ORDER AMENDING CLEAN WATER ACT SECTION 401 WATER QUALITY CERTIFICATION AND ORDER; BHT II NORTHERN CAL 1, LLC, PLACER VINEYARDS PROPERTY 7 DEVELOPMENT (SEGMENT R) PROJECT (WDID NO. 5A31CR00484A3), PLACER COUNTY

This Order responds to the 20 March 2024 request for an amendment to the Placer Vineyards Property 7 Development (Segment R) Project Section 401 Water Quality Certification (WDID No. 5A31CR00484). The original Water Quality Certification (Certification) was issued on 25 June 2019. Amendments (5A31CR00484A1 and 5A31CR00484A2) were issued on 30 January 2020 and 11 January 2022, respectively. An amendment is hereby approved, and the original Certification is therefore amended as described below. Please attach this document to the original Certification and previous amendments.

AMENDMENT:

BHT II Northern Cal 1, LLC is requesting an amendment to the Section 401 Water Quality Certification and Order to extend the original Certification expiration date of 25 June 2024 until 25 June 2029. The Central Valley Water Board is approving a **3-year extension**, rather than the 5-year extension requested; therefore, the Certification expiration date is extended to **25 June 2027**. A request for further extension may be submitted prior to the revised 25 June 2027 expiration date, and the Central Valley Water Board will evaluate the applicability of further extension of the expiration date at that time.

MARK BRADFORD, CHAIR | PATRICK PULUPA, ESQ., EXECUTIVE OFFICER

WATER QUALITY CERTIFICATION:

I hereby issue an Order amending the existing Clean Water Act Section 401 Water Quality Certification and Order for Placer Vineyards Property 7 Development (Segment R) Project (WDID No. 5A31CR00484A3). All other conditions and provisions of the original Water Quality Certification and previously approved amendments remain in full force and effect, except as modified based on the conditions of this Order. Failure to comply with the terms and conditions of the original Water Quality Certification, previously approved amendments, or of this Order may result in suspension or revocation of the Water Quality Certification.
