NOTICE OF TENTATIVE WASTE DISCHARGE REQUIREMENTS ORDER NO. R5-2025-00XX FOR PRODUCED WASTEWATER REUSE IN KERN COUNTY

TO ALL CONCERNED PERSONS AND AGENCIES:

Enclosed is tentative Waste Discharge Requirements Order No. R5-2025-00XX (Order) for Trio Petroleum LLC and Cawelo Water District (collectively referred to as Discharger hereafter) in Kern County. The tentative Order would regulate the discharge and reuse of treated oil field produced wastewater (produced wastewater or discharge) for the irrigation of crops for human consumption. The tentative Order was prepared after the Central Valley Regional Water Quality Control Board (Central Valley Water Board or "Board") received a Report of Waste Discharge (RWD) by the Discharger, and conducted a substantive review of that document. Central Valley Water Board staff reviewed the RWD and found that preparing a tentative Order to be considered by the Board for adoption was appropriate.

A public hearing concerning this matter will be held during the Board meeting scheduled for:

TIME: To Be Determined

PLACE: 11020 Sun Center Drive, Suite 200
