#### GENERAL WAIVER FOR SPECIFIC TYPES OF LIMITED-THREAT DISCHARGES

No substantive changes were made to the proposed 2024 General Waiver since the most recent update in August 2023.

All comments received prior to **June 24, 2024**, will be considered in the formulation of staff recommendations regarding the discharge. The Central Coast Water Board will not accept written comments on the proposed order after **June 24, 2024**, unless the Chair of the Central Coast Water Board rules that exclusion would create a hardship and that the late submission will not prejudice any party or the Central Coast Water Board. Any person submitting late comments or other submittals must explain why such materials were not submitted by **June 24, 2024**. The Chair of the Central Coast Water Board will rule on late submittals at or before the hearing. Late submittals that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all parties and Central Coast Water Board staff have time to consider the evidence before the hearing. Interested persons are invited to attend the hearing and may make oral comments relevant to the proposed action. Oral comments should summarize written comments. The Chair of the Central Coast Water Board will impose time limits on oral comments.
