Redding, CA 96002

**Subject: Fawn Fire Record of Waste Discharge Amendment
Anderson Landfill Inc., 18703 Cambridge Rd. Anderson, CA**

Dear Mr. DeCarvalho,

Anderson Landfill, Inc. (ALI) is pleased to submit this Amendment to the Report of Waste Discharge (ROWD) as required by condition B.11 of the Conditional Waiver of Waste Discharge Requirements for *Disaster Related Wastes During a State of the Emergency within the Central Valley Region*. On June 28th, 2022 ALI was notified that the cleanup of material generated by the Fawn Fire has ceased. ALI requests to terminate coverage under this conditional waiver.

Anderson Landfill's ROWD is a component of the sites Joint Technical Document (JTD). This ROWD amendment will be incorporated as an appendix in the JTD during the next CalRecycle five-year permit review process.

The attached Notice of Termination contains required information regarding emergency derived waste types accepted, location of the discharges and approximate volumes discharged as required.

If you have any questions regarding the content of this report, please contact me at (720) 466-9872.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brad Meade', with a long horizontal stroke extending to the right.

Brad Meade
District Manager
Anderson Landfill, Inc.

CC: Ken Henderson, Senior Registered Environmental Health Specialist, SCEHD
Kyle Scarbro, Environmental Protection Specialist, Anderson Landfill, Inc

Appendices:

Appendix 1: Anderson Landfill Fawn Fire NOT

Appendix 2: Daily tonnage report for Fawn Fire generated debris

Appendix 3: Anderson Landfill site map with disposal location and material types
