BACKGROUND

Sunlight Storage II, LLC (Discharger) is planning to construct and operate a battery energy storage system (BESS), within the existing boundary of the Desert Sunlight Solar Farm (Facility), which is located near the community of Desert Center. The Project is expected to impact waters of the state.

The BESS will be constructed on approximately 30 acres of land and will be used to store up to 300 megawatts of energy. The BESS includes 34.5 kilovolt (kV) collection lines to connect the BESS to the existing Facility substation; will require upgrades to the Facility substation; will utilize access roads including the use of the existing Facility main access road and an existing 45-foot-wide road used for Facility maintenance; and will require drainage upgrades including new swales and expansion of a retention basin size. Minor road improvements may be needed to access the BESS from the existing 45-foot-wide access road. The Project would also include use of an existing 230 kV gen-tie line and its access road constructed for the Facility to connect the BESS into an existing Southern California Edison substation. Construction of the BESS is planned to begin in May 2023 and will require approximately eleven months to complete.

HEARING PROCEDURE

Nature of Hearing

The Colorado River Basin Water Board's consideration of the Tentative Order is an adjudicative proceeding¹ conducted in accordance with California Code of Regulations, title 23, section 648 et seq. The administrative record shall consist of all Board files, exhibits, and related agenda material. The Tentative Order will be considered via an "informal hearing." (*Id.*, § 648.7; see also Gov. Code, § 11445.10 et seq.)

Parties to Proceeding

The parties to this proceeding are the Discharger (i.e., person to whom the Tentative Order is directed), and any additional persons that the Executive Officer, in consultation with the Board Chair, determines should be a "party." (Cal. Code Regs., tit. 23, § 648.1, subd. (a).) Such additional persons are referred to as **Designated Parties**.

Unless they are formally recognized as a Designated Party, **interested persons are NOT considered "parties" to the proceeding**. This means that interested persons will ordinarily not be permitted to present evidence (e.g., photos, eyewitness testimony, etc.) for entry into the administrative record; again, oral comments are limited to general policy and legal statements. Interested persons are also not subject to cross-examination but may be asked to respond to clarifying questions from the Board Members. (*Id.*, § 648.1, subd. (d).)

To request Designated Party status, send a written application via email to Logan.Raub@WaterBoards.ca.gov as soon as possible, but no later than **March 13, 2023** (submitted concurrently with written comments and any proposed written evidence). The Executive Officer and Board staff will promptly respond to all timely applications and may request further information before the determination is made.

Designated Party status will only be granted if the applicant demonstrates that it is necessary and appropriate under the circumstances.² An application will not be granted

¹ An "adjudicative proceeding" is one in which the Board conducts an evidentiary hearing for determination of facts, resulting in the formulation of a decision in the form of an adopted order. (Gov. Code, § 11405.20; Cal. Code Regs., tit. 23, § 648, subd. (a).)

² The Board's decision may include the following considerations: (1) whether the applicant will be substantially affected by issues addressed in the hearing; (2) whether

Additionally, the Executive Officer, in consultation with the Board Chair, may impose restrictions on the requestor's hearing participation, including limiting or excluding the use of cross-examination and other procedures to promote the orderly and prompt conduct of the proceeding. (Gov. Code, § 11440.50, subd. (c).)

Order of Proceeding

Adjudicative proceedings are conducted in a manner deemed most suitable to the particular case with a view toward expeditiously securing relevant information without unnecessary delay and expense. (Cal. Code Regs., tit. 23, § 648.5, subd. (a).)

This proceeding will be conducted in the following order: (1) opening statements by Board Chair, summarizing the subject matter and purpose of the hearing; (2) identification of all persons wishing to participate in the hearing; (3) administration of oath for all persons intending to speak at the hearing, including interested persons making oral comments; (4) presentations by staff; (5) comments and/or presentations by parties; (6) comments from interested persons; (7) Board Members' comments and discussion; (8) closure of hearing by Board Chair; and (9) voting by Board Members. In the event that the Tentative Order will be contested, the Executive Officer, in consultation with the Board Chair, will determine time allotments prior to the hearing.

Submission of Evidence

To avoid the introduction of surprise testimony and exhibits (Cal. Code Regs., tit. 23, § 648.4, subd. (a)), and to minimize the need for oral argument and testimony at the hearing, the parties shall submit all documentary evidence (*Id.*, § 648.4, subd. (c)), witness information (*Id.*, § 648.4, subd. (b)), and legal/technical memoranda to staff prior to the hearing date.

As noted above, the administrative record will consist of materials in the Board file for the Facility (at time of hearing).

the parties will adequately represent the applicant's interests; (3) whether the applicant would present their own written evidence or witness testimony at the hearing; and (4) whether the applicant will seek to cross-examine the other parties' witnesses.
