

# EMPLOYEE RECOGNITION AWARD

December 2023

**EMPLOYEE:** Camille Hang

**UNIT:** Program Support Unit

**TITLE:** Associate Governmental Program Analyst (AGPA)

**SUPERVISOR/TITLE:** Christine Croyle, Staff Services Manager I

---

**\*\*This Employee Recognition Award is submitted on behalf of the Storage Tanks Program Staff\*\***

Camille Hang is an AGPA for the Storage Tanks Program at the Rancho Cordova office and has played a critical role in assisting that program for over 14 years. The entire Storage Tanks team would like to recognize and thank Camille for her exceptional contributions to the program throughout her many years of service.

Camille is the unsung hero of the Storage Tanks Program and, for nearly a decade and a half, has played a foundational role managing the behind-the-scenes tasks needed to support both the Program and each of its staff. Camille reviews and responds to the Public Records Act requests, coordinates file deliveries, scans and uploads case files, transmits and tracks deliverables, and edits documents for ADA compliance.

Camille has also trained the Storage Tanks Program Scientific Aides to help her with these tasks, increasing the amount of support for the units. Especially in the last three years, many of these in-office tasks have become increasingly important and advantageous to staff who work remotely.

Camille always responds quickly and positively to staff's requests and communicates the progress of each assigned task. She is happy to help and is a joy to work with.

Camille recently took a month of well-deserved vacation time, allowing staff to develop an appreciation for the work she performs during her absence. Her friendly presence and supporting contributions were missed while she was on vacation, further highlighting her value and critical role within the Tanks Program.

The entirety of the Storage Tanks Program staff would like to extend their appreciation of Camille for all her support, positive attitude, and professionalism. Camille is well-deserving of this Employee Recognition Award.
