SONOMA

DRINKING WATER MONITORING SCHEDULE

THE CALIFORNIA DEPARTMENT OF PUBLIC HEALTH (CDPH) MONITORING SCHEDULER LISTS REQUIRED CONTAMINANT TESTING OF DRINKING WATER FOR PUBLIC WATER SYSTEMS IN CALIFORNIA. THE SCHEDULE INCLUDES REQUIRED UPCOMING TESTING, AND PAST DUE REQUIRED. IF NO TESTING IS LISTED ALL TESTING HAS BEEN WAIVED.

THIS INFORMATION IS VALID AS OF AUGUST 22, 2014.

UPDATES WILL BE REGULARLY PERFORMED REFLECTING CHANGES IN THE WATER QUALITY MONITORING DATABASE. THESE DOCUMENTS SHOULD BE CONSIDERED "DRAFT" IN THAT THEY MAY CHANGE WITH SUBSEQUENT UPDATES AS NEW DATA ARE SUBMITTED, OR AS MONITORING SCHEDULES ARE REVISED. THIS MONITORING SCHEDULE SHOULD NOT BE USED TO DETERMINE IF SYSTEMS ARE IN COMPLETE COMPLIANCE WITH MONITORING REQUIREMENTS. THE PURPOSE IS TO ASSIST SYSTEMS IN THEIR PLANNING FOR SAMPLING EVENTS, AND VERIFICATION OF SCHEDULED MONITORING WITH CDHS RECORDS.

THE TELEPHONE NUMBER FOR THE LOCAL DRINKING WATER OFFICE IS:

(707) 576-2145

Please be aware that the monitoring schedules do not reflect compliance with initial monitoring for newly regulated constituents (such as MTBE), or constituents that require special monitoring frequencies. Specifically, the database is unable to accurately forecast the following for the Monitoring Schedules:

The SOC frequency for large water systems serving over 3,300 people of 2 quarters every 3 years. In addition, if you have been advised of any increased monitoring that is not reflected in the Monitoring Schedule for a particular source, please contact your local Drinking Water office

Some older data may not be present in the database, and these are indicated in the schedule as "DUE." If these samples were taken, have your laboratory submit the data. Since January 1, 2001, data have been required to be submitted directly to CDPH via electronic data transfer (EDT).

If sampled after January 1, 2001, have your lab submit those data (and data prior to 2001 if possible) electronically as required to CDPH via EDT. Your laboratory can contact Anthony Meeks in the CDPH Monitoring and Evaluation Unit at (916) 449-5568 or at edt@cdph.ca.gov for further information. Changes in the monitoring notification documents will be seen in the next update.
