

Explanation

- Property Boundary
- ▭ Building
- Fence
- Topographic Contour (feet NSL)
- ◆ IB-25 Monitoring Well screened within the Purisima Formation
- ◆ W-1 Water Supply Well screened within the Purisima Formation
- CPT-4 CPT & Groundwater Sampling Location (PES, 2000)
- ◆ HP-15 Location of CPT and Groundwater Sample Collected within the Purisima Formation (PES, 2001)
- 78 Perchlorate Concentration within the Purisima Formation (October 2002)
- <4.0 Not Detected at or above the laboratory reporting limit
- 76 (10/98) Historical concentration of Perchlorate within Purisima Formation (Date Sampled)
- Perchlorate Concentration Contour (dashed where inferred) (quoted where uncertain)

Generalized Perchlorate Isoconcentration Map within the Purisima Formation
