Location:	Clark Valley Road, Los Osos
Discharge Type:	Domestic wastewater
Treatment:	Septic Tank and Percolation Pond
Authorized Discharge Volume:	375 GPD
Present Discharge Volume:	None
Existing Order:	Order No. 89-79

DISCUSSION

Woods Humane Society is authorized under Order No. 89-79 to discharge up to 375 gallons per day of domestic wastewater from the septic tank treatment system at the Fundamental Evangelical Church outside Los Osos into a percolation pond. A conventional subsurface disposal system was installed and the disposal ponds were removed upon the sale of the property in 2002. Therefore, Waste Discharge Requirements are no longer needed. The leachfields were installed in accordance with the Basin Plan and San Luis Obispo County Planning and Building Department

COMMENTS
