TENTATIVE CEASE AND DESIST ORDER R5-2023-XXXX

CITY OF ARVIN

ARVIN WASTEWATER
TREATMENT FACILITY
KERN COUNTY

NOTICE OF PUBLIC HEARING

27-28 APRIL 2023

Deadline for Written Comments:

23 MARCH 2023

This Reissued Notice of Public Hearing is updated to reflect the adoption of a Hearing Procedure on March 23, 2023.

Tentative Order Proposed for Adoption

Pursuant to Water Code sections 13301 and 133260, the California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board or Board) may issue an order directing parties to cease and desist certain existing or threatened violations of Waste Discharge Requirements (WDRs). Such orders are referred to as Cease and Desist Orders (CDOs).

On October 19, 2022, the Executive Officer was notified that Central Valley Water Board staff had issued a Tentative Cease and Desist Order (Tentative Order or Tentative CDO) to the City of Arvin (City or Discharger) regarding the City's wastewater treatment facility (WWTF), which is currently regulated under Waste Discharge Requirements Order R5-00-093 (WDRs Order). The Tentative Order describes the violations of the WDRs Order and proposes

actions, including a restriction on new connections to the City's sewer collection system, and a time schedule to bring it back into compliance with its WDRs Order. The Central Valley Water Board originally scheduled the hearing for 8-9 December 2022 and the hearing was rescheduled for 27-28 April 2023.

The Central Valley Water Board has scheduled a hearing to consider issuance of the Tentative Order at its upcoming public meeting on **27-28 April 2023**. The hearing will be held at the Kern County Board of Supervisors Chambers (1115 Truxtun Avenue, Bakersfield, CA 93301) along with remote participation via the Zoom videoconferencing platform. In accordance with the Bagley- Keene Open Meeting Act (Gov. Code, § 11120 et seq.), an agenda will be posted to the [Board's Website](https://www.waterboards.ca.gov/centralvalley/board_info/meetings/) (https://www.waterboards.ca.gov/centralvalley/board_info/meetings/) at least 10 days in advance of the meeting. The agenda will specify the particular day of the hearing.

At the hearing, the Central Valley Water Board members will receive testimony regarding the alleged violations. At the hearing, the Board may (a) issue the Tentative Order as a CDO, with or without modifications; (b) decline to issue the Tentative Order; or (c) continue the hearing to a later date.

Adopted Hearing Procedure

Attached to this Notice is a finalized Hearing Procedure governing the conduct of proceedings related to consideration of the tentative CDO.

These Revised Hearing Procedure revise the earlier adopted Hearing Procedure that governed the hearing proposed for 8-9 December 2022. Under the prior Hearing Procedure, the Prosecution Team and Discharger were given an opportunity to submit evidence. Since that has already occurred, the Revised Hearing Procedure provides for a time frame to respond to the previously submitted evidence.

For the purposes of California Code of Regulations, title 23, section 648 et seq., the adopted Revised Hearing Procedure (including any subsequent revisions thereto) is incorporated as part of this Notice. In the event that the Hearing Procedure is subsequently amended, this Notice may be reissued.

Opportunity For Public Participation

The Central Valley Water Board will consider written comments submitted by members of the public that are interested in the pending matter (Interested Persons). The parties to the proceeding will be permitted to submit formal written responses to Interested Person written comments. Interested Persons will also be provided the opportunity to orally present general policy statements to the Central Valley Water Board members at the hearing. Such statements will

generally be limited to **3 minutes** per Interested Person, though the Board may grant additional time upon request. Interested Persons do not need to submit written statements in order to speak at the hearing.

Interested Persons will not be permitted to present evidence (e.g., photos, eyewitness testimony, etc.). They are also not subject to cross-examination. Although the Board will consider oral and written comments from Interested Persons on matters of general policy, such comments are not admissible as evidence.

Requests For “Designated Party” Status

Designated Parties

Parties to be designated in accordance with Section F herein.

C. Ex Parte Contacts Prohibited

To maintain the Central Valley Water Board's impartiality, ex parte contacts are prohibited. (See, e.g., Gov. Code, § 11430.10 et seq.) Ex parte contacts are those communications that are directed at the Central Valley Water Board members or the Advisory Team members, regarding the pending matter, and which are not communicated in a manner open to all other persons. Communications regarding non-controversial procedural matters are not considered ex parte contacts, and are therefore not restricted under this Hearing Procedure.

To avoid ex parte contacts in pre-hearing communications, the Discharger should ensure that the Prosecution Team is copied on all correspondence directed to the Advisory Team, and *vice-versa*.

D. Interested Persons (Non-Parties)

The Central Valley Water Board will consider written comments submitted by members of the public that are interested in the pending matter (Interested Persons). The parties to the proceeding will be permitted to submit formal written responses to Interested Person written comments. To allow for such responses, all written comments shall be submitted as early as possible, and in no case later than 5:00 pm on **23 March 2023**.

Interested Persons will also be provided the opportunity to orally present general policy statements to the Central Valley Water Board at the hearing. Interested Persons do not need to submit written statements in order to speak at the hearing.

Unless they are formally recognized as a "Designated Party" per the Hearing Procedure, Interested Persons are not parties entitled to directly participate in the proceeding, except as provided above. Interested Persons will not be permitted to present evidence (e.g., photos, eyewitness testimony, etc.). They are also not subject to cross-examination, but may asked to respond to clarifying questions from the Central Valley Water Board or the Advisory Team. Although the Board will consider oral and written comments from Interested Persons on matters of general policy, such comments are not admissible as evidence.

CITY OF ARVIN
KERN COUNTY
HEARING PROCEDURE

E. Applications for “Designated Party” Status

By default, the only parties to an adjudicative enforcement proceeding are: (1) the Prosecution Team; and (2) the Discharger named in the proposed order. (See Gov. Code, § 11405.60; Title 23, § 648.1, subd. (a).) In some circumstances, however, it may be appropriate for certain Interested Persons to participate directly in the proceeding as a “Designated Party.” (Gov. Code, § 11440.50, Title 23, § 648.1, subd. (a).) Such determinations shall be made discretionarily on a case-by-case basis by the Executive Officer, in consultation with the Board Chair.

To request “Designated Party” status, Interested Persons must submit a written request to the Advisory Team no later than 5:00 pm on **9 November 2022**. The written request must include the following information:

- (1) An explanation of how the issues to be addressed at the hearing substantially affect the person requesting Designated Party status (Applicant);
- (2) Why the Applicant believes that the Prosecution Team and Discharger will not adequately represent their interests;
- (3) A summary of the evidence that the Applicant seeks to present at the hearing, including whether they seek to present their own witness testimony; and
- (4) Whether the Applicant seeks to cross-examine the other parties’ witnesses.

The Advisory Team will promptly respond to all timely written requests for Designated Party status. The Advisory Team may request further information before the determination is made. A request for Designated Party status shall not be granted if, in the totality of circumstances, it appears that such designation will impair the interests of justice and the orderly and prompt conduct of the proceeding. The Executive Officer, in consultation with the Board Chair, may impose restrictions on the requestor’s hearing participation, including limiting or excluding the use of cross-examination and other procedures to promote the orderly and prompt conduct of the proceeding. (Gov. Code, § 11440.50, subd. (c).)

If “Designated Party” status is granted, this Hearing Procedure may be revised as appropriate.

F. Pre-Hearing Submittals

To avoid the introduction of surprise testimony and exhibits (Title 23, § 648.4, subd. (a)), and to minimize the need for oral argument and testimony at the hearing, this Hearing Procedure requires the parties to submit documentary evidence (§ 648.4, subd. (c)), witness information (§ 648.4, subd. (b)), and legal/technical memoranda to the Advisory Team prior to the hearing.

CITY OF ARVIN
KERN COUNTY
HEARING PROCEDURE

Absent a showing of good cause and lack of prejudice to the parties, the Board Chair may exclude materials that are not submitted in accordance with this Hearing Procedure. Excluded materials will not be considered by the Board. (§ 648.4, subd. (e).)

The provisions of this Hearing Procedure are controlling over any contrary instructions or guidance previously provided by Central Valley Water Board administrative staff for prior matters. Any further questions regarding non-substantive procedural or logistical matters (e.g., file naming, formatting, etc.) may be directed to the Advisory Team attorney, who will promptly respond to all inquiries.

1. Electronic Submittals to Advisory Team [All Parties]

All pre-hearing submittals and rebuttals to the Advisory Team under this Hearing Procedure shall occur electronically via [File Transfer Protocol](https://ftp.waterboards.ca.gov/WebInterface/login.html) (FTP) (<https://ftp.waterboards.ca.gov/WebInterface/login.html>), except as otherwise provided below. Parties may obtain FTP log-in information from the Advisory Team.

Once a party has uploaded its materials to the FTP site, the party shall notify the Advisory Team and other parties via email and identify each of the files that have been uploaded.

Exhibits shall be uploaded as sequentially numbered pdf files with file names in all lower case, and following the naming conventions set forth below:

Prosecution Team: **arvin_cdo_pt_exh_###.pdf**

Discharger: **arvin_cdo_disch_exh_###.pdf**

In the event that there are additional Designated Parties participating in the proceeding, the Advisory Team will provide additional instructions regarding file naming.

2. Submittal Index [All Parties]

Except as otherwise expressly provided below, each pre-hearing submittal shall be accompanied by a table listing each document included as part of the submittal. The table shall include the following columns: *Document Title*; *Exhibit Number*; *Exhibit Date* (i.e., when the document was generated); and *File Name*.

3. Prosecution Team Submittals

No later than 5:00 pm on **11 November 2022**, the Prosecution Team shall submit the following materials to the Advisory Team:

- (1) All documentary evidence supporting adoption of the proposed order, with each document separately designated as sequentially-numbered exhibit (i.e., Exhibit 1, Exhibit 2, Exhibit 3, etc.). 4. Discharger and Designated Party Submittals

No later than 5:00 pm on **23 November 2022**, the Discharger and any Designated Parties shall submit the following materials to the Advisory Team:

If any of the proposed witnesses will be testifying as an expert (see Evid. Code, § 800 et seq.), the memorandum shall also include the witnesses’ qualifications as an expert.

5. Rebuttal Evidence [All Parties; Optional]

Notwithstanding the pre-hearing evidence submission deadlines specified above, the parties will be permitted to introduce additional evidence necessary to disprove or contradict evidence submitted by another party (Rebuttal Evidence). Submittals of Rebuttal Evidence may also be accompanied by a supplemental memorandum responding to legal and/or technical arguments raised in the other parties’ briefing.

TENTATIVE CEASE AND DESIST ORDER R5-2023-XXXX
CITY OF ARVIN
KERN COUNTY
HEARING PROCEDURE

By default, subdivision (f) of Title 23, section 648.4 permits parties to introduce Rebuttal Evidence for the first time during the hearing. However, the Hearing Procedure may waive this provision and require pre-submission of Rebuttal Evidence (Title 23, § 648, subd. (d).)

To maintain fairness, ensure orderly conduct of the proceeding, and avoid “surprise evidence” (see Title 23, § 648.4, subd. (a)), this Hearing Procedure requires that Rebuttal Evidence be submitted to the Advisory Team and other parties no later than 5 p.m. on **7 April 2023**. The requirement to submit rebuttal evidence in advance of the hearing applies only to rebut timely-submitted written evidence; the Parties will have the opportunity to rebut oral testimony submitted at the hearing.

6. Responses to Interested Person Written Comments [All Parties; Optional]

The parties may elect to submit written responses to written comments from Interested Persons. All such responses must be submitted to the Advisory Team no later than 5:00 pm on **7 April 2023**. This submittal may occur via email and need not be accompanied by an updated index table. In lieu of a written response, the parties may also address such comments at the hearing.

7. Summary Agenda Sheet [Advisory Team]

Prior to the hearing, the Advisory Team shall prepare a Summary Agenda Sheet summarizing the ongoing controversies involved in the proceeding, and the positions taken by each of the other parties. Once finalized, the Summary Agenda Sheet will be sent to the parties via email.

8. Revised Tentative Order [All Parties, Optional]

Prior to the hearing, the parties may submit, for Advisory Team review, a Revised Tentative Order incorporating any evidence that was submitted following issuance of the original. This submittal may occur via email and need not be accompanied by an updated index table. The Revised Tentative Order shall be submitted both as a Microsoft Word file and as a PDF.

9. Presentation Slides [All Parties; Mandatory If Slides Are Used]

No later than 5:00 pm on **24 April 2023**, the parties shall provide the Advisory Team with their presentation slides for use at the hearing, as a PowerPoint file (or similar format) and PDF printout (for inclusion in the administrative record). This submittal may occur via email and

HEARING PROCEDURE

need not be accompanied by an updated index table. If the party does not intend to present slides at the hearing, no submittals are required from the party.

Notwithstanding the above deadline, the Parties may revise their presentations to reflect any Rebuttal Evidence submitted prior to the hearing. Revised presentations shall be submitted to the Advisory Team at the earliest possible opportunity.

G. Conduct of Hearing

1. Hearing Time Limits

“Adjudicative proceedings shall be conducted in a manner ... deem[ed] most suitable to the particular case with a view toward securing relevant information expeditiously without unnecessary delay and expense to the parties and to the Board.” (Title 23, § 648.5, subd. (a).) To that end, it has been determined that the following time limits shall apply to the Parties at the hearing.

Prosecution Team:	30 Minutes
Discharger:	30 Minutes
Designated Parties [<i>if any</i>]:	15 Minutes

The Advisory Team have proposed the above time limits. The parties may propose alternative time limits in their comments on the tentative hearing procedures. The time limits are based on the Advisory Team’s review of the allegations within the Tentative Order, and based on experience in similar enforcement proceedings, and any input from the parties.

The parties may allocate their allotted time as they see fit between presenting evidence and testimony, cross-examining adverse witnesses, and making a closing statement. Discussions on procedural issues will not count against the parties’ allotments. A timer will be used to track how much time has elapsed. This timer will be paused during Board questions and party responses to Board questions. Additional time may be provided at the discretion of the Board Chair (at the hearing), upon a showing that additional time is necessary.

2. Witness Testimony

At the hearing, witness testimony shall be limited to those subjects previously specified in the party’s Witness Information Sheet (see above). Upon request, the Board may permit testimony on additional subjects, provided that it will not result in undue prejudice to the other parties.

All witnesses who have submitted written testimony shall be available to appear during the hearing (to affirm that the testimony is true and correct), and shall be subject for cross-examination. The failure of a witness to be available during the hearing may result in the

KERN COUNTY
HEARING PROCEDURE

submitted testimony being treated as hearsay. (Title 23, § 648.4, subds. (d)-(e).)

All persons intending to testify at the hearing shall take the oath administered by the presiding officer. (Gov. Code, § 11513; Cal. Code Regs., tit. 23, § 648.5, subd. (a)(3).)

3. Rules of Evidence

The proceeding shall be conducted in accordance with the provisions and rules of evidence set forth in Government Code section 11513.

Hearsay shall be admissible as evidence, subject to the provisions of Government Code section 11513.

Evidence already in the Central Valley Water Board's files may be submitted by reference if the location of the evidence is clearly identified. (Cal. Code Regs., tit. 23, § 648.3.)

4. Presentations

Slide presentations (e.g., PowerPoint) may be used at the hearing, provided their contents do not exceed the scope of previously submitted material. Central Valley Water Board administrative staff will be running the presentation at the party's direction.

H. Requests for Extensions

Parties may request the extension of any deadline specified in this Hearing Procedure. Such requests shall be made via email to the Advisory Team, with the other parties copied on the email. Objections to the requested extension will be considered, provided they are promptly raised by the other parties. In any event, the granting or denial of a request shall be exclusively within the discretion of the Executive Officer, in consultation with the Board Chair.

I. Modifications to Hearing Procedure

This Hearing Procedure may be revised by the Board Chair after appropriate notice and opportunity to be heard. For the purposes of this section, the extension of a deadline shall not be construed as a revision to the Hearing Procedure.

J. Communication via Email

To the extent practicable, all communications between the parties prior to the hearing shall occur via email, per the email addresses listed under the **Contact Information** section below.
