

## **Description of Changes to Regulatory Text of the Proposed Emergency Regulations for Electronic Reporting of Drinking Water Quality Data**

Changes proposed to section 64469 of Title 22 of the California Code of Regulations:

- Additions to regulation text is indicated by underline (underline).
- Deleted regulation text is indicated by strikethrough (~~strikethrough~~).

**TITLE 22, CALIFORNIA CODE OF REGULATIONS**

**Division 4. Environmental Health**

**Chapter 15. Domestic Water Quality and Monitoring Regulations**

**Article 19. Records, Reporting and Recordkeeping**

**Amend Section 64469 to read as follows:**

**§ 64469. Reporting Requirements.**

(a) Analytical results of all sample analyses completed in a calendar month shall be reported to the State Board no later than the tenth day of the following month.

(b) Analytical results of all sample analyses completed by water wholesalers in a calendar month shall be reported to retail customers and the State Board no later than the tenth day of the following month.

(c) Except for the results of field tests not conducted by a laboratory, each public water system shall use a laboratory duly accredited by the State Board for performing analysis of drinking water for regulatory purposes that complies with the reporting requirements specified in this section, including the requirements for submitting data, as prescribed below:

(1) A laboratory performing chemical and radiological analyses on drinking water samples shall report analytical results to the State Board electronically through the California Laboratory Intake Portal (CLIP), using the CA SDWIS Lab Analytical Data Format. If the State Board is unable to accept results for these specific analytes electronically using CLIP, the results shall be submitted via mail or email.

(2) A laboratory performing microbiological analyses on drinking water samples shall report analytical results to the State Board via mail or email.

~~Analytical results shall be reported to the State Board electronically using the Electronic Deliverable Format as defined in The Electronic Deliverable Format [EDF] Version 1.2i Guidelines & Restrictions dated April 2001 and Data Dictionary dated April 2001.~~

(d) Within 10 days of giving initial or repeat public notice pursuant to Article 18 of this Chapter, except for notice given under section 64463.7(d), each water system shall submit a certification to the State Board that it has done so, along with a representative copy of each type of public notice given.
