

Colorado River Basin Regional Water Quality Control Board

NOTICE OF PUBLIC MEETING AND AGENDA

Following the separately noticed public meeting on April 14, 2026, a quorum of members of the California Regional Water Quality Control Board, Colorado River Basin Region (Colorado River Basin Water Board) may be present for a tour of the PG&E Topock Compressor Station. The tour, which will be open to the public, will take place at the time and location listed below.

MEETING INFORMATION

Date: April 15, 2026

Time: 8:00 am

Attendee Information: Attendance is limited. Members of the public will be accommodated on a first-arrival basis, based on the site capacity.

Location: PG&E Topock Compressor Station
515 National Trails Hwy
Needles, CA 92363

Contact: Monica Aragon, Monica.Aragon-Guzman@waterboards.ca.gov

REMOTE PARTICIPATION NOT AVAILABLE

This meeting will be conducted in person only. Remote participation will not be available due to the outdoor setting.

AGENDA

During this tour, the Board Members and the public will be learning about the PG&E Topock Compressor Station Groundwater Remedy and the Compressor Station's process wastewater ponds. No actions will be taken at this meeting, which will be adjourned at the tour's conclusion.

VIVIAN PEREZ, CHAIR | MICHAEL PLACENCIA, EXECUTIVE OFFICER
