I. Yet another "Special" Meeting of the CSD:

SPECIAL MEETING NOTICE AND AGENDA  
OF THE  
LOS OSOS COMMUNITY SERVICES DISTRICT BOARD OF DIRECTORS

Notice is Hereby Given that the Los Osos Community Services District Board of Directors Will Hold a Special Meeting At 11:00 am On Sunday, October 24, 2005 At The Los Osos Community Services District Office 2122 9th Street, Suite 102, Los Osos

See the Agenda at: <http://www.losososcscsd.org/agenda.html>

The purpose of the meeting appears to be a closed session, but public comment on the closed session items will be taken.

Again, Anticipated Litigation is to be discussed in closed session. No clear explanation of what public business to be discussed is given, but a safe bet is more discussion of the Districts Threat to file an administrative suit against the State Water Board (translation: a discussion of the "negotiation" mentioned in today's TT).

Possible Questions for Public Comment:

A. Since questions regarding how much money is currently in District accounts were asked Thursday and no one had an answer, has anyone looked at the checkbook yet?

B. How much money do we have to initiate or defend a lawsuit or administrative action?

C. What accounts would be used to draw funds to initiate or defend a lawsuit or administrative action?

II. An action request and update from Joyce Albright:

Our Wednesday meeting was a great success. Although I do not have time to send you a report, there is something very important that you all can do:

Make individual appointments with each of the male members of the LOCSD board and try to reason with them. Ideally, you would call upon them in groups of three or more and forthrightly, but not angrily, exhort them to change the direction they are taking the community. Re-starting the sewer would make all their problems go away and the community will be eternally grateful. Meanwhile, I am trying to set up a meeting with Blakeslee on Friday, October 28th or Friday, November 4, whichever time he is available. Sharon is trying to up one with Maldanodo.

Writing letters is imperative You may call our stand-alone voice mail -- 596-5331 -- if you wish to be contacted about how you can help (we have

sample letters with names and address). If you wish to participate in the meetings with Blakeslee or Maldanodo, please so indicate on the voice mail.

We must move swiftly if we are to get this project back on line before the end of the 90-day period.

Now is the time to step outside of your comfort zone and help us before it is too late. And urge your friends to get involved. Time is rapidly running out.

Joyce Albright
