Dear Mr. Moeller:

**192 & 194 SAN REMO RD, CARMEL HIGHLANDS (APN: 243-181-005 & 243-181-006), MONTEREY COUNTY; PUBLIC HEARING FOR PROPOSED WAIVER OF WASTE DISCHARGE REQUIREMENTS FOR ALTERNATIVE ONSITE WASTEWATER DISPOSAL SYSTEMS (RESOLUTION NO.S R3-2008-0060 & R3-2008-0061)**

We are rescheduling the public hearing date for the two proposed resolutions noted above from October 16-17, 2008, in Santa Barbara, to December 4-5, 2008, in San Luis Obispo due to significant comments received from project opponents. We are also extending the public comment period to September 30, 2008.

The proposed Waiver and associated attachments can be viewed and downloaded from our website at:

**<http://www.swrcb.ca.gov/rwqcb3/Permits/Index.htm>**

All interested parties are invited to submit comments regarding the proposed Waivers in writing to the above address no later than **September 30, 2008**. All comments or objections received prior to that date will be considered in the formulation of staff recommendations regarding the waste discharge. The Central Coast Water Board will not accept comments or other written submissions on the draft Waivers after **September 30, 2008**, unless the Central Coast Water Board Chair rules that exclusion would create a severe hardship, and that the late submission will not prejudice any party or the Central Coast Water Board. Any person submitting late comments must explain why the materials were not submitted by September 30, 2008. The Central Coast Water Board Chairman will rule on late submittals at or before the hearing. Late submissions that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all designated parties and Central Coast Water Board staff have time to consider the evidence before the meeting.
