

Obligations of Smaller Suppliers

Change Section 865, subdivision (f)(1)(B) to read:

~~Reduce by~~ implement another mandatory conservation measure or measures intended to achieve a 2025 percent reduction in its total potable water consumption by the persons it serves production relative to the amount ~~consumed~~ produced in 2013.”

Smaller wholesalers (below 3,000 AFA)

Change section 865, subdivision (a)(1) to read:

“Distributor of a public water supply” has the same meaning as under section 350 of the Water Code, except it does not refer to such distributors when they are functioning solely in a wholesale capacity, but does apply to distributors when they are functioning in a retail capacity.

Self-supplied CII Users with Multiple Sources of Supply

Change section 864, subdivision (c) to read:

Immediately upon this subdivision taking effect, all commercial, industrial and institutional properties that use a water supply, any portion of which is from a source other than not served by a water supplier meeting the requirements of Water Code section 10617 or section 350 subject to section 865, shall either:

(1) Limit outdoor irrigation of ornamental landscapes or turf with potable water to no more than two days per week; or

(2) Reduce potable water usage supplied by sources other than a water supplier by 25 percent for the months of June 2015 through February 2016 as compared to the amount used from those sources for the same months in 2013.

Irrigation Outside of Newly Constructed Homes and Buildings

Change section 864, subdivision (a)(8) to read:

The irrigation with potable water of landscapes outside of newly constructed homes and buildings that is not delivered by drip or microspray systems in a manner inconsistent with regulations or other requirements established by the California Building Standards Commission and the Department of Housing and Community Development.
