

Central Coast Regional Water Quality Control Board

January 22, 2025

NOTICE OF OPPORTUNITY FOR PUBLIC REVIEW AND COMMENT
Regarding
**General Waste Discharge Requirements for
Vegetation and Sediment Management Activities Associated with
Fire Fuel Reduction and Flood Control for the Central Coast Region**

NOTICE IS HEREBY GIVEN that the Central Coast Regional Water Quality Control Board (Central Coast Water Board) will accept public written comments on the following:

- Proposed revised draft Regional General Order for the General Waste Discharge Requirements for Vegetation and Sediment Management Activities Associated with Fire Fuel Reduction and Flood Control for the Central Coast Region (Regional General Order). **Only comments on tracked changes in the revised draft Regional General Order will be accepted.**

This document will be available on or before January 22, 2025, on the Central Coast Water Board's Tentative Orders, Permits, Complaints and Resolutions website.¹ Central Coast Water Board responses to previous comments received on the Regional General Order will also be available. Copies of these documents will also be available upon request from the staff contact below. Written comments must be received no later than 5:00 PM on Friday, February 22, 2025.

Public Comments

Persons interested in providing written comments on the tracked changes in the revised draft Regional General Order are encouraged to submit comments by electronic mail. Comment letters must be received by 5:00 PM on Friday, February 22, 2025. Please send all written comments to the staff person listed below. Comment letters received after that deadline will not be accepted unless approved by the Central Coast Water Board's Chair.

Staff Contact and Submission of Comments
