 68 AND 4

WHEREAS:

1. The Division of Financial Assistance (DFA) prepared a draft state fiscal year (SFY) 2025-26 Clean Water State Revolving Fund (CWSRF) Intended Use Plan (IUP) in compliance with federal rules and solicited public comment on the document.
2. States must submit a CWSRF IUP to the United States Environmental Protection Agency (USEPA) annually. A current copy of the CWSRF IUP must be included in this year's capitalization grant application for the CWSRF grant.
3. The federal "Infrastructure Investment and Job Act" (IIJA), Public Law 117-58, made funds available to state CWSRF programs, including funds for a general supplemental capitalization grant and an emerging contaminants capitalization grant. The State Water Board must provide IUPs to USEPA as part of its applications for these supplemental IIJA capitalization grants.
4. The CWSRF IUP describes DFA's plans for the general supplemental and emerging contaminants capitalization grant funds. Upon adoption, the Emerging Contaminants (EC) Supplemental IUP, to be included as an appendix to the CWSRF IUP, will further explain the State Water Board's plans for the supplemental EC funds. The EC Supplemental IUP will be considered for adoption at a later date.
5. The SFY 2025-26 CWSRF IUP also serves as guidelines for Proposition 1, Proposition 68, and to the extent permissible under state law, Proposition 4 wastewater and water recycling funds, as well as for the infrastructure funding provided by the Budget Acts of 2024 and 2025.
6. DFA conducted a public workshop and provided stakeholders and interested parties an opportunity to comment on the draft SFY 2025-26 CWSRF IUP.

THEREFORE BE IT RESOLVED THAT:

The State Water Board:

1. Adopts the SFY 2025-26 CWSRF IUP, which includes the revised guidelines for Proposition 1, Proposition 68, and, to the extent permissible under state law, Proposition 4, as well as Budget Acts of 2024 and 2025 appropriations.
