### RE: PROPOSED LOS OSOS INDIVIDUAL CEASE AND DESIST ORDERS

On August 4, 2006, Water Board Chair Jeffrey Young directed the Prosecution Team to re-present its case for Los Osos individual Cease and Desist Orders, and struck from the record all previous evidence and testimony prepared or presented by the Prosecution Team. The Chair gave the Prosecution Team until 5:00 p.m. on September 8, 2006, to submit replacement documentation, and requested that any evidence or document that was not included in the original submissions be clearly identified to facilitate review by other Designated Parties and by the Water Board.

Attached is the Prosecution Team's replacement documentation, including documentary evidence and proposed Cease and Desist Orders. Any evidence, significant discussion, or document that was not included in the Prosecution Team's original submissions is identified by **bold font** to facilitate your review. The Prosecution Team has submitted this same replacement documentation to the Water Board Chair.

We understand that the Chair will soon issue a more detailed procedural order establishing new timelines for the hearing, and addressing other procedural matters, such as timelines for the submission of documentary evidence by Designated Parties.

If you have any questions for the Prosecution Team, please contact **Matt Thompson at (805) 549-3159 or [mthompson@waterboards.ca.gov](mailto:mthompson@waterboards.ca.gov)**, or me at (805) 542-4639 or [hpackard@waterboards.ca.gov](mailto:hpackard@waterboards.ca.gov).

Sincerely,

Harvey Packard  
Division Chief and Prosecution Team Lead
