City/County: Creston / San Luis Obispo

Public Notice: January 24, 2023 – February 14, 2023

Project Description:

The purpose of the proposed project is to replace the majority of the ponds pump house structure due to failing foundation.

The proposed project activities include:

- Disassembling the existing structure, concrete foundation, and wooden dock;
- Lowering the pond level to install erosion control measures;
- Grading the shoreline and inland areas to correct poor drainage issues;
- Constructing new concrete pilings, pumphouse frame, and new decking materials; and
- Installing a new inlet and wet well.

No mitigation proposed.
