Subject: FW: vote to ease water restrictions

Here is another possible comment letter for the emergency water conservation regulation.

Thanks,

Andrew DiLuccia
OPA

Subject: vote to ease water restrictions

Please vote to ease water restrictions. The water crisis is over!

Rinse showers at state parks beaches have been shut off for nearly a year. That is a health concern. Surfers need to rinse toxic bacteria, pesticides, etc after surfing.

This is a health concern!

See the link:

<http://www.oregister.com/articles/water-715555-state-showers.html>

KABC TV in LA also ran the story yesterday.

Please contact the State parks director and encourage her to turn rinse showers back on:

Lisa Mangat, Director
California State Parks
lisa.mangat@parks.ca.gov
